Friends And Families:

Friends as Family Karen Lindsey, 1981 *Friends, Families, & Forays* Ford Richardson Bryan, 2002 The 55 chapters of *Friends Families Forays* are bursting with details about the people and the pursuits that colored the life of Henry Ford Here the reader will meet prominent and diverse figures such as Thomas Edison John Borroughs George Washington Carver Helen Keller and Mahatma Gandhi all of whose lives intersected that of Henry Ford at some interesting point in his life Also brought to life in these pages are the branches of Ford s family tree from his Irish ancestors to the descendants who carry his legacy today Although it was the automobile that made him an industrial icon Henry Ford could boast of exploits in many other arenas as well railroads speedboats robots flour mills rubber plantations and humanitarian efforts around the world and in his own backyard Ford s hard work and passionate interests brought him great wealth and this book provides a peek at the luxuries he and his wife Clara enjoyed from a yacht and a private rail car to gracious residences in Michigan Florida and Georgia

Families and Friends in Late Roman Cappadocia Raymond Van Dam, 2003-03-18 Van Dam s exploration makes for fascinating reading and should provoke fruitful debate Choice Early Friends Families of Upper Bucks, with Some Account of Their Descendants Clarence Vernon Roberts, Warren Smedley Ely, 2009-06 *Early Friends Families of Upper Bucks* is a collection of genealogical and historical information pertaining to the first settlers of the upper part of Bucks County Pennsylvania Separate chapters are assigned to each family and approximately 12 000 persons are named and identified The genealogies commence with the first of the Bucks County line usually during the period of the eighteenth century but also earlier and proceed on average through about eight generations The Story of Sexual Identity Phillip L. Hammack, Bertram J. Cohler, 2009-03-06 This book assembles a diverse group of scholars working within a new pathbreaking paradigm of sexual science fusing perspectives from history sociology and psychology The contributors are united in their commitment to the idea of narrative as central to the study of sexual identity offering an analytic approach to social science inquiry on sexual identity that restores the voices of sexual subjects The result is a rich examination of lives in context with an eye toward multiplicity and meaning across the life course Central to the chapters in this volume is the significance of history generation and narrative in the provision of a workable and meaningful configuration of identity
