

Extreme Europe

Bert Klandermans, Nonna Mayer

Extreme Europe:

Extreme Europe Stephen Barber, 2001 This book takes the form of a series of journeys around the peripheries of Europe and its cities via a number of the areas from which the defining moments and images of contemporary Europe have been generated introd

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

The Extreme Right in Europe Paul Hainsworth, 2008-03-17 This book is a concise critical introduction to one of the most emergent themes in late twentieth century history politics and society and looks at how extremist and nationalist popular fronts have grown under the influence of modern day issues

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right s post war evolution across Europe

The Extreme Right in Europe and the USA Paul Hainsworth, 2016-10-06 The rise of extreme right parties and neo fascist movements in recent years as a response to economic crisis has become a major concern for most European countries The phenomenon is likely to increase as more disillusioned and discontented sectors of the population become drawn towards intense nationalism and the scapegoating of foreigners Paul Hainsworth has assembled a team of experts in the field to present a comparative empirical assessment of the historical evolution nature and extent of the extreme right in Europe and the United States from the 1940s to the early 1990s This volume evaluates the nature and influence of the extreme right in the post war context

Mapping the Extreme Right in Contemporary Europe Andrea

Mammone, Emmanuel Godin, Brian Jenkins, 2012 In recent years the revival of the far right and anti Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics *The Extreme Right in Europe* Uwe Backes, Patrick Moreau, 2011-12-07 The present work deals not only with the well organized right extremism in modern Europe as well as with its function in proper political parties but equally includes two additional broader approaches the militant branches and subcultures that exist including some paramilitary phenomena in Eastern Europe and the broad realm of their political ideas and cultural trends and the influence they exert on European political culture **Reflections on the Extreme Right in Western Europe, 1990-2008** Christopher Husbans, 2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this topic or on general political sociology *European Trend Atlas of Extreme Temperature and Precipitation Records* Deliang Chen, Alexander Walther, Anders Moberg, Phil Jones, Jucundus Jacobeit, David Lister, 2014-12-04 This Atlas presents records of climatic variability and change in Europe starting before 1901 and focuses especially on trends of extreme temperatures and precipitation The authors have

used software developed within EMULATE European and North Atlantic daily to MULTidecadal climATE variability to obtain the extremes indices and temporal trends The trend atlas provides an easy way to identify spatial patterns for a given time period region season and index The Atlas clearly shows that climate in Europe has changed over the last 100 to 150 years such that the occurrence and intensity of warm temperature extremes have increased Precipitation extremes have also changed but with a less clear pattern compared to the temperature extremes European and American Extreme Right Groups and the Internet Manuela Caiani,Linda Parenti,2016-04-29 How do right wing extremist organizations throughout the world use the Internet as a tool for communication and recruitment What is its role in identity building within radical right wing groups and how do they use the Internet to set their agenda build contacts spread their ideology and encourage mobilization This important contribution to the field of Internet politics adopts a social movement perspective to address and examine these important questions Conducting a comparative content analysis of more than 500 extreme right organizational web sites from France Germany Italy Spain the United Kingdom and the United States it offers an overview of the Internet communication activities of these groups and systematically maps and analyses the links and structure of the virtual communities of the extreme right Based on reports from the daily press the book presents a protest event analysis of right wing groups mobilisation and action strategies relating them to their online practices In doing so it exposes the new challenges and opportunities the Internet presents to the groups themselves and the societies in which they exist The Climatology of Air-Mass and Frontal Extreme Precipitation Ewa Łupikasza,2016-08-08 Based on a data series of more than 50 years this book discusses spatial and seasonal variability in air mass and frontal extreme precipitation frequency and as well as the relationship between their occurrence and atmospheric circulation The climatology of air mass and frontal extreme precipitation is presented for the first time on a European scale Since there is no robust automatic method of locating atmospheric fronts this challenging task has to be performed manually Moreover there is limited availability of the complex sub daily data that is necessary to recognize the dynamic of meteorological fronts The results show a clear regional and seasonal variety in the relationship between extreme precipitation occurrence and atmospheric circulation depending on precipitation origin The probability of air mass and frontal precipitation occurrence provides crucial information for studies in predictability and modeling This book is intended for students specialists in the field of climatology and climate change climate process modelers and other experts for whom extreme precipitation is important x The Extreme Right Aurel Braun,2018-02-12 This book offering a historical sociological account of right wing extremist movements in American history seeks to identify threats to freedom and security assess the responses to such threats and suggest some means of dealing with the potential dangers Extreme Right Activists in Europe Bert Klandermans,Nonna Mayer,2006 Since the 1980s one of the main political changes in Western Europe has been the electoral upsurge of extreme right wing parties However while the electoral support of these movements has been studied extensively their membership has largely been ignored This book

