

## Writing Developing Your First Draft

A classification paragraph consists of a topic sentence, a body that explains the categories—with supporting details—and a closing sentence.

- Include your topic sentence at the beginning of the paragraph.
- Write body sentences explaining your topic's categories and arrange them in the best possible order: order of importance, chronological (time) order, or order of location. (See page 551.)
- Sum up the topic with a thoughtful closing sentence.

**Write the first draft of your paragraph.** Write freely and don't worry about making mistakes. Just get all your ideas on paper.

## Revising Improving Your Paragraph

After you finish your paragraph, check it for *ideas, organization, voice, word choice, and sentence fluency*.

**Review your paragraph.** Think about the following questions as you

- **Check your writing.**
  - Is my topic sentence clear?
  - Are my details related to my topic?
- **Check your organization.**
  - Are my categories and details organized in the best way?
  - Do I present my paragraphs about my topic?
- **Check your voice.**
  - Are my words clear and precise?
  - Do my sentences flow smoothly?
  - Have I included a thoughtful closing?

## Editing Checking for Conventions

After you review your paragraph, check it for conventions.

**Edit your work.** Answer the questions below.

- Did I use correct punctuation and capitalization?
- Have I checked my spelling and grammar?

**Proofread your paragraph.** After making a final copy of your paragraph, check it one more time for errors.
