Eyewitness To World War Ii The Best Of American Heritage

John C. Fredriksen

Eyewitness To World War II The Best Of American Heritage:

Eyewitness to History: World War II Stephen W. Sears, 2015-11-27 the greatest war of all time told as it is best told by the people who lived it The Washington Post All first person accounts of great events have their own fascination but the editors of American Heritage have discovered that people writing about World War II seem to tell their own story with particular passion and eloquence That is one reason American Heritage has published so many of them and why noted military historian Stephen W Sears has selected the most compelling The result of his search is a uniquely moving and valuable anthology a series of personal histories that marshaled together become an intimate history of the Second World War Here is Edward Beach the highly decorated submarine skipper and author of *Run Silent Run Deep* recalling what it was like to be sent into hostile waters with torpedoes that didn't work Charles Cawthon recounts the landing at Normandy Beach in a restrained and poetic narrative whose quiet humor does nothing to blunt the savagery of the experience General James Gavin tells of the jump into Sicily and of a battle fought that never should have been fought Hughes Rudd watched the war from overhead in a flimsy spotter plane his Maytag Messerschmitt and William Manchester remembers a particularly audacious and hilarious scam that a reckless Marine buddy played on the entire army Some of the stories are heartbreaking some amusing some horrifying but every one of them whether told by the women who hammered fighter planes together or the men who flew them glows with hard won experience **American Heritage** ,1996 *Eyewitness to History* New Word City Editors, 2018-08 the greatest war of all time told as it is best told by the people who lived it The Washington Post All first person accounts of great events have their own fascination but the editors of American Heritage have discovered that people writing about World War II seem to tell their own story with particular passion and eloquence That is one reason American Heritage has published so many of them and why noted military historian Stephen W Sears has selected the most compelling The result of his search is a uniquely moving and valuable anthology a series of personal histories that marshaled together become an intimate history of the Second World War Here is Edward Beach the highly decorated submarine skipper and author of *Run Silent Run Deep* recalling what it was like to be sent into hostile waters with torpedoes that didn't work Charles Cawthon recounts the landing at Normandy Beach in a restrained and poetic narrative whose quiet humor does nothing to blunt the savagery of the experience General James Gavin tells of the jump into Sicily and of a battle fought that never should have been fought Hughes Rudd watched the war from overhead in a flimsy spotter plane his Maytag Messerschmitt and William Manchester remembers a particularly audacious and hilarious scam that a reckless Marine buddy played on the entire army Some of the stories are heartbreaking some amusing some horrifying but every one of them whether told by the women who hammered fighter planes together or the men who flew them glows with hard won experience [Air University Library Index to Military Periodicals](#) ,1992 **World War II Commemorative Bibliography: The invasion of Normandy** United States. Department of the Navy. Library, 1991 *Twilight of the Gods* Ian W.

Toll, 2020-09-01 New York Times Bestseller No one has told the story of World War II in the Pacific from beginning to bitter end better than Ian W Toll This final volume concludes a brilliant trilogy Alex Kershaw New York Times best selling author of The First Wave and Avenue of Spies In June 1944 the United States launched a crushing assault on the Japanese navy in the Battle of the Philippine Sea The capture of the Mariana Islands and the accompanying ruin of Japanese carrier airpower marked a pivotal moment in the Pacific War No tactical masterstroke or blunder could reverse the increasingly lopsided balance of power between the two combatants The War in the Pacific had entered its endgame Beginning with the Honolulu Conference when President Franklin Delano Roosevelt met with his Pacific theater commanders to plan the last phase of the campaign against Japan Twilight of the Gods brings to life the harrowing last year of World War II in the Pacific when the U S Navy won the largest naval battle in history Douglas MacArthur made good his pledge to return to the Philippines waves of kamikazes attacked the Allied fleets the Japanese fought to the last man on one island after another B 29 bombers burned down Japanese cities and Hiroshima and Nagasaki were vaporized in atomic blasts Ian W Toll s narratives of combat in the air at sea and on the beaches are as gripping as ever but he also reconstructs the Japanese and American home fronts and takes the reader into the halls of power in Washington and Tokyo where the great questions of strategy and diplomacy were decided Drawing from a wealth of rich archival sources and new material Twilight of the Gods casts a penetrating light on the battles grand strategic decisions and naval logistics that enabled the Allied victory in the Pacific An authoritative and riveting account of the final phase of the War in the Pacific Twilight of the Gods brings Toll s masterful trilogy to a thrilling conclusion This prize winning and best selling trilogy will stand as the first complete history of the Pacific War in more than twenty five years and the first multivolume history of the Pacific naval war since Samuel Eliot Morison s series was published in the 1950s

