Subcommittee on Health**

## **Extending Medicare Coverage For Preventive And Other Services:**

Extending Medicare Coverage for Preventive and Other Services Institute of Medicine, Division of Health Care Services, Committee on Medicare Coverage Extensions, 2000-04-07 This report which was developed by an expert committee of the Institute of Medicine reviews the first three services listed above It is intended to assist policymakers by providing syntheses of the best evidence available about the effectiveness of these services and by estimating the cost to Medicare of covering them For each service or condition examined the committee commissioned a review of the scientific literature that was presented and discussed at a public workshop As requested by Congress this report includes explicit estimates only of costs to Medicare not costs to beneficiaries their families or others It also does not include cost effectiveness analyses That is the extent of the benefits relative to the costs to Medicare or to society generally is not evaluated for the services examined The method for estimating Medicare costs follows the generic estimation practices of the Congressional Budget Office CBO The objective was to provide Congress with estimates that were based on familiar procedures and could be compared readily with earlier and later CBO estimates For each condition or service the estimates are intended to suggest the order of magnitude of the costs to Medicare of extending coverage but the estimates could be considerably higher or lower than what Medicare might actually spend were coverage policies changed The estimates cover the five year period 2000 2004 In addition to the conclusions about specific coverage issues the report examines some broader concerns about the processes for making coverage decisions and about the research and organizational infrastructure for these decisions It also briefly examines the limits of coverage as a means of improving health services and outcomes and the limits of evidence as a means of resolving policy and ethical questions *Extending Medicare Coverage for Preventive and Other Services* Lawrence RL Field MJ (Zwanziger L, editors), 2000 **Keeping Seniors Healthy** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health, 2004 **The Future of Disability in America** Institute of Medicine, Board on Health Sciences Policy, Committee on Disability in America, 2007-10-24 The future of disability in America will depend on how well the U S prepares for and manages the demographic fiscal and technological developments that will unfold during the next two to three decades Building upon two prior studies from the Institute of Medicine the 1991 Institute of Medicine report *Disability in America* and the 1997 report *Enabling America* The Future of Disability in America examines both progress and concerns about continuing barriers that limit the independence productivity and participation in community life of people with disabilities This book offers a comprehensive look at a wide range of issues including the prevalence of disability across the lifespan disability trends the role of assistive technology barriers posed by health care and other facilities with inaccessible buildings equipment and information formats the needs of young people moving from pediatric to adult health care and of adults experiencing premature aging and secondary health problems selected issues in health care financing e g risk adjusting payments to health plans coverage of assistive technology and the organizing and financing of

disability related research The Future of Disability in America is an assessment of both principles and scientific evidence for disability policies and services This book s recommendations propose steps to eliminate barriers and strengthen the evidence base for future public and private actions to reduce the impact of disability on individuals families and society      **Foreign Operations, Export Financing, and Related Programs Appropriations for 2002** United States.
