## **Ezra Pound Identity In Crisis A Fundamental Reassessment Of The Poet And His Work:**

Ezra Pound, identity in crisis. A fundamental reassessment of the poet and his work. (1. publ.), 1981      Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound s reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society      Ezra Pound, Identity in Crisis Alan Durant, 1981      **Late modernist poetics** Anthony Mellors, 2024-06-04 This book explores the uncanny afterlife of modernist ideals in the second half of the twentieth century Rejecting the familiar notion that modernism dissolved during the 1930s it argues that the fusion of rationalism and mysticism which characterises modernist poetics was sustained long after its politics had been discredited by the events of World War Two The book s central concern is why the aesthetic mysticism that Walter Benjamin called the faith of those who made common cause with Fascism continued to be a guiding principle for literary elites and countercultural movements alike New light is shed on the relationship between occultism and the Pound tradition especially in terms of Pound s influence on post 1945 Anglo American poetry and a critical theory of late modernism is offered which shows how belated notions of cultural redemption have survived in contemporary poetry This wide ranging contextual study focuses on the poetry of Ezra Pound Charles Olson Paul Celan and J H Prynne and explores the development of modernist culture through its theories of phenomenology psychoanalysis science ethnography and ancient history      **The Poetry of Postmodernity** D. Brown, 1994-10-17 The Poetry of Postmodernity reappraises key Anglo American poets of the last fifty years in the light of debates about the postmodern situation It offers fresh critical insights into how their literary contribution gives cogent expression to both the socio cultural possibilities and the global problems of our recent past our apparent present and our

probable future The poets considered are late Auden Ginsberg Plath Berryman Hughes Hill Ashbery and late R S Thomas

The Hall of Mirrors Peter Stoicheff,1995 In *The Hall of Mirrors* Peter Stoicheff examines the complicated composition and publication history of *Drafts Fragments* to demonstrate how the volume has become a site where conflicting responses to Pound's public and poetic lives are interpreted and reconstructed Finally he delivers not only a well rounded study of one of Pound's most important texts but an exploration of the modern long poem whose very length works against the possibility of its satisfactory closure

**Art and Its Discontents** Richard Read,2003 Although interest in the painter poet and art writer Adrian Stokes 1902-1972 has been growing in recent years *Art and Its Discontents* is the first biographical study of this pivotal figure in British modernism Focused on Stokes's formative years the book offers important new insights into his intellectual development his growing commitment to the arts and his eventual turn to the art criticism that would win him international renown Even as Richard Read follows Stokes from his London childhood to his travels in Italy and his psychoanalysis with Melanie Klein he weaves Stokes's experiences and writings into the great social and cultural issues of his era Stokes's friendship with Ezra Pound is given its due but Read balances his exploration of Stokes's modernist ideas with detailed discussion of his profound debt to the teachings of John Ruskin and Walter Pater Seen in this broad perspective Stokes emerges as a thinker who bridged Victorian and modernist cultures and renewed the British tradition of aesthetic criticism

*Shaping Israelite Identity through Prayers in the Book of Chronicles* Kiyong Kim,2021-11-18 What is the post exilic Israelites destiny What should they have hoped for How could they actualize their desired community This book discusses the identity of the post exilic Israelite community by focusing on the unique rhetorical impetus in the book of *Chronicles* *Chronicles* suggests a picture of the desired future Israel Yet the Chronicler does not call for a new identity creation ex nihilo from the community but calls for the restoration of the Israelites past identity by reporting the history of Israel and Judah The restoration of their past identity can be actualized when members of the community fulfill portrayed roles and characteristics in *Chronicles* worshiping monotheistic believing and praying and Davidic citizenship Further recorded prayer plays a crucial role as *Chronicles* persuades its readers to render or exhibit those roles and characteristics Prayer invites the community members to participate so that they transform past prayers into their own prayers By doing so the prayer participants perceive portrayed roles and characteristics and change their attitude By rendering and exhibiting desired roles and characteristics they eventually hope for and actualize a better community the liturgical community

REAL Volume 7 (1991) Grabes,1991 *Difference In View: Women And Modernism* Gabriele Griffin,2003-09-02 This collection of essays challenges conceptions of high modernism The book focusses specifically on women's cultural production covering a wide range of arts and genres including chapters on painting theatre and magazines

**Readings in the Cantos** Richard Parker,2018 This volume offers clear readings of 28 Cantos from *The Cantos* of Ezra Pound in 23 essays written by eminent Poundians with careful explanation of sources balanced with critical analysis of Pound's project

*Modernist Form*

John Steven Childs, 1986 Demonstrating the use of practical semiotics this book illuminates the mystifying work *The Cantos* by Ezra Pound This first definitive anatomy of Modernism carefully establishes a set of structural elements as a basis for approaching the text     *Wyndham Lewis and Western Man* David Ayers, 2015-12-22     **Cybernetic Aesthetics** Heather A. Love, 2023-09-28 This book shows that modernist literature creatively negotiated the same issues of data processing that cybernetics technologies would later tackle     *Poetics of Loss in the Cantos of Ezra Pound* Nick Selby, 2005 This book examines how the modernist poetics exemplified in Ezra Pound's epic poem *The Cantos* are unavoidably bound in with the ideological forces underpinning his advocacy of fascism Overall it argues that Pound's reactionary urge to redefine a lost culture couples with his sense of textual annihilation of a validating poetic centre is the cultural ground on which his ideal of fascist republic rests     **Gerontology and Geriatrics Collections** Lee Ash, 2013-08-21 An essential resource for any library where research on aging is conducted a guide to important and unique holdings in the field     Identity and Society in American Poetry Robin Mookerjee, 2008     **Voi Altri Pochi** Mark Kyburz, 1996-04 Critical tradition has established a certain way of reading Ezra Pound one that places the meanings of the words on the page at the centre of interest and neglects poetic communication The present study contributes to the recent challenge to this critical orthodoxy which has led to his canonization as a difficult poet by investigating the pragmatic dimension of Pound's work In its effort to reconstruct the dynamic communicative interface of Pound and his audiences in the early period of his career 1908-1925 this study draws on relevance theory a recent sharpening in pragmatic theory not so much to produce a new reading of his poetry but to suggest how Pound became difficult it is argued that the relative success and failure of his poetry to enhance cognitive and civic renewal depended on the dialectic between his presumptions of audience and the interpretive expectations and skills of his actual historical readers     A Selected Catalog of the Ezra Pound Collection at Hamilton College Hamilton College (Clinton, N.Y.).