Saipan James H. Hallas, 2019-05-01 The story of the Battle of Saipan has it all Marines at war on Pacific beaches in hellish volcanic landscapes in places like Purple Heart Ridge Death Valley and Hell s Pocket under a commander known as Howlin Mad Naval combat carriers battling carriers from afar fighters downing Japanese aircraft submarines sinking carriers Marine army rivalry Fanatical Japanese defense and resistance A turning point of the Pacific War James Hallas reconstructs the full panorama of Saipan in a way that no recent chronicler of the battle has done In its comprehensiveness attention to detail scope of research and ultimate focus on the men who fought and won the battle on the beaches and at and above the sea it rivals Richard Frank s modern classic Guadalcanal This is the definitive military history of the Battle of Saipan

The Invasion of Normandy United States. Navy Department. Library, 1994 [Air Force Magazine](#), 1993-07 [West Virginia History](#), 1993 [The Conquering Tide](#) Ian W. Toll, 2015-09-21 A New York Times Bestseller A beautiful blend of history and prose and proves again Mr Toll s mastery of the naval war narrative Wall Street Journal This masterful history encompasses the heart of the Pacific War the period between mid 1942 and mid 1944 when parallel Allied counteroffensives north and south of the equator washed over Japan s far flung island empire like a

conquering tide concluding with Japan's irreversible strategic defeat in the Marianas. It was the largest, bloodiest, most costly, most technically innovative and logistically complicated amphibious war in history and it fostered bitter interservice rivalries leaving wounds that even victory could not heal. Often overlooked, these are the years and fights that decided the Pacific War. Ian W. Toll's battle scenes in the air, at sea, and in the jungles are simply riveting. He also takes the reader into the wartime councils in Washington and Tokyo where politics and strategy often collided and into the struggle to mobilize wartime production which was the secret of Allied victory. Brilliantly researched, the narrative is propelled and colored by firsthand accounts, letters, diaries, debriefings, and memoirs that are the raw material of the telling details, shrewd judgment, and penetrating insight of this magisterial history. This volume, continuing the marvelously readable dramatic narrative, *San Francisco Chronicle of Pacific Crucible* marks the second installment of the Pacific War Trilogy which will stand as the first history of the entire Pacific War to be published in at least twenty-five years.

The Star-Spangled Screen Bernard F. Dick, 2022-05-31. The American World War II film depicted a united America, a mythic America in which the average guy, the girl next door, the 4 F patriot, and the grieving mother were suddenly transformed into heroes and heroines, warriors and goddesses. *The Star-Spangled Screen* examines the historical accuracy or lack thereof of films about the Third Reich, the Resistance, and major military campaigns. Concerned primarily with the films of the war years, it also includes discussions of such postwar movies as *Battleground* 1949, *Attack* 1956, *The Bridge on the River Kwai* 1957, and *Patton* 1970. This revised edition includes new material covering recent films such as *Saving Private Ryan* 1998, *Pearl Harbor* 2001, *Dunkirk* 2017, and *JoJo Rabbit* 2019 and their place in the war movie tradition. *The Star-Spangled Screen* makes a major contribution to popular culture by re-creating an era that for all its tragedy was one of the most creative in the history of American film.

American Military Leaders John C. Fredriksen, 1999-06-18. A comprehensive collection of biographies of the most prominent military leaders in American history. *American Military Leaders* contains over 400 A-Z biographies of individuals such as Admiral Elmo Zumwalt, who ended hundreds of years of tradition by allowing women to serve on Navy ships, and Francis Marion, the Swamp Fox, whose rules of clandestine warfare are still followed by the U.S. Special Forces. Coverage centers on the outstanding generals, sergeants, fighter aces, militiamen, theorists, doctors, and nurses who make up America's military history. This volume presents their backgrounds, contributions, and significance to America's fortunes in war. This title also cites works for further research, includes a list of leaders organized by their military titles, and a comprehensive index.

Contemporary Authors New Revision Series Pamela Dear, 2001-06. In response to the escalating need for up-to-date information on writers, *Contemporary Authors New Revision Series* brings researchers the most recent data on the world's most popular authors. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up-to-date and completely replace the original *Contemporary Authors* entries. For your convenience, a soft cover cumulative index is sent biannually. While Gale strives to replicate print content, some content may not be available due to
