*From a Gun to a Flower* Universal Mind (Spirit), Zaher P. Kury, 1985      **Flower in a Gun Barrel** Lolita R. Lizano, 1988  
**The new Popular educator**, 1901      A Flower's Stem Samuel Kigelman, 2005-09 After winning the local lottery and moving to Boston with husband and teenage son a beautiful high school teacher is haunted by mysterious visions As she looks for answers she runs into a strange looking man in a coffee shop who gives her a flower and a business card without a name Not long after she notices a boy in her class with the same flower for a bookmark As tragedy falls upon her the woman is left short on hope She approaches the boy trying to understand the meaning of the flower and what follows turns both their worlds upside down Please accept our apologies for the limited technical inconsistencies in the first chapter It was an oversight and is being fixed The rest of the book is in pristine shape Thank you      *Flower Class Corvettes* John Lambert, Les Brown, 2010-10-30 A guide to creating models of the World War II warship featuring history on the ship as well as crafting tips The ShipCraft series provides in depth information about building and modifying model kits of famous warship types Lavishly illustrated each book takes the modeler through a brief history of the subject class highlighting differences between sister ships and changes in their appearance over their careers This includes paint schemes and camouflage featuring color profiles highly detailed line drawings and scale plans The modelling section reviews the strengths and weaknesses of available kits lists commercial accessory sets for super detailing of the ships and provides hints on modifying and improving the basic kit This is followed by an extensive photographic gallery of selected high quality models in a variety of scales and the book concludes with a section on research references books monographs large scale plans and relevant websites This volume includes all the features of the regular series but the extent has been doubled to include far more detailed drawings of a class of ship that was built in huge numbers and in many variations Mainstay of the Atlantic battle against the U boats Flower class corvettes were used by the British Canadian French and U S Navies An excellent guide to an important ship in the Second World War for modeler and maritime enthusiasts alike The Nautical Magazine      *From a Gun to a Flower* Zaher P. Kury, 1984-03      *Rhetorical Pain* Tiara Good, 2024-10-17 This book provides close textual analysis of traditional and mediated popular memorials that tackle some of the most significant sources of pain in United States In doing so Tiara K Good argues that pain is highly rhetorical and functions to form collectives and instigate change This book also demonstrates how popular media texts such as Nia DaCosta's 2021 Candyman and Hulu's original 2021 series Dopesick hold enormous potential to be effective memorials by virtue of their accessibility and quality of being unbounded by space and place Tiara K Good analyzes how each memorial rhetorically operates to demand witness and craft witnesses into people whom can make change Scholars of rhetoric public memory and communication will find this book of particular interest      **Japan and Her Exhibits at the Panama-Pacific International Exhibition, 1915** Hakurankwai kyokwai, Tokyo, 1915      **Alien Phenomenology, Or, What It's Like to be a Thing** Ian Bogost, 2012 Examines the author's idea of object oriented
