Eye Single To The Glory Of God:

The Godhead: New Scriptural insights on the father the son and the Holy Ghost Duane S. Crowther, 2023-07-17 Carefully crafted precisely written and fully documented this doctrinal resource assembles an abundance of meaningful new scriptural patterns Have any questions about the nature of the Godhead Look no further The Godhead New Scriptural Insights on the Father the Son and the Holy Ghost will not only answer your questions but it will also intrigue you with insights you may not have pondered before Christian beliefs about God attributes and physical natures of Godhead members individual insights on God the Son God the Holy Ghost and God the Father and the ultimate objectives of divinity New doctrines No they ve been in the scriptures for centuries But profound new insights By the hundreds The Godhead shows historically and scripturally how allegorical interpretation methodologies of trinity advocates altered the major doctrines of Christianity causing them to discount the many literal biblical statements concerning the nature of God Other major contributions of The Godhead include its numerous insights on premortal events its compilation of hundreds of scriptures showing the physical nature of God and its in depth scriptural demonstration that Jesus is Jehovah More key insights treat the essential attributes of Godhead members their spirit nature their threeness and oneness relationships the varied fatherhood roles of Jesus Christ the nature of glory Christ s roles among the Gods and how mankind can attain Godhood Author Duane S Crowther is widely known for his indepth doctrinal studies on many topics including his books *Prophecy Key To the Future Life Everlasting and Prophets and Prophecies of the Old Testament* Terms of Salvation Grant H. Layton, 2013-07 Why are there so many competing Christian churches in the world today It is because men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn t necessarily what we expect or want to find But for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ **The Latter-Day Saints' Millennial Star** , 1894
