Friendly Little Hobo:

Friendly Little Hobo, 1964 Chronicles how Hobo the dog became a resident of the stable and cared for his friend Aussolas the horse **Friendly Little Hobo** S. J. Wallner, 1968-01-01 **The Drive-In** Guy Barefoot, 2023-11-16 The Drive In meaningfully contributes to the complex picture of outdoor cinema that has been central to American culture and to a history of US cinema based on diverse viewing experiences rather than a select number of films Drive in cinemas flourished in 1950s America in some summer weeks to the extent that there were more cinemagoers outdoors than indoors Often associated with teenagers interested in the drive in as a passion pit or a venue for exploitation films accounts of the 1950s American drive in tend to emphasise their popularity with families with young children downplaying the importance of a film programme apparently limited to old low budget or independent films and characterising drive in operators as industry outsiders They retain a hold on the popular imagination The Drive In identifies the mix of generations in the drive in audience as well as accounts that articulate individual experiences from the drive in as a dating venue to a segregated space Through detailed analysis of the film industry trade press local newspapers and a range of other primary sources including archival records on cinemas and cinema circuits in Arkansas California New York State and Texas this book examines how drive ins were integrated into local communities and the film industry and reveals the importance and range of drive in programmes that were often close to that of their indoor neighbours **Get Poor Now, Avoid the Rush** Seedy Buckberry, 2010-12-27 It s hard to say exactly what s meant by the modern world but Henry Buckberry never really hooked into it Born before the First World War and the oldest boy in a family of thirteen kids he left the open rolling potholed prairie of North Dakota in 1921 for the dark dense dangerous woods of northern Wisconsin where he learned to fish trap hunt lumberjack and farm Although he lived into the twenty first century the second volume of these stories A Windfall Homestead will inch us closer to the information super highway it could be said that Henry played hooky from the twentieth With a few allowances for a little new technology like the Model T Henry s life represents the end phase of a rural folk culture that has its roots in the Neolithic Through Henry s stories it s possible to see a long way into the past and then to turn the telescope around in order to put the present under an improvised microscope Henry didn t have an easy life but he had a vivid life a life amazingly free of boredom aimlessness or distraction and his stories convey that vividness from beginning to end Henry s son Charles Darwin Buckberry also known as C D or Seedy Buckberry interviewed Henry and arranged the stories in some sort of more or less working order Seedy insists he put those stories down with complete fidelity although he refuses to take a lie detector test or submit to a Minnesota Multi Phasic Personality Inventory analysis Henry s life as conveyed here is also a way to measure the intellectual bulimia or is it the intellectual anorexia of present day empire consumerism Here is life before Wal Mart Here is life that lives in nature with intense and even fierce physicality Here is life that sings *Catalog of Copyright Entries.
