Friendly Invasion:

Saints, Sinners, and Soldiers Jeffrey A. Keshen, 2007-10-01 It was the Good War Its cause was just it ended the depression and Canada's contribution was nothing less than stellar Canadians had every reason to applaud themselves and the heroes that made the nation proud But the dark truth was that not all Canadians were saints or soldiers Indeed many were sinners In this eye opening and captivating reassessment of Canadian commitment to the cause some disturbing questions come to light Were citizens working as hard as possible to back the war effort Was there illegal profiting from the conflict Did Canadian society suffer from a general decline of morality during the war Would women truly back the attack in new factory jobs and the military and then quietly return home Would unattended youth produce a crisis with juvenile delinquency How would Canada reintegrate a million veterans who policy makers feared would create a social crisis if treated like their Great War counterparts The first ever synthesis of both the patriotic and the problematic in wartime Canada *Saints Sinners and Soldiers* shows how moral and social changes and the fears they generated precipitated numerous and often contradictory legacies in law and society From labour conflicts to the black market to prostitution and beyond Keshen acknowledges the underbelly of Canada's Second World War and demonstrates that the Good War was a complex tapestry of social forces not all of which were above reproach

Creating This Place Linda Cullum, Marilyn Porter, 2014-04-01 The twentieth century witnessed both the formation of Newfoundland as a self conscious national entity and the construction of distinct and self aware middle and upper classes in its capital city This interdisciplinary collection examines the key roles played by women in the creation of this state and society and the essential influence that gender ethnicity and religion played in class relations Shifting class relations were formed in the salient political events of the first half of the twentieth century in Newfoundland the First World War the suffrage movement the Great Depression the Second World War and finally Newfoundland's contested entry into the Canadian Confederation *Creating This Place* shows how upper middle and working class worlds were established in the everyday work of women as well as the ways in which the complex social boundaries of the period were constructed Individual chapters explore issues such as women's work in religious and voluntary institutions their struggle for voice suffrage and political change work of domestic servants and the construction of proper women and mothers through denominational education *Creating This Place* adopts an innovative perspective on Newfoundland and Labrador that focuses on the often overlooked lives of urban women Contributors include Sonja Boon Memorial University Linda Cullum Memorial University Margot Duley University of Illinois at Springfield Vicki Hallett Memorial University Jonathan Luedee doctoral candidate University of British Columbia Bonnie Morgan doctoral candidate University of New Brunswick Marilyn Porter emerita Memorial University Karen Stanbridge Memorial University Helen Woodrow Educational Planning and Design Associates and Harrish Press Publications

Base Colonies in the Western Hemisphere, 1940-1967 S. High, 2008-12-22 This book examines the social economic and political aftermath of the famous Anglo American destroyers

for bases deal of 2nd September 1940 that saw fifty obsolete U S destroyers exchanged for base colonies in Trinidad Bermuda Newfoundland and the Bahamas

From Agriculture to Agricolology Professor Dani Wadada Nabudere, Mapungubwe Institute for Strategic Reflection (MISTRA), 2013-07-01 In this meditation respected Ugandan academic Dani Wadada Nabudere traces the roots of the global economic crisis and warns of the threat that the decline of Western nations poses to the African continent the final frontier for those in search of new lands and resources to exploit As a deterrent to what he sees as the encroachment of super profiteers looking to Africa for the land to increase their profits in industrial agriculture Nabudere advocates for what he terms community sites of knowledge that is the use of indigenous tools and knowledge to revitalize the lives of Africa s people The book puts forth the belief that any dependence on imported knowledge and material instruments will only lead to the entrenchment of colonial stereotypes and that indigenous knowledge is imbued with the roots of complex ecosystems that require the inputs of a diversity of expertise and experiences and that are capable of producing the knowledge necessary for the residents of the African continent to reclaim the future

The Good Allies Tim Cook, 2025-09-16 Cook takes on arguably his most ambitious topic yet and succeeds brilliantly Remarkably detailed and wise Policy Magazine From our country's most important war historian a gripping account of the turbulent relationship between Canada and the US during the Second World War The two nations entered the war amidst rivalry and mutual suspicion but learned to fight together before emerging triumphant and bound by an alliance that has lasted to this day When the Second World War broke out in 1939 it set in motion a deadly struggle between the Axis powers and the Allies but also fraught negotiations between and among the Allies On questions of diplomacy economic policy industrial might military capabilities and even national sovereignty thousands of lives and the fate of the free world depended on back room deals and desperate trade offs between soldiers diplomats and leaders In North America Canada and the US strained to forge a new military alliance to guard their coasts and fend off German U boats and the menace of a Japanese invasion Wartime economies were entwined to produce a staggering contribution of weapons to keep Britain and other allies in the war The defence of North America against enemy threats was essential before the US and Canada could send armies navies and air forces overseas In his trademark style Tim Cook employs eyewitness accounts to vividly lay bare the brutality of combat and the courage of North Americans under fire Behind the fighting fronts the charged and often secret communications between national leaders Churchill Roosevelt and King reveal how their personalities shaped the outcome of history's most destructive war the fate of the British Empire and the North American alliance that lives on to this day The Good Allies is a masterful account of how Canadians and Americans made the transition from wary rivals to steadfast allies and how Canada thrived in the shadow of the military and global superpower In exploring this complex and crucial dimension of the Second World War and its legacy Cook recounts two nations story of cooperation of sacrifice and of bleeding together to save the world from the fascist threat