examines who joins the extreme right and why Drawing upon extensive research and featuring contributions from distinguished social psychologists and political scientists this book provides the most detailed comparative study yet published of the psychology of right wing extremist activists Countries discussed include Germany The Netherlands Italy Belgium and France

Mapping Extreme Right Ideology M. Bruter, S. Harrison, 2011-08-30 An explanation of variations in the discourses and electoral success of 25 extreme right parties across 17 European political systems The book shows how the European extreme right is mapped by the positions of parties and voters on two ideological dimensions and how the match between these determines electoral success

Mobilizing on the Extreme Right Manuela Caiani, Donatella della Porta, Claudius Wagemann, 2012-02-16 Mobilizing on the Extreme Right compares the extreme right in Italy Germany and the United States using concepts and methods developed in social movement studies While the political parties on the right are well studied this is the first volume to address in comparative perspective the social movement organizations on the extreme right

Extreme Right Parties in Scandinavia Anders Widfeldt, 2014-08-27 This book fills a gap in the extreme right literature currently available as there is no book length study of Scandinavia With the election of many right wing parties across Europe this book is very timely

The Extreme Right in France James Shields, 2007-05-07 As well as providing a detailed biography of Le Pen the leader of the National Front in France this book also explores the wider development of the extreme right as a significant intellectual and political force within France

Extreme Weather Events Marcia Amidon Lusted, 2017-07-15 In the wake of every killer hurricane devastating wild fire severe drought or once in a century flooding event it has become commonplace for scientists politicians and ordinary citizens to debate whether or not these severe weather events can be tied directly to climate change and global warming The scientific consensus generally indicates that we are beginning to see upticks in extreme weather due to warming and the resulting shift in weather patterns Certain politicians business interests and energy executives however forcefully reject such connections as unproven and speculative Where does the truth lie This anthology collects the strongest viewpoints from across the ideological spectrum and the globe and allows readers to evaluate the arguments and evidence for themselves before forming an educated opinion

The Politics of the Extreme Right Paul Hainsworth, 2016-10-06 Fascist authoritarian anti Semitic and extremist movements made a powerful and devastating contribution to the 20th century While the experiences of the 1930s and 1940s served to delegitimise such forces contemporary Europe and the USA have witnessed the resurgence of extreme right wing politics Rapid socio economic change the appeal of nationalism the failures of mainstream political parties and intense campaigning around issues such as immigration security and unemployment have all fuelled the phenomenon This book a sequel to *The Extreme Right in Europe and the USA* provides a comprehensive analysis of the nature and prevalence of extreme right movements in Europe both West and East and in the USA at the turn of the millennium The authors reveal the uneven process of extreme right wing revival which has varied from country to country depending on specific political cultures and

circumstances with some movements confined to the margins while others have moved towards the political mainstream They examine the ideas policies personalities organizations voters and reasons for the success of extreme right wing movements in a range of countries as well as providing a more general examination of the nature and politics of the extreme right

Extreme Weather Events and Public Health Responses Wilhelm Kirch,B. Menne,R. Bertollini,2006-01-16 The global climate is changing The trend towards warmer average surface temperatures for the period since 1976 is roughly three times that of the past 100 years as a whole In recent years warming seems to be attributable to human activities man made environmental changes like land use changes deforestation urbanisation and the reduction of wetlands Global climate change is likely to be accompanied by an increase in frequency and intensity of extreme weather events This brings with it increased health risks and hence a demand for an adequate response from local health authorities to meet these risks In 2004 the WHO Regional Office for Europe and the European Environment Agency organized an expert meeting to exchange information and develop recommendations on public health and environmental responses to weather and climate extremes floods heat waves and cold spells This book reflects a collection of case studies and experiences of experts ministries and international organizations

Extreme Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Extreme Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Extreme Europe has opened up a world of possibilities. Downloading Extreme Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Extreme Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Extreme Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Extreme Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Extreme Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Extreme Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Extreme Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
