Eyewitness Ancient Rome Hc2000:

Ezekiel, Daniel Eugene Carpenter, David Thompson, 2018-02-06 The Cornerstone Biblical Commentary series provides up to date evangelical scholarship on the Old and New Testaments Each volume is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text The commentary series has been structured to help readers get at the meaning of Scripture passage by passage through the entire Bible The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars The NLT's scholarship and clarity breathe life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts That's why we call it The Truth Made Clear David L Thompson Ph D The Johns Hopkins University has written scores of popular and professional articles His books include Bible Study That Works and God's Healing for Hurting Families Dr Thompson an ordained elder in The Wesleyan Church has pastored several churches Eugene Carpenter Ph D Fuller Theological Seminary is Scholar in Residence and Professor of Old Testament Hebrew and Biblical Theology at Bethel College Mishawaka IN He has authored and contributed to several books including commentaries on Exodus and Deuteronomy *Winning Revolutions* J. Harold Ellens, 2013-11-26 The product of 35 senior scholars research these volumes examine the psychology driving the religious political and economic forces that cause turbulence and violence in human society Religious political and economic revolts have defined the human experience throughout history These kinds of universal turbulence continue to be the dominate source of human suffering and perplexity during the first decade of the 21st century What can intensive study of the psychodynamics of cultural and social eruptions tell us that may serve to move cultures around the world beyond ongoing strife This work seeks to find out examining the spectrum of cultural and social eruptions from ancient Jewish Christian and Muslim revolutions to the modern day economic and political turbulence in Eastern Europe the Near East and Latin America The breadth of this three volume set ranges from the 12th century BCE to the current struggles in Iraq Afghanistan and Syria and from the irrational violence of the French Revolution to the genuine quest for liberty of the American Revolution and the Singing Revolutions in the Baltic States in recent decades Each volume is introduced with a description of its philosophical perspective and concludes with a brief summarization of the takeaways of the research presented **Luke the Historian of Israel's Legacy, Theologian of Israel's 'Christ'** David Paul Moessner, 2016-07-25 David Moessner proposes a new understanding of the relation of Luke's second volume to his Gospel to open up a whole new reading of Luke's foundational contribution to the New Testament For postmodern readers who find Acts a generic outlier dangling tenuously somewhere between the mainland of the evangelists and the Peloponnese of Paul diffused and confused and shunted to the backwaters of the New Testament by these signature corpora Moessner plunges his readers into the hermeneutical atmosphere of Greek

narrative poetics and elaboration of multi volume works to inhale the rhetorical swells that animate Luke's first readers in their engagement of his narrative In this collection of twelve of his essays re contextualized and re organized into five major topical movements Moessner showcases multiple Hellenistic texts and rhetorical tropes to spotlight the various signals Luke provides his readers of the multiple ways his Acts will follow all that Jesus began to do and to teach Acts 1:1 and consequently bring coherence to this dominant block of the New Testament that has long been split apart By collapsing the world of Jesus into the words and deeds of his followers Luke re configures the significance of Israel's Christ and the Reign of Israel's God for all peoples and places to create a new account of Gospel Acts discrete and distinctively different than the narrative of the many Luke 1:1 Luke the Historian of Israel's Legacy combines what no analysis of the Lukan writings has previously accomplished integrating seamlessly two generically estranged volumes into one new whole from the intent of the one composer For Luke is the Hellenistic historian and simultaneously biblical theologian who arranges the one plan of God read from the script of the Jewish scriptures parts and whole severally and together as the saving script for the whole world through Israel's suffering and raised up Christ Jesus of Nazareth In the introductions to each major theme of the essays this noted scholar of the Lukan writings offers an epitome of the main features of Luke's theological thought and in a final Conclusions chapter weaves together a comprehensive synthesis of this new reading of the whole