Women's Experiences of the Second World War Mark J. Crowley, Sandra Trudgen Dawson, 2021 Using a very wide range of detailed sources the book surveys the many different experiences of women during the Second World War

Devotion Adam Makos, 2015 Devotion tells the inspirational story of the U S Navy's most famous aviator duo Lieutenant Tom Hudner and Ensign Jesse Brown and the Marines they fought to defend A white New Englander from the country club scene Tom passed up Harvard to fly fighters for his country An African American sharecropper's son from Mississippi Jesse became the Navy's first black carrier pilot defending a nation that wouldn't even serve him in a bar While much of America remained divided by segregation Jesse and Tom joined forces as wingmen in Fighter Squadron 32 Adam Makos takes us into the cockpit as these bold young aviators cut their teeth at the world's most dangerous job landing on the deck of an aircraft carrier Then comes the war no one expected in faraway Korea Devotion takes us soaring overhead with Tom and Jesse and into the foxholes with Red and the Marines as they battle a North Korean invasion As the fury of the fighting escalates and the Marines are cornered at the Chosin Reservoir Tom and Jesse fly guns

Convergence Peter Watson,2017-02-21 Originally published in Great Britain in 2016 with different subtitle Convergence the deepest idea in the universe **Heart Line** Dawn P. Valk,2001 If at the end of its quest a philosophy denies reality it is deluded If it denies knowledge it has lost its claim to instruct If it denies morality it is merely decadence trying to find respectability If it denies God it is simply and profoundly uninformed Millions have left the Christian faith without ever having heard its true message Millions more have never been exposed to the philosophical beauty of Christian Idealism I challenge you dear reader to consider the ideas put forward in this philosophical tract The heresy of materialism has risen to dominate the world Everyone seems to sense that something is terribly wrong with the course of civilization but few understand exactly what it is that is destroying society Materialism philosophic materialism is the problem **Allies in Memory** Sam Edwards,2015-03-02 A fresh perspective on World War II commemoration that identifies the central place of war memory in post 1945 transatlantic relations **Out Here** Melvin Baker,Peter Neary,2024-06-18 Vice Admiral Sir Humphrey Thomas Walwyn 1879 1957 was the British appointed governor of Newfoundland from 1936 to 1946 a period of remarkable change that would culminate in Newfoundland s union with Canada in 1949 Assembling records from the British national archives and the provincial archives in Newfoundland and Labrador Out Here presents readers with Walwyn s quarterly reports to the secretary of state for dominion affairs in London throughout his tenure as governor Walwyn s position offered him a unique vantage point on the political and economic situation in Newfoundland throughout this tumultuous period His reports bear witness to profound change chronicling the economic downturn experienced in the final

years of the Great Depression followed by the unprecedented prosperity sparked by the Second World War that set the stage for debates over governance and for significant constitutional advance The detailed accounts of Walwyn s daily life in Newfoundland feature rich descriptions of capital city company town and outport mores they paint a picture of coastal life in the mid twentieth century and introduce the wide array of characters the governor encountered Throughout the candid insider accounts of Governor Walwyn are augmented by expert historical context and illustrated with a generous selection of contemporary photographs As a whole Out Here stands as an invaluable primary source record and an important trove of information on wartime experiences in Atlantic Canada

Perspectives on Latter-day Saint Names and Naming Dallin D. Oaks, Paul Baltes, Kent Minson, 2023-03-01 Perspectives on Latter day Saint Names and Naming approaches cultural historical and doctrinal dimensions of The Church of Jesus Christ of Latter day Saints through a fresh lens that explores how these dimensions intersect with names and naming Featuring a collection of chapters from multiple authors its bipartite structure examines fascinating topics in relation to the Church looking first at cultural and historical perspectives before analyzing doctrinal and scriptural perspectives The book discusses such matters as how contemporary naming practices of Latter day Saints compare to those outside the faith how code names were used in one of the faith s books of scripture to protect Church leaders from persecution and how names and naming relate to the covenant identity of Church members Through its fresh approach to understanding religious identity and belief in relation to The Church of Jesus Christ of Latter day Saints this book is an invaluable resource for scholars and students of Mormon studies and will also be of interest to people with a fascination with names and naming issues as those occur in a variety of settings including religious ones

The Report: Thailand 2012 ,2011 All the Countries We've Ever Invaded Stuart Laycock, 2012-02-29 Out of 193 countries that are currently UN member states we ve invaded or fought conflicts in the territory of 171 That s not far off a massive jaw dropping 90 per cent Not too many Britons know that we invaded Iran in the Second World War with the Soviets You can be fairly sure a lot more Iranians do Or what about the time we arrived with elephants to invade Ethiopia Every summer hordes of British tourists now occupy Corfu and the other Ionian islands Find out how we first invaded them armed with cannon instead of camera and set up the United States of the Ionian Islands Think the Philippines have always been outside our zone of influence Think again Read the surprising story of our eighteenth century occupation of Manila and how we demanded a ransom of millions of dollars for the city This book takes a look at some of the truly awe inspiring ways our country has been a force for good and for bad right across the world A lot of people are vaguely aware that a quarter of the globe was once pink but that s not even half the story We re a stropic dynamic irrepressible nation and this is how we changed the world often when it didn t ask to be changed
