D. Watson,2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God s part and man s part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God s sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture

Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord     *Expository Thoughts on the Gospels* John Charles Ryle, 1957     John Through the Centuries Mark Edwards, 2008-04-15 This pioneering commentary embraces the full scope and themes raised in John's Gospel offering an engaging and perceptive reading Mark Edwards explores a diverse range of excerpts and creative responses with particular emphasis on the treatment of the Gospel in English poetry Explores the diverse themes and issues raised in John's Gospel and considers its influence on figures from Saint Augustine to Dorothy Sayers and Bob Dylan Treats well known interpreters such as Thomas Aquinas along with lesser known figures such as the Gnostic Heracleon and the sixth century hymn writer Romanos Brings ancient and modern commentators into dialogue with each other and takes a critical stance towards some parallels drawn by modern scholars between the Gospel and the surrounding pagan culture Features excerpts from a wide variety of poets who give a creative interpretation of John's Gospel and considers many artistic representations Suggests that imaginative response can illuminate a reading of the Bible where purely critical and historical analysis has proved unsatisfactory An accessible introduction and extensive section notes address interpretations of the Gospel from antiquity to the present Published as part of the ground breaking Blackwell Bible Commentaries series More information about this series is available from the Blackwell Bible Commentaries website at <http://www.bbibcomm.net>     *American Literary Gazette and Publishers' Circular* , 1869     **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** , 1898     **The Phrenological Journal and Life Illustrated** , 1870     *Publishers' circular and booksellers' record* , 1869     **The Publishers' Circular** Sampson Low, 1857     **The Publishers' Circular and General Record of British and Foreign Literature** , 1873     American Phrenological Journal and Life Illustrated , 1870     **The English Catalogue of Books [annual]** . , 1874 Volumes for 1898-1968 include a directory of publishers     **What and how to read: a guide to recent English Literature, containing a classified list of the best books published in England and America during the past five years, etc** G.
