Expository Messages on the Epistle to the Galatians Henry Allan Ironside, 1940 The Galatian Christians were thrown into confusion They had received the gospel with great delight and enthusiasm but now certain men had come from Judea insisting that unless they kept the laws and holy days of the Jews they were not saved To straighten out these new converts and to defend the gospel message against this false teaching the Apostle Paul wrote the Epistle to the Galatians Dr Ironside in his Expository Messages on this Epistle shows what an important place this letter on law and grace has in the lives of all Christians today

Galatians: The Biblical Precept of Freedom Tim James, 2019-02-11 Nowhere is the claim to desire freedom so thoroughly denied by people's actions than in the sphere of religion All religions while claiming to set people free instead multiply rules and restrictions For this reason almost all sermons on the believer's freedom spend more time hedging that freedom with warnings against sin than actually setting people free But the Lord said If the Son shall make you free you are free indeed In the book of Galatians Paul made a clear and powerful argument for the freedom of the believer In this commentary the author breaks the chains of bondage that many have put on this book he sets the Book of Freedom free With unassailable argument he sets forth the radical freedom that is the possession of every believer shows why believers can be trusted with that freedom and unfolds that it is only in the context of this freedom that they can truly express the fruit of the Spirit showing Christ and His Cross is the reason Read it believe it and be free
