[Talking the Walk](#) Dave Bartlett, Bill Muir, 2011-03-01 Cultivate Intimacy and Honesty in Your Youth Ministry's Small Groups. Here are 31 small group meetings about well, small groups. After all, the kind of honest sharing, perceptive silence, compassionate boldness, and mutual growth that are the marks of an effective and attractive small group don't always come naturally. With the complete sessions in Talking the Walk, all of them customized precisely for small groups, you can lead your small group of teenagers from just getting comfortable with kids they don't usually hang with to talking honestly, listening carefully, and understanding themselves and each other. The first five meetings are a gradual, gentle introduction to the idea of communication, confidences, and listening skills, the mechanics and heart of small group dynamics. Then on to more than two dozen topical meetings about issues that matter most to adolescents: how to face life's tensions, self-esteem, change, sexuality, giving and receiving love, clarifying future goals, friends, family, forgiveness, diversity, conflict, moods, priorities, and more. All of them based in Bible passages appropriate for mixed groups of church and unchurched kids, and each session with more than enough creative and quirky ideas so you can select those that best fit your style and your small group's temperament.
