Eyvind Johnson:

Eyvind Johnson Gavin Orton,1972 Eyvind Johnson Gavin Orton,Philip Holmes,University of Hull. Department of Scandanavian Studies,1974 **The Days of His Grace** Eyvind Johnson,1971 **Reconstructing Shakespeare in the Nordic Countries** Nely Keinänen,Per Sivefors,2023-06-29 Examining the changing reception of Shakespeare in the Nordic countries between 1870 and 1940 this follow up volume to Disseminating Shakespeare in the Nordic Countries focuses on the broad movements of national revivalism that took place around the turn of the century as Finland and Norway and later Iceland were gaining their independence The first part of the book demonstrates how translations and productions of Shakespeare were key in such movements as Shakespeare was appropriated for national and political purposes The second part explores how the role of Shakespeare in the Nordic countries was partly transformed in the 1920s and 1930s as a new social system emerged and then as the rise of fascism meant that European politics cast a long shadow on the Nordic countries and substantially affected the reception of Shakespeare Contributors trace the impact of early translations of Shakespeare s works into Icelandic the role of women in the early transmission of Shakespeare in Finland and the first Shakespeare production at the Finnish Theatre and the productions of Shakespeare s plays at the Norwegian National Theatre between 1899 and the outbreak of the Great War In Part Two they examine the political overtones of the 1916 Shakespeare celebrations in Hamlet s hometown of Elsinore Henrik Rytter s translations of 23 Shakespeare plays into Norwegian to assess their role in his poetics and in Scandinavian literature the importance of the 1937 production of Hamlet in Kronborg Castle starring Laurence Olivier and the role of Shakespeare in general and Hamlet in particular in Swedish Nobel laureate Eyvind Johnson s early work where it became a symbol of post war passivity and rootlessness *Echoes of Genius* José Américo Paiva Moreira,2023-08-05 The Nobel Prize in Literature is the highest honor a writer can achieve elevating laureates to literary geniuses Established by Alfred Nobel this international award recognizes remarkable contributions to literature Over the years it has celebrated diverse voices from around the world creating a pantheon of literary giants from various cultures This book invites readers on a fascinating journey through contemporary world literature exploring the lives and works of Nobel laureates from 1901 to the present day **Writing the North of the North / L'Écriture du Nord du Nord / Den Norden des Nordens (be-)schreiben** Annie Bourguignon,Konrad Harrer,2019-11-29 The expression North of the North refers both to an objective geographical reality the territories situated at the highest latitudes on our planet and to a subjective mental construction which came into being many centuries ago and has been developed modified and differentiated ever since The chapters in the present volume examine various aspects of that concept analysing texts and works of art from a range of regions and periods La notion de Nord du Nord renvoie tout autant la r alit g ographique objective que sont les territoires des latitudes les plus lev es de notre plan te qu une construction mentale subjective qui s est constitu e d velopp e et modifi e au cours du temps Les contributions du pr sent

volume se proposent d'en explorer les multiples facettes en recourant des textes et œuvres d'art d'époques et de provenances diverses Der Begriff Norden des Nordens verweist sowohl auf eine objektive geographische Wirklichkeit nämlich die in den höchsten Breitengraden unseres Planeten gelegenen Territorien als auch auf eine subjektive mentale Konstruktion die im Laufe der Zeiten entstanden ist sich fortentwickelt und ausdifferenziert hat Die im vorliegenden Band enthaltenen Beiträge erforschen die vielfältigen Facetten dieses Begriffs anhand von Texten und Kunstwerken aus verschiedenen Regionen und Epochen

Silence and Absence in Literature and Music, 2016-04-08 This volume focusses on the rarely discussed reverse side of traditional given objects of studies namely absence rather than presence of text and silence rather than sound It does so from the bifocal and interdisciplinary perspective which is a hallmark of the book series Word and Music Studies The twelve contributors to the main subject of this volume approach it from various systematic and historical angles and cover among others questions such as to what extent absence can become significant in the first place or iconic silent functions of musical scores as well as discussions of fields ranging from baroque opera to John Cage's 4 33 The volume is complemented by two contributions dedicated to further surveying the vast field of word and music studies The essays collected here were originally presented at the Ninth International Conference on Word and Music Studies held at London University in August 2013 and organised by the International Association for Word and Music Studies They are of relevance to scholars and students of literature music and intermediality studies as well as to readers generally interested in phenomena of absence and silence

