Extra When The Papers Had The Only News:

The Commercialization of News in the Nineteenth Century Gerald J. Baldasty, 1992-11-15 The Commercialization of News in the Nineteenth Century traces the major transformation of newspapers from a politically based press to a commercially based press in the nineteenth century Gerald J Baldasty argues that broad changes in American society the national economy and the newspaper industry brought about this dramatic shift Increasingly in the nineteenth century news became a commodity valued more for its profitability than for its role in informing or persuading the public on political issues Newspapers started out as highly partisan adjuncts of political parties As advertisers replaced political parties as the chief financial support of the press they influenced newspapers in directing their content toward consumers especially women The results were recipes fiction contests and features on everything from sports to fashion alongside more standard news about politics Baldasty makes use of nineteenth century materials newspapers from throughout the era manuscript letters from journalists and politicians journalism and advertising trade publications government reports to document the changing role of the press during the period He identifies three important phases the partisan newspapers of the Jacksonian era 1825 1835 the transition of the press in the middle of the century and the influence of commercialization of the news in the last two decades of the century

Travelling Chronicles: News and Newspapers from the Early Modern Period to the Eighteenth Century Siv Gøril Brandtzæg, Paul Goring, Christine Watson, 2018-04-03 Travelling Chronicles presents fourteen episodes in the history of news written by some of the leading scholars in the rapidly developing fields of news and newspaper studies Ranging across eastern and western Europe and beyond the chapters look back to the early modern period and into the eighteenth century to consider how the news of the past was gathered and spread how news outlets gained respect and influence how news functioned as a business and also how the historiography of news can be conducted with the resources available to scholars today Travelling Chronicles offers a timely analysis of early news at a moment when historical newspaper archives are being widely digitalised and as the truth value of news in our own time undergoes intense scrutiny
