Best and Worst Travels Ramon Carver, 2007-04 Carver writes in a style not unlike Bill Bryson candidly regaling readers with tales of his worst experiences Some of the worst were worse than others as well as the best I enjoyed a great Abercrombie Kent trip to China because it was a great adventure a great itinerary a great tour group with a great tour director great hotels except for a noisy Sheraton in Guilin great weather and great tour management Seven greats out of seven ain't bad He says Great expectations when traveling are usually the source of my greatest disappointments I'm like the guy in a New Yorker cartoon studying a brochure telling his travel agent I am so looking forward to this I can't wait to be disappointed He writes How to Survive Disasters like Theft Accidents etc and at the risk of seeming disingenuously obvious he provides an exhaustive list covering every possible thing

that can go wrong Getting Sick Getting Killed Getting Lost etc offering suggestions for solving dilemmas He concludes with Did I fail to mention Getting Bored to Death He describes trips with Yale Exes and travels to Italy China and Romania where he taught English with Global Volunteers