Hammar skjöld Roger Lipsey, 2013-03-18 After his mysterious death Dag Hammar skjöld was described by John F Kennedy as the greatest statesman

of our century Second secretary general of the United Nations 1953-61 he is the only person to have been awarded the Nobel Peace Prize posthumously Through extensive research in little explored archives and personal correspondence Roger Lipsey has produced the definitive biography of Dag Hammarskjöld Hammarskjöld A Life provides vivid new insights into the life and mind of a truly great individual Hammarskjöld the statesman and Hammarskjöld the author of the classic spiritual journal Markings meet in this new biography and the reader will meet them both in these pages A towering mid twentieth century figure Hammarskjöld speaks directly to our time

The Historical Novel, Transnationalism, and the Postmodern Era
Susan Brantly, 2017-02-17 This volume explores the genre of the historical novel and the variety of ways in which writers choose to represent the past How does an author's nationality or gender impact their artistic choices To what extent can historical novels appeal to a transnational audience This study demonstrates how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood Furthermore it traces how the concerns of the postmodern era such as postmodern critiques of historiography colonialism identity and the Enlightenment have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture Not all historical novels written during the postmodern era are postmodern The historical novel as a genre occupies a problematic yet significant space in Cold War literary currents torn between claims of authenticity and the impossibility of accessing the past Historical novels from England America Germany and France are compared and contrasted with historical novels from Sweden testing a variety of theoretical perspectives in the process This pitting of a center against a periphery serves to highlight traits that historical novels from the West have in common but also how they differ The historical novel is not just a local regional phenomenon but has become during the postmodern era a transnational tool for exploring how we should think of nations and nationalism and what a society should or should not look like

Books Abroad, 1929 *Practice Your Spanish! #4: Unlock the Power of Spanish Fluency* Sam Fuentes, Book 4 in the series New sections for books 3 and 4 include multiple choice questions in each unit which test both grammatical knowledge and vocabulary Also the long texts at the end of each unit are all taken from one very long article which is given in full at the end of the book This book is not for beginners It is for intermediate learners of Spanish who want to improve their Spanish as well as advanced learners who are looking to brush up on their language skills The idea is to master Spanish through reading and with this in mind the book contains lots and lots of parallel texts bilingual Spanish English to practice reading comprehension plus exercises to translate single sentences from English into Spanish This is a dual language book and everything is in Spanish AND English so exercises are useful to readers of different levels of ability in Spanish However the book is aimed primarily at high school and college students of Spanish those taking Spanish SATs ACT or PSAT NMSQT tests or anyone else who has already acquired a working knowledge of the language including advanced learners They say practice makes perfect Practice your Spanish allows you to do just that and is the most effective way to learn and improve your Spanish There are five units in the book

each one offering a mixture of single sentences and longer texts Every example of Spanish is followed usually on the next page by a translation into English This allows readers to click through as much material as they want even if it s just a sentence or two at a time You will always be understanding Spanish as you go and the dual language format makes this an ideal self study resource This book is not a textbook and contains no grammar exercises It is an additional way of helping learners of Spanish improve their language skills However the texts themselves contain a wide variety of grammatical structures tenses and set expressions in Spanish The vocabulary is also rich and varied containing all the most useful Spanish words But don t worry if you don t understand everything a full translation into English is just one click away A note on the translations we have tried to provide good straightforward translations of all material in this book But remember that there are potentially many ways of translating any sentence

Pandemic Re-awakenings Guy Beiner,2021-12-30 A multi level and multi faceted exploration of a century of remembering forgetting and rediscovering the influenza pandemic of 1918 1919 arguably the greatest catastrophe in human history Twenty three researchers chart the worldwide historiographical neglect and silences and trace vestiges of social and cultural memories of this pandemic

Peace Diplomacy, Global Justice and International Agency Carsten Stahn,Henning Melber,2014-04-24 As UN Secretary General Dag Hammarskj ld shaped many of the fundamental principles and practices of international organisations such as preventive diplomacy the ethics of international civil service impartiality and neutrality He was also at the heart of the constitutional foundations and principles of the UN This tribute and critical review of Hammarskj ld s values and legacy examines his approach towards international civil service agency and value based leadership investigates his vision of internationalism and explores his achievements and failures as Secretary General It draws on specific conflict situations and strategies such as Suez and the Congo for lessons that can benefit contemporary conflict resolution and modern concepts such as human security and R2P It also reflects on ways in which actors such as international courts tribunals and the EU can benefit from Hammarskj ld s principles and experiences in the fields of peace and security and international justice

