Face It:

Face It Vivian Diller, Ph.D.,2010-02-15 Let's face it everyone's getting older But millions of women raised to believe that success and happiness are based on their intelligence and accomplishments face an unexpected challenge the physical realities of aging If looks are not supposed to matter why do so many women panic as their appearance changes Their dilemma stems from two opposing societal views of beauty which lead to two different approaches to aging Should women simply grow old naturally since their looks don't define them or should they fight the signs of aging since beauty and youth are their currency and power This Beauty Paradox leaves many women feeling stuck *Face It* by Vivian Diller Ph D is a psychological guide to help women deal with the emotions brought on by their changing appearances As a model turned psychotherapist Diller has had the opportunity to examine the world of beauty from two very different vantage points This unique perspective helped her develop a six step program that begins with recognizing uh oh moments that reveal the reality of changing looks and goes on to identify the masks used to cover deeper issues and define the role beauty plays in a woman's life and ends with bidding adieu to old definitions of beauty so women can enjoy their appearance at any age **Face It** Art Horn,2004 Conquer fear before it overwhelms your workplace Worriers controllers attention seekers victims these are all typical profiles of professionals who let different types of fear keep them from achieving professional success Also fear is the root of conflict which can undermine the productivity of teams and entire organizations This book identifies several basic behavioral profiles and helps readers assess their own behaviors as well as those of coworkers It explains how the behaviors develop and offers practical techniques for replacing fear and mistrust with mutual respect and rebuilding the sense of shared commitment to common goals From publisher description *Let's Face It* Kirk Douglas,2007-03-16 The legendary actor looks back on his long and eventful life reflecting on the joys and sorrows of aging his storied Hollywood career his family and five decade marriage and his Jewish faith *Let's Face It* Nefateri P. Smalls,2024-12-02 When you face traumatic experiences without taking the time to deal with them you cripple yourself from being all you can be You breathe a sigh of relief and close the door behind you because you escaped from these painful encounters You move on believing that surviving is the same as processing Yet like chewed gum on the bottom of a shoe you've picked up other things along the way that prevent you from living to your full potential The past alone doesn't simply leave a mark when left unresolved it causes you to adopt unhealthy habits false narratives you tell yourself and poor coping skills that attach to the way you do life In *Let's Face It* author Nefateri P Smalls gives you an opportunity to face your past and start the journey to healing She outlines proven steps to help you overcome the jagged edges of life that you carry every day No matter what you've experienced she offers a roadmap to wholeness Filled with Biblical principles personal experience reflection opportunities and more *Let's Face It* provides practical wisdom on how to apply what you learn to the real world setting you on the path to the fulfillment of your life's purpose *Let's Face It* Janeil Smith,2017-12-15 This book is written by the author after many years of studying and
