the streets and in suburbs where ordinary folk live The creeping tentacles of crime have never stretched further Organised crime is now worth more than GBP 10 billion in Britain every year The old crimes of prostitution and extortion are being dropped in favour of multi million pound drug deals bringing gangsters more money and power than they ve ever known It is a cut throat industry that is conducted in the shadows and driven solely by profit Acclaimed true crime author Wensley Clarkson has met many of Britain s richest and most powerful gangs In this fascinating and gripping account he provides an extraordinary insight into these feared characters and takes us on a journey into the dark and glamorous underworld that seems to prove that for many gangs crime really does pay This book reveals the activities of these gangs to the world exposing such underworld legends as Kenneth Noye who hold continuing fascination with lovers of true crime
