Astrology and Psychic Phenomena Andre Kole,Terry Holley,2016-09-06 Astrology Tarot cards Ouija boards spiritism psychic healing palm reading and old fashioned fortune telling now called psychic consulting all these are popular in America today Psychic hotlines are heavily represented on television with testimonials to their amazing ability to give people accurate details about their past and predictions about their future Are psychics indeed gifted with supernatural powers Andre Kole and Terry Holley show convincingly how the success of these and other paranormal phenomena depends on deceit and slight of hand rather than on genuine supernatural powers This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood **Channeling Into the New Age** Henry Gordon,2011-04-29 What exactly is the New Age movement Why has it become the dominant force of the Zeitgeist invading nearly every aspect of American life After years of researching this burgeoning movement columnist

author and magician Henry Gordon is one of the world's foremost experts on every aspect of the New Age its derivations and content the people most involved in it the forces that motivate and prolong it and the enormous amount of money changing hands as the me generation takes on astrology crystals runes channeling mysticism yoga acupuncture herbal medicine telepathy precognition clairvoyance biofeedback biorhythms reincarnation and every sort of psychological technique for heightened awareness At the forefront of the brouhaha is high profile actress lecturer and free spirit Shirley MacLaine This book is strictly unauthorized a freewheeling and spirited roast of the New Age including a history of trends leading to the movement rooted in 19th century occultism and observations on the vast amount of coverage given to the movement and to New Age celebrities by the print and broadcast media Although Gordon delights in skewering the absurdities of the New Age there's a serious emphasis to his research and his message While the gurus are busy channeling into new realities they are becoming phenomenally rich without contributing in any significant way to the alleviation of human unhappiness and very often without making any sense at all Sharp wit and common sense Wise and often hilarious Rocky Mountain News
