## **From Addict To Disciple:**

**From Addict to Disciple** David Hain, 2005-09 David L Hain provides a solid roadmap for individuals addicted to substance abuse and those who desire to help them using Biblical application and his own ministry experience among the addicts and homeless of North Philadelphia and Kensington PA Through fascinating stories and insightful questions this book gives the parent partner minister and counselor a direction for developing discussions and prayer *From Addict to Disciple* Isaiah Thomas Matthews, 2021-08-31 As a recovering addict I have discovered that I must rely on God's grace to get me down the road to recovery a daily moment by moment walk with Jesus Christ His grace is undeserved favor and cannot be earned God's grace is a free gift to each of His children It's my choice whether or not I receive His gifts of grace which include salvation eternal life deliverance from addictions and the gift of the Holy Spirit Also I have discovered that an attitude of gratitude is necessary for my recovery With the help of the Holy Spirit I am thankful in every circumstance because I am saved from the pits of hell due to my faith in Jesus Christ Jesus did not have to do what He did He died a horrible death on a cross as the final payment of my sins Jesus paid the debt that I never could which leaves me in awe and with a grateful heart for the wonderful things He did for me Jesus deserves to be praised often each day I am sure to thank Him for all that He provides such as food shelter the ability to write and earn a living the people in my life trials sickness addictions and salvation The good and the bad combined help lead me to Jesus saving grace *From Addict to Disciple* Isaiah Thomas Matthews, 2016-07-29 The author was born on May 19 1964 in Dixon IL The author graduated high school in Polo IL in 1982 and is a graduate of Sauk Valley College with an AAS degree in 1990 He currently is a Bible student at Global University with the intent of becoming licensed and or ordained The author has been married since June 1 1991 has one daughter who was born on April 3 2001 and has been a recovering addict since 2006 He has been a born again child of God since 2004 The author has suffered through two car accidents The second one left him with a permanent disability Instead of being angry and bitter he decided to seek the Lord in the midst of his pain and suffering The author has suffered with an addiction to pornography since age 11 He battles addictions to food sports sugar and work Needless to say he found Jesus Christ and discovered that he is a writer for the Kingdom of God which were not his plans for his life The author initially sought to be a weatherman then a professional bowler and then a high school math teacher all of which were not God's plan for his life God's plan for the author includes sharing with others what Jesus Christ has done for him and what the Lord wants to do for all of those suffering through addictions Where the Spirit of the Lord is there is freedom It is Isaiah's prayer that each reader discovers the unbelievable peace joy and freedom that is found in our great and awesome Lord Jesus Christ *Addiction Treatment* Daniel Hood, 2017-09-08 *Addiction Treatment* is an ethnography that compares two types of residential drug free treatment programs religious faith based programs and science based secular programs Although these programs have originated from significantly different ideological bases in examining the day to day operations of each Daniel E Hood

concludes that they are far more alike than they are different Drug free treatment today whether in secular or religious form is little more than a remnant of the temperance movement It is a warning to stop using drugs At its best treatment provides practical advice and support for complete abstinence At its worst it demeans users for a form of behavior that is not well understood and threatens death if they do not stop Hood argues that there is no universal agreement on what addiction is and that drug abuse is little more than a catch all term of no specific meaning used to condemn behavior that is socially unacceptable Through extensive participatory observations intimate life history interviews and informal conversations with residents and staff Hood shows how both programs use the same basic techniques of ideological persuasion mutual witnessing methods of social control discourse deprivation and the same proposed zero tolerance abstinent lifestyle Christian living vs Right living as they endeavor to transform clients from addicts to citizens or from sinners to disciples

**Contemporary Discipleship** John P. Fernandes,2022-02-24 Fernandes writes his philosophy of modern day discipleship in his book *Contemporary Discipleship* Fernandes breaks down the different aspects of effective discipleship while also defining what biblical discipleship is Discipleship is a chain and each discipleship

relationship is another link on the continuous chain The chain starts with Christ meaning that each teacher should point their disciple to Christ and aim to make them look more like Christ not like them We can do that through doing life together and doing ministry together Through those things the teacher is taking the opportunity to invest in the disciple 30 27 28

*How to Disciple Men (Short and Sweet)* The National Coalition of Ministries to Men, 2017-09-01 **The Bible and the Addiction Experience** Christopher Gaskin, 2024-06-04 Addicts are often referred to as fiends and although we use the word fiend ever so casually the average person is clueless as to what the word actually means The dictionary defines the word fiend as a devil a demon or evil spirit which raises the question as to how exactly are devils demons and evil spirits synonymous with the addict Believe it or not these definitions arose from the idea that the addict is actually an incarnate demon helplessly possessed by his own evil spirit called the fiend who tempts him from within to postpone his resolve for recovery and proceed to feed his insatiable appetite for drugs against his better judgment Hence the reason why the relapse

rate for addiction is so high is because as demonically possessed souls addicts are in need of an exorcism rather than the ineffective methods of conventional treatment that fails to address the real issue In a serendipitous turn of events the addict can now reference The Addiction Experience where he is instructed by the master exorcist from whom he receives the authority to cast out his inner demon and get clean once and for all Forming Intentional Disciples Sherry A.
