cultures The technical term for their efforts is contextualization Missionary theorists have pondered and written on it at length More and more those who do theology in the West are also trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture But few have considered in depth how the early church contextualized the gospel And yet the New Testament provides numerous examples As both a crosscultural missionary and a New Testament scholar Dean Flemming is well equipped to examine how the early church contextualized the gospel and to draw out lessons for today By carefully sifting the New Testament evidence Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target and he brings these to bear on our contemporary missiological task Rich in insights and conversant with frontline thinking this is a book that will revitalize the conversation and refresh our speaking and living the gospel in today s cultures whether in traditional modern or emergent contexts *Bulletin of the Atomic Scientists* ,1980-10 **The Truth Seeker** ,1915 **American Angels** Peter Gardella,2007 Explores the rich history of angels in America from Spanish colonialism and Puritan culture to modern incarnations found on TV in movies in comic books and on bumper stickers Finds that Americans have constructed the useful angel as a servant of man rather than an agent of God *Friends' Intelligencer* ,1916 Computer Gaming World ,2000 *The Times Index* ,2010 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement *Arts & Humanities Citation Index* ,1997 **Bowker's Complete Video Directory** ,1990 **Choice** ,1986 **American Book Publishing Record** ,1992 Recording for the Blind & Dyslexic, ...
