Chivalry and the Ideals of Knighthood in France during the Hundred Years War Craig Taylor,2013-10-10 Craig Taylor s study examines the wide ranging French debates on the martial ideals of chivalry and knighthood during the period of the Hundred Years War 1337 1453 Faced by stunning military disasters and the collapse of public order writers and intellectuals carefully scrutinized the martial qualities expected of knights and soldiers They questioned when knights and men at arms could legitimately resort to violence the true nature of courage the importance of mercy and the role of books and scholarly learning in the very practical world of military men Contributors to these discussions included some of the most

famous French medieval writers led by Jean Froissart Geoffroi de Charny Philippe de M zi res Honorat Bovet Christine de Pizan Alain Chartier and Antoine de La Sale This interdisciplinary study sets their discussions in context challenging modern romantic assumptions about chivalry and investigating the historical reality of debates about knighthood and warfare in late Chaucer s Squire s Tale, Franklin s Tale, and Physician s Tale Kenneth Bleeth, 2018-11-19 The medieval France latest volume in the Chaucer Bibliographies series meticulously assembled by Kenneth Bleeth is the most comprehensive record of scholarship on Chaucer's Squire's Tale Franklin's Tale and Physician's Tale Medievalia Et Humanistica No. 27 Paul Maurice Clogan, 2000 Clogan English U North Texas and fellow of the American Academy in Rome has brought together five articles that consider the guestion of reading and the reader in the Roman de la Rose The Wife s Lament the Pearl the work of Jean Gerson Christine de Pizan and the Iberian writer and scholar Don Ishaq Abravanel The last third of the volume contains reviews c Book News Inc Handbook of Medieval Studies Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to guickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together Orders and Hierarchies in Late Medieval and Renaissance *Europe* Jeffrey Denton, 1999-06-30 Just as class is a key term for understanding modern Europe so hierarchy and order are the key terms for the earlier period These exceptional essays by some of the leading historians in the field are designed to allow students to get a better grasp on this critical subject Life in the late medieval and early modern periods was simply organized in a very different way to that of the industrial or post industrial society we are accustomed to Each essay tackles a different aspect of this European wide experience whether looking at the nobility the gentry the commons or the religious castes the contributors greatly increase our ability to understand the complex and fascinating phenomenon of how society ticks and how it is perceived by its members to tick "De sens rassis", 2005-01-01 These articles are mainly concerned with medieval French literature particularly those areas in which the honorand of the volume Rupert T Pickens has distinguished himself Old French Arthurian romance Marie de France chanson de geste later poetry including Villon and the Occitan troubadour lyric Among the contributors are some of the most significant scholars from the U S A Canada France Switzerland and the U K working in Old French studies today The volume will be of interest to specialists in Old French

Occitan and medieval literature generally Some of the articles deal with relatively unknown works and all are informed by current developments in medieval literary studies Shaping Identity in Medieval French Literature Adrian P. Tudor, Kristin L. Burr, 2019-08-05 This collection of essays argues that literary identity can be created and re created adopted refused imposed and self imposed and that one may exist within a group while remaining foreign to it Contributors examine this theme through a wide range of lenses from marginal characters to gender to guestions of voice and naming in works that span genres and historical periods Medieval Warfare Helen J. Nicholson, 2017-03-14 Warfare in medieval times was never static or predictable although there were ideals and conventions to follow in the field commanders had to use their initiative and adapt to the needs of the moment In this concise wide ranging study Helen Nicholson provides the essential introductory guide to a fascinating subject Medieval Warfare Surveys and summarises current debates and modern research into warfare throughout the whole of the medieval period across Europe Sets medieval warfare theory and practice firmly into context as a continuation and adaptation of practice under the Roman Empire tracing its change and development across more than a millennium Considers military personnel buildings and equipment as well as the practice of warfare by land and Making Chaucer's Book of the Duchess Jamie C. Fumo, 2015-09-24 provides the first comprehensive overview of sea the critical history of Book of the Duchess offers for the first time a thorough analysis of Book of the Duchess s medieval and early modern reception establishes Book of the Duchess's structuring investment in the idea of the book its construction consumption and transmission as it contributes to a poetics of intertextuality The Medieval Author in Medieval French Literature V. Greene, 2006-08-05 Thirty five years ago Roland Barthes proclaimed the death of the Author For medievalists no death has been more timely The essays in this volume create a prism through which to understand medieval authorship as a process and the medieval author as an agency in the making **Speech and Thought Presentation in French** Sophie Marnette, 2005-08-18 This book analyses and describes Speech and Thought Presentation S TP in French from a broad theoretical perspective building bridges between linguistic stylistic and narratological frameworks that have until now been developed separately It combines the French th orie de l nonciation and different Anglo Saxon approaches of reported discourse into a harmonious whole in order to create a new and exciting paradigm for our conception of S TP strategies Basing its findings on actual corpora and going beyond the canonical categories of reported discourse it shows that the study of S TP strategies is essential to our understanding of phenomena as diverse as the evolution and categorization of literary genres the production and staging of orality in literature the various conceptualizations of the notion of Truth in fiction and non fiction the expression of points of view in narrative the structuring of rhetorical strategies and the construction of the Self versus the representation of the Other in discourse A Lancastrian Mirror for Princes Rosemarie McGerr, Rosemarie Potz McGerr, 2011-11-15 The Yale New statutes manuscript and medieval English statute books similarities and differences Royal portraits and royal arms the iconography of the Yale New statutes manuscript The Queen

