**Ezra Pound** J. J. Wilhelm,2010-11-01 This third and final volume of Wilhelm s life of Ezra Pound commences with Pound s departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his

death in 1972 It tells how he settled in Rapallo and soon found Mussolini's fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression As Italy girded itself for World War II Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor When Italy fell to the Allies Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason He escaped conviction on grounds of insanity but he was then remanded to St Elizabeths Hospital where he languished for twelve years Despite the incarcerations Pound produced during this time some of his most magnificent poetry including The Pisan Cantos and numerous excellent translations from the Chinese and Greek He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg With the help of Archibald MacLeish and Robert Frost Pound was eventually freed in 1958 He returned to Italy where he lived for a time with his wife and daughter During the final years of his life he eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo He died in Venice in 1972 and is buried next to Igor Stravinsky whose work his own strongly resembles since they both fought for liberation from traditional forms

Nadel, 2007-04-05 Ezra Pound is one of the most visible and influential poets of the twentieth century He is also one of the most complex his poetry containing historical and mythical allusions experiments of form and style and often controversial political views Yet Pound's life and work continue to fascinate This Introduction first published in 2005 is designed to help students reading Pound for the first time Pound scholar Ira B Nadel provides a guide to the rich webs of allusion and stylistic borrowings and innovations in Pound's writing He offers a clear overview of Pound's life works contexts and reception history and his multidimensional career as a poet translator critic editor anthologist and impresario a career that placed him at the heart of literary modernism This invaluable and accessible introduction explains the huge contribution Pound made to the development of modernism in the early twentieth century *Ezra Pound and the Career of Modern Criticism* Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold

story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked. It is routine for reception histories to distinguish between professional studies and more popular responses; this book encourages us to consider why we make that distinction and what the costs of doing so might be. Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance. As a result, the history of Pound's reception unfolds as a kind of drama, perhaps the last ongoing theater for McCarthyite cultural political anxieties. Michael Coyle is Professor of English at Colgate University and has published widely on Pound. Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society.
