Friends Like These Danny Wallace,2009-08-13 Danny Wallace has friends He has a wife and goes to brunch and his new house has a couch with throw pillows But as he nears 30 he can't help wondering about his best childhood friends whose names he finds in a long forgotten address book Where are they now and where really is he Acting on an impulse we've all had at least once he travels from London to Berlin Tokyo Australia and California risking rejection and ridicule to show up on his old pals doorsteps Memories of his 1980s childhood from Michael Jackson to Ghostbusters overwhelm him as he meets former buddies who have blossomed into rappers and ninjas time traveling pioneers mediocre restaurant managers and even Fijian royalty Danny's attempt to re-befriend them all gives remarkable new resonance to the age old mantra friends forever

Friends Like These Eden Gruger,2023-08-31 Laugh out loud cringeworthy occasionally painful stories Have you had a frilly in your life Do you find the rules of friendships baffling Or have you had friends from before you were even born Giggle and cringe along with these tales about the good the bad and the downright ridiculous friendships we make and escape throughout our lives

Friends Like These Mark Adam Schnieder,2003 Friends Like These is an informative bright thought provoking play of a president who doesn't always jump to mind It is a period play that is alive with interesting three dimensional characters living in an overlooked time period in our country In President Warren G Harding Schneider has created an intense balanced character sometimes optimistic and funny at other times pensive and mistrusting On top of it all Schneider's play proves that politics are rarely as simple as they might seem Young Playwright's National Review back cover

Friends Like These Jennifer Lynn Alvarez,2023-09-26 When a girl goes missing and a body is found everyone is a suspect Sharp atmospheric and wildly fast paced Jessica Goodman New York Times bestselling author of They'll Never Catch Us Mistake number one Fun loving Jake tells his girlfriend Jessica that they have to go to Tegan's end of summer party in their tiny California beach town Jessica doesn't like parties and she doesn't like Tegan who has an obvious obsessive crush on Jake But she agrees to go to make Jake happy Mistake number two Something awful happens at the party Something so embarrassing that Jessica doesn't know if she can ever get over it and Jake will do whatever it takes to earn her forgiveness And now a girl is missing Everyone is a suspect And Jake seems to have a lot to hide When a body is discovered at the beach friends start turning on friends and lies start piling upon lies What happened could destroy their lives Keep your friends close and your enemies closer Mistake number three

With Friends Like These David Meren,2012-05-15 One of the most enduring images of Quebec's Quiet Revolution is of Charles de Gaulle proclaiming Vive le Québec libre from the balcony of Montreal City Hall in 1967 The French president's provocative act laid bare Canada's unity crisis and has dominated interpretations of the Canada Quebec France triangle ever since With Friends like These demystifies this cri du balcon by shifting the focus from de Gaulle to the broader domestic and international forces at play Meren traces the evolution of Quebec's special relationship with France after the Second World War and reveals that the resulting clash of nationalisms

French Quebecois and Canadian was fuelled not only by personalities and events but also by the efforts to respond to the power and influence of the United States in an increasingly interconnected world. By seeking to understand rather than simply condemn aspects of Quebec Gaullist and Canadian nationalism, Meren casts doubt on established interpretations of events and exposes the complexity of a growing international interest in Canadian affairs. Friends Like These Meg Rosoff, 2023-05-30

From bestselling award winning author Meg Rosoff comes a gritty intoxicating novel about a summer of unforgettable firsts of independence, lies, love and the inevitable loss of innocence. Sharp and irresistible, it's perfect for fans of Judy Blume's *Summer Sisters* and Elena Ferrante's *My Brilliant Friend*. New York City Summer 1983. A summer internship in New York was meant to be everything Beth wanted. But from the moment she arrives in the city, she feels wrong, wrong, hair, terrible clothes, defective smile, too obviously a virgin. Sharing a hot, cockroach-filled apartment with a couple falling out of love completes the dream picture. Then she meets her fellow interns: ambitious out-of-towner Dan, preppy rich boy Oliver, and Edie, a beautiful brittle magnetic instant best friend. Irresistible people are like gravity. You can't help being pulled towards them, can you?

Friends Like These James V. Irving, Joth Proctor is an underemployed criminal defense lawyer with a marginal solo practice in Arlington, Virginia, where a mix of southern charm, shady business dealings, and Washington D.C. intrigue pervade the story. Upon the suspicious death of the wife of a close friend, Proctor enters a web of drug and alcohol abuse, family real estate deceit, and friends of questionable character whose intentions are not to be trusted. An ex-athlete, Proctor is cynical but principled, world-weary and still preoccupied with Heather Burke, the woman who jilted him years ago and remains a crucial player in his professional life. Everyone he knows and meets seems willing to bend the law and compromise their ethical standards in the pursuit of individual self-interest. Proctor places his reputation at risk as he navigates a world of strip clubs, corrupt cops, con men, and crooks, including the sinister Jimmie Flambeau. Increasingly isolated, Joth must live by his wits in the midst of volatile circumstances and unpredictable twists of fate that place his career, his life, and the lives of those he loves in jeopardy.

As an ex-prosecutor and practicing attorney, I find Jim Irving's book series to be authentic, gripping, and right on point, and as a reader, I couldn't put it down. His protagonist, Joth, reminds me, for better or worse, of several lawyers I have known, and I hope and pray that aspiring lawyers will learn from his experience. I highly recommend all three books in the series.

Steve Moriarty, ex-Fairfax County, Virginia prosecutor, *Friends Like These* portrays several excellent character studies set amidst a legal world of scrupulous and sketchy figures, which unfortunately is probably occurring all over America. Irving shines a wild, informative, and highly entertaining light on all kinds of despicable behavior in his entertaining cannon of people behaving badly.

Kathryn Smerling, PhD, MSW, Dean's Council, NYU School of Social Work, Irving's writing is relaxed and authentic and takes readers inside a compelling world of legal and social issues. For anyone taking a vacation, I have a fine book series to recommend.

Bruce Kluger, columnist, USA Today, *Friends Like These* is a welcome book series for anyone wishing to escape their own world and dip their toes into a netherworld of do-gooders.