Chaucer's Queens Louise Tingle, 2021-01-04 This book investigates the agency and influence of medieval queens in late fourteenth century England focusing on the patronage and intercessory activities of the queens Philippa of Hainault and Anne of Bohemia as well as the princess Joan of Kent It examines the ways in which royal women were able to participate in traditional queenly customs such as intercession and whether it was motherhood that gave power to a queen This study focuses particularly on types of patronage and also considers the importance of coronation especially for Joan of Kent who was neither a queen consort nor a dowager yet still fulfilled some queenly duties Crucially the author highlights the transactional nature of the queen s role at court as she accumulated wealth from land rights and traditions which in turn funded patronage activities

Poet Heroines in Medieval French Narrative B. Findley, 2012-11-29 Examining French literature from the medieval period Findley revises our understanding of medieval literary composition as a largely masculine activity suggesting instead that writing is seen in these texts as problematically gendered and often feminizing

A Companion to Chaucer Peter Brown, 2008-04-15 Designed as both a contribution to original research and as a stimulating and accessible text this volume is a helpful reliable responsive and adaptable resource for students of Chaucer at all levels

Language and Culture in Medieval Britain Jocelyn Wogan-Browne, 2013 The essays in this volume form a new cultural history focused round but not confined to the presence and interactions of francophone speakers writers readers texts and documents in England from the 11th to the later 15th century Malory's Contemporary Audience Thomas Crofts, 2006 This book seeks to place Malory's Morte Darthur more firmly in its cultural and historical context Its composition in the mid to late fifteenth century took place at a time of great upheaval for England a period beginning with the loss of Bordeaux and the Hundred Years War and ending with the rise of Richard III During this time the Morte was translated from numerous French sources copied by scribes and finally in July 1485 printed by William Caxton The author argues that in this unique production history are reflected the ideological crises which loomed so massively over England's ruling class in the fifteenth century and that the book is in fact inseparable from these crises BOOK JACKET Writing Southern Italy Before the Renaissance Ronald G. Musto, 2018-12-07 This volume traces the work of trecento historians of the Mezzogiorno analyzing it through current methodological and theoretical frameworks Questioning the current consensus the book examines how the South as a cultural other began evolving over the fourteenth century and reconsiders the nineteenth century Southern Question concerning the Mezzogiorno's history culture and people and its lingering negative image in Europe and America It also focuses on specific histories authors and historiographical issues and reviews how new understandings of the Mediterranean have begun to alter our perceptions of the South in a new global context and as the basis for new historical research

Remembering Boethius Elizabeth Elliott, 2016-03-23 Remembering Boethius explores the rich intersection between the

reception of Boethius and the literary construction of aristocratic identity focusing on a body of late medieval vernacular literature that draws on the Consolation of Philosophy to represent and reimagine contemporary experiences of exile and imprisonment Elizabeth Elliott presents new interpretations of English French and Scottish texts including Machaut s Confort d ami Remede de Fortune and Fonteinne amoureuse Jean Froissart s Prison amoureuse Thomas Usk s Testament of Love and The Kingis Quair reading these texts as sources contributing to the development of the reader s moral character These writers evoke Boethius in order to articulate and shape personal identities for public consumption and Elliott s careful examination demonstrates that these texts often write not one life but two depicting the relationship between poet and aristocratic patron These works associate the reception of wisdom with the cultivation of memory and in turn illuminate the contemporary reception of the Consolation as a text that itself focuses on memory and describes a visionary process of education that takes place within Boethius s own mind In asking how and why writers remember Boethius in the Middle Ages this book sheds new light on how medieval people imagined and reimagined themselves
