Ami Gram Goodreads Reviewer      Private Eye Cats S.N. Bronstein,2012-01-30 Scooter and Nugget cannot be content like most other house cats eating sleeping and annoying their humans These two sisters who just happen to speak English as well as cat talk decide to sneak outside on a regular basis to explore their neighborhood When they overhear their human housemates Tony and Misty discussing a recent burglary in the area Scooter and Nugget decide to become amateur detectives and solve the case Getting outside is easy once Tony and Misty go off to work Dealing with the challenges of outdoor cats who are unfriendly and downright mean dogs who would love to prove to them who rules the streets and a group of gang cats who want them off their turf is not so easy One challenge after another seems to prevent the cats from solving the crime How do they track the criminals down How do they figure out where the thieves will strike next What do they do if and when they finally do catch them Nugget younger and less experienced than Scooter does not have a clue how to answer these questions Scooter older and wiser has a plan Follow along as the plan is put into action With the help of Tyrone Williams a teacher at the local middle school who discovers by accident the secret that the cats can speak English the plot unfolds These private eye cats will reveal to you just how successful two four legged felines can be when they become determined to put a plan into action      A Cat's Eye is One Marcia K. Vaughan,1989      **The Illustrated Bead Bible** Theresa Flores Geary,2008 From Abalone to Zipper Stitch this profusely illustrated guide covers a broad range of beading subjects and presents encyclopedic entries on historical background technical details and cultural customs      Dictionary of Gems and Gemology Mohsen Manutchehr-Danai,2013-03-09 Since World War II the amount of information generated in the science of Gemology has increased tremendously Therefore this book Dictionary of Gems and Gemology was written with the aim of providing a relatively complete dictionary to assist all students hobbyists scientists and interested parties in the fields of Gems and Gemology The forerunner to this book was called Dictionary of Gems and Gemology English Persian Persian English published in Tehran Iran in 1997 It was written with the aid of more than thirty reference books relating to gemology In response to the effort required to clarify the terms within I decided to compile a book that brings all the relevant terms into one book This new book eliminates the use of different reference books and compiles nearly all the relevant terms into a one stop useful text It took twenty five years to collect the terms and the information so as to present a complete and functional lexicon The text is supported by nearly 170 illustrations and 21 tables to provide detailed and succinct information I hope and trust that this book will reach the high standard of other gemological dictionaries If you have criticisms or suggestions please feel free to contact me Professor Dr Mohsen Manutchehr Danai Los Angeles Tehran Regensburg
