The Friendly Beasts - Kit Robert Davis,2000 In this version of a traditional Christmas carol the friendly stable beasts tell of the gifts they have given to the newborn Jesus **The Modernist Bestiary** Timothy Mathews,Sarah Kay,2020-07-08 The Modernist Bestiary centres on Le Bestiaire ou Cort ge d Orph e 1911 a multimedia collaborative work by French Polish poet Guillaume Apollinaire and French artist Raoul Dufy and its homonym The Bestiary or Procession of Orpheus 1979 by British artist Graham Sutherland Rather than reconstructing the lineage of these two compositions the book uncovers the aesthetic and intellectual processes involved that operate in different times places and media The Apollinaire and Dufy Bestiary is an open ended collaboration a feature that Sutherland develops in his re visiting and this book shows how these neglected works are caught up in many

faceted networks of traditions and genres These include Orphic poetry from the past contemporary musical settings and bestiary writing from its origins to the present The nature of productive dialogue between thought and art and the refracted light they throw on each other are explored in each of the pieces in the book and the aesthetic experience emerges as generative rather than reductive or complacent The contributors encounters with these works take the form of poetry and essays all moving freely between different disciplines and practices humanistic and posthumanist critical dimensions as well as different animals and art forms They draw on disciplines ranging from music art history translation Classical poetry and French poetry and are nurtured by approaches including phenomenology cultural studies sound studies and critical animal studies Collectively the book shows that the aesthetic encounter by nature affective is by nature also interdisciplinary and motivating and that it spurs the critical in addressing the complex issues of humananimality

A Season of Little Sacraments Susan H.
