

Friends Are the Most Special People in Life

*Friends are cherished people
whom we carry in our hearts
wherever we go in life.*

*We may spend a lot of time together,
getting to know each other
and sharing each other's lives,
then have to move on to other places.
But no matter where we go,
we always remember
the wonderful people
who touched our lives...*

Gladness and Singleness of Heart R. Logan Carson, 2006-03-02 With Gladness and Singleness of Heart My Life with My Lord is the spiritual journey of a man named R Logan Carson who was born black and without physical sight in the hills of North Carolina in the early 1930 s Even before he knew Christ as Lord and Saviour God s hand was on him from the earliest point in time Coming from a family who thought he would be a burden to them the author tells how God led him from the hills to a segregated school for the blind and what transpired from that point on The barriers of racial economic and social discrimination were overcome by the leadership of God How he came to his present position as Distinguished Professor of Christian Theology at Southeastern Baptist Theological Seminary Wake Forest NC and how he was blessed with a loving caring wife and two children is the inspiring story of one who hopes that others surrounded by barriers and handicaps will let God lead them to higher heights and greater gains so that they too may praise Him with gladness and singleness of heart Acts 2 46

Glenn Stories Joan Wexo, Dick Wexo, 2010-12 Joan and Dick Wexo are first time book writers They finally wrote Glenn Stories the book after years of telling the stories to family friends acquaintances and even strangers They had first worked on a list of any and all stories they could

remember from Glenn's childhood. When they found themselves reliving particular stories over and over they decided to put them in book form. Dick is retired from a career in television. He worked in New York City, N.Y., Miami, Florida, twice and New Orleans, Louisiana. Joan is justly proud of her long, highly successful and rewarding stint as Glenn's mother. Joan, Dick, and now adult son Glenn currently live in South Florida and are the owners of South Florida Rehearsal Studios and South Florida Real Sound. The Wexos enjoyed the writing of Glenn Stories so much that they have begun work on a children's book, *The House Mouse*. Glenn Stories are just as advertised. They take the reader along a 14-plus years journey of individual stories about Glenn Richard Wexo from a 3-month-old adopted son to a teenager. The stories show the growth of a smart, active, dynamic, creative, and inquisitive person from baby to teen. The stories encompass his activities involving parents and grandparents, extended family, friends, colleagues, teachers, acquaintances, and even passing strangers. They could be the stories of many a young person. They are stories that show a complete growing person, warts and all. Over the fourteen-year period covered, the reader will first meet Glenn in Brooklyn, New York, where he and his parents lived until he was three. It highlights his early upbringing of baby to young child surrounded by family and long-term friends in an environment comfortable for all. Then it's on to South Florida where the entire family must make all kinds of adjustments to its new life. Finally on to New Orleans and yet another life-style adjustment just as Glenn heads into his teenage years. It was a wonderful ride.

Sophia's Table Kathy Zamonski, ET AL., 2013-08. *Sophia's Table* has emerged from the first contemplative writing series I offered. Four women writers joined me for what was to be a six-week series. At the completion of the series, they decided to continue on a monthly basis for six months, then again and once again. The work became more personal as the women's trust deepened into friendship over the course of the year in which they shared their stories. All of us have found writing to be central to leading healthy, balanced lives, to gaining fresh perspective and to finding meaning and purpose. Each of us has a distinct voice pitched and toned by her unique life experience. Yet *Sophia's Table* is more than a collection of voices. The production of the book itself is a true collaboration of time and talent, engaging the gifts of each of us to bring the book to publication.

Caribbean Home Economics in Action, 2002. The new edition of *Home Economics in Action* has been extensively revised and updated to take account of recent curriculum developments throughout the Caribbean region. This three-book course provides a firm foundation in Home Economics to all lower second.

A History of Pantomime Maureen Hughes, 2020-01-31. Each Christmas, entire families in the UK troop off to see what one could almost say is the obligatory annual entertainment known as Pantomime. It is a traditional seasonal way of life for the British, envied the world over and one which only the British seem to understand. Pantomime serves both to entertain and to introduce each new generation to the joys of theatre in the most unique of ways for this is not a type of theatre one merely watches but one in which the audience participate often in the most seemingly boisterous and bizarre of ways. The whole experience is steeped in tradition, traditions which only the British seem to understand, which is probably why we are proud to call it a British Experience. In A

History of Pantomime Maureen Hughes takes a brief look at the history of Pantomime as well as taking a humorous look at some of the above mentioned traditions she also gives a synopsis of each of the well known Pantomimes whilst exploring the eccentric world of the characters who appear in them There is also a short piece on just some of the most well known and loved of the actors who each Christmas take on the part of Pantomime Dames across the UK as well as a look at others who have contributed to this magical world of fun and eccentricity It is thought by some to be frivolous and pointless piece of theatre but a browse through this informative book and you will soon find that Pantomime is an art form all of its own requiring the most dedicated and talented of actors actresses who are prepared to honour and perpetuate this wonderful tradition as it is passed down from one generation to the next As seen in The Telegraph and the Sunday Post Glasgow