Music, Collective Memory, Trauma, and Nostalgia in European Cinema after the Second World War Michael Baumgartner,Ewelina Boczkowska,2019-09-23 In the wake of World War II the arts and culture of Europe became a site where the devastating events of the 20th century were remembered and understood Exploring one of the most integral elements of the cinematic experience music the essays in this volume consider the numerous ways in which post war European cinema dealt with memory trauma and nostalgia showing how the music of these films shaped the representation of the past The contributors consider films from the United Kingdom Poland the Soviet Union France Italy Germany Sweden Austria and the Netherlands providing a diverse and well rounded understanding of film music in the context of historical memory Memory is often underrepresented within scholarly musical studies with most of these applications found in the disciplines of ethnomusicology popular music studies music cognition and psychology and music therapy Likewise trauma has mainly been studied in relation to music in only a few

historical contexts while nostalgia has attracted even less academic attention In three parts this volume addresses each area of study as it relates to the music of European cinema from 1945 to 1989 applying an interdisciplinary approach to investigate how films use music to negotiate the precarious relationships we maintain with the past Music Collective Memory Trauma and Nostalgia in European Cinema after the Second World War offers compelling arguments as to what makes music such a powerful medium for memory trauma and nostalgia

The Pedagogical Possibilities of Witnessing and Testimonies Marie Hållander, 2020-10-27 This book explores the pedagogical possibilities of testimony and witnessing Drawing on the work of Giorgio Agamben this book highlights the ultimate impossibility of witnessing and testimony testimonies do not stand outside language history politics or capitalist systems Through analysis of different aspects of representation subjectivity and emotions this book illustrates how testimonies can be used as a way to control student emotions perceptions and understandings Testimonies used within teaching can work as a way to reproduce stereotypes of suffering and can thus consolidate and reinforce existing power structures and identities By exploring these difficulties the author argues for the value of teaching historical testimonies of suffering that recognize both the impossibilities and possibilities of witnessing and testimony Marie Hållander has provided an indispensable guide to rethinking the pedagogical possibilities of witnessing and testimonies essential reading for anyone interested in how to approach these topics both critically and pedagogically Through a lucid theoretical synthesis this book reinscribes a dynamic pedagogical dimension into the topics of witnessing and testimony which have been dominated by historians psychologists and literary critics Thinking through the theoretical challenges of witnessing and testimony yet using powerful examples from teaching Hållander develops a forceful analysis that shows the profound implications of these topics for pedagogical practice Michalinos Zembylas Open University of Cyprus Cyprus Timely and topical this fascinating book complicates approaches to witnessing suffering and testimony without diminishing the pedagogical historical and political significance of sharing or harkening to one's experience It is a powerful original and valuable contribution in its field not only because it weaves its themes in a diligent reflective and critical manner but also because it has its own unique perspective and sensibilities as these emerge from erudite combination of narrative pedagogy and philosophy Marianna Papastephanou University of Cyprus Cyprus

Bodies Inhabiting the World Niels Henrik Gregersen, Derek R. Nelson, Bengt Kristensson Ugglå, 2023-11-20 *Bodies Inhabiting the World* Scandinavian Creation Theology and the Question of Home offers a multidimensional investigation of how houses bodies communities and the whole universe may be conceived and refigured as places where we belong where we are at home in God's creation In this way revisiting the tradition of Scandinavian creation theology provides profound resources to make theological affirmations of God's omnipresence in the human condition we all share The emergence here of an exciting new theological program can be recognized beyond the limitations of other contemporary agendas cul de sacs blind spots and diffidence What it is to have a home is a universal question closely connected to what it means to be human

and to live a good flourishing life But the negative experiences of homelessness broken homes statelessness and alienation always lurk in the background of the universal quest to find one's home in the world This book contains fourteen essays exploring the dynamics of the human experience of finding losing and finding again a home *Politics and Conscience*

Roger Lipsey, 2020-02-25 An accessible guide to the principles and vision of Dag Hammarskjöld a man John F Kennedy called the greatest statesman of our century Dag Hammarskjöld served as Secretary General of the United Nations from 1953 until his tragic death in a suspicious plane crash in 1961 During those years he saw the fledgling international organization through numerous crises with skill that made him a star on the international stage As readers of his now classic diary *Markings* are aware Hammarskjöld understood political leadership as an honor calling for resourcefulness humility moral clarity and spiritual reflection In this accessible handbook acclaimed biographer Roger Lipsey details the political and personal code by which Hammarskjöld lived and made critical decisions What emerges is the portrait of a man who struck a remarkable balance between patience and action empathy and reserve policy and people Structured through short sections on themes such as courage facing facts and negotiation *Politics and Conscience* offers a vision of ethical leadership as relevant today as it was in Hammarskjöld's time
