Chadwick, 1957 *From Bossuet to Newman* Owen Chadwick, 1957-01 *Newman's Early Roman Catholic Legacy 1845-1854* C. Michael Shea, 2017 This volume considers the impact of Newman's Essay on Development 1845 on Roman Catholicism of the time immediately after his conversion **Newman's Unquiet Grave** John Cornwell, 2011-09-15 John Henry Newman was the most eminent English speaking Christian thinker and writer of the past two hundred years James Joyce hailed him the greatest prose stylist of the Victorian age A problematic campaign to canonise Newman started fifty years ago After many delays John Paul II declared him a Venerable Then Pope Benedict XVI a keen student of Newman's works pressed for his beatification Finally in 2019 and after authentication of the second of two miracles attributed to Newman he was canonised made a saint at a ceremony in Rome given by Pope Francis and attended by HRH Prince Charles In Newman's Unquiet Grave John Cornwell author of *A Thief in the Night* and *Hitler's Pope* tells the story of the chequered attempts to establish Newman's sanctity against the background of major developments within Catholicism His life was marked by personal feuds self absorption accusations of professional and artistic narcissism hypochondria and same sex friendships that at times bordered on the apparent homo erotic John Cornwell investigates the process of Newman's elevation to sainthood to present a highly original and controversial new portrait of the great man's life and genius for a new generation of religious and non religious readers alike *The Consensus of the Church and Papal Infallibility* Richard F Costigan, 2005-09 Without addressing present day Catholic controversy this study offers the necessary historical background for any ongoing discussion of the nature and exercise of papal authority BOOK JACKET *Revolution, Religion, and National Identity* Peter M. Doll, 2000-07 Starting from a discussion of the constitutional and theological basis of the establishment of the Church of England Peter Doll relates how in response to the events of this period a colonial Anglican church establishment changed from a merely theoretical ideal to a cornerstone of post Revolutionary colonial policy in British North America BOOK JACKET **'Ethos' and the Oxford Movement** James Pereiro, 2008 A revisionist assessment of the Oxford Movement James Pereiro's rediscovery of a so far neglected concept fundamental to Tractarian thinking provides a deeper

understanding of Tractarian intellectual developments and the historical events surrounding the Movement *In Defense of Doctrine* Rhyne R. Putman, 2015-06-01 *In Defense of Doctrine* is an apologetic for the ongoing constructive theological task in Protestant and Evangelical traditions. It suggests that doctrinal development can be explained as a hermeneutical phenomenon and that insights from hermeneutical philosophy and the philosophy of language can aid theologians in constructing explanatory theses for particular theological problems associated with the facts of doctrinal development. Joining the recent call to theological interpretation of Scripture, Putman provides a constructive model that forwards a descriptive and normative pattern for reading Scripture and theological tradition together.

**God and History** Peter Bingham Hinchliff, 1992 Newman's revised *Essay on the Development of Doctrine* provides the starting point for this new and comprehensive survey in which Peter Hinchliff discusses the ideas of a wide range of theologians from the full spectrum of Christianity from Roman Catholics through to theologians from the Churches of England and Scotland and the Free Church and their attempts to tackle these questions in the period leading up to the Great War.

**Religious Liberty and the Hermeneutic of Continuity: Conservation and Development of Doctrine at Vatican II** R. Michael Dunnigan, 2023-10-24 The Second Vatican Council's declaration *Dignitatis Humanae* marks a significant advance over prior magisterial teaching about the right to religious liberty yet the nature of this advance has long been subject to controversy. Is it a true development conserving and extending what came before? Or does it instead chart a new course entirely rejecting and replacing the older teaching? In *Religious Liberty and the Hermeneutic of Continuity*, R. Michael Dunnigan takes up these pressing questions and offers a careful examination of how the claims of *Dignitatis Humanae* relate to the magisterial precedents set by the papacy in the nineteenth century. With precision and nuance, Dunnigan analyzes the object, scope, and foundation of the right to religious liberty itself and his analysis culminates in the proposal that the right endorsed by Vatican II is not identical with the rights condemned by previous popes. Beyond establishing the claims of *Dignitatis Humanae* as a true development of prior teaching, Dunnigan shows that its contribution to the question of religious liberty has not yet received full appreciation. Indeed, Dunnigan demonstrates how the Vatican II declaration reaffirms, reinforces, and even revivifies prior magisterial teaching on religious liberty through its emphasis on human integrity, which emerges as a foundational but often overlooked principle of continuity.

[The Oxford Handbook of Calvin and Calvinism](#) Bruce Gordon, Carl R. Trueman, 2021 John Calvin was a leader of the European Reformation of the sixteenth century and the influence of his thought remains crucial in our world. This collection explores the origins of Calvin's thought and the theological, historical, and cultural circumstances in which they have evolved from Geneva to our times.

**Newman's Approach to Knowledge** Laurence Richardson, 2007 Although the Venerable John Henry Newman rightly enjoys universal acclamation as an outstanding theologian and literary genius of the nineteenth century, his philosophical thought has been somewhat overlooked. This, in part, has been due to the dearth of serious published research in this area. Dr. Richardson has

produced just such a book and shows beyond doubt the importance of Newman's contribution to contemporary philosophy. This work will certainly promote greater interest in Newman's philosophy and to furthering his cause for recognition as one of the more significant philosophers of the nineteenth century. **BOOK JACKET** Historical Theology Jaroslav

Pelikan, 2014-02-01 Change is a universal phenomenon that commands the attention of the historian. For Christian theology, change raises special difficulties. How are we to reconcile the notion of the revelation of an unchanging God who is abiding truth with the notion of the pervading mutability of all human affairs? This problem, which is as old as religion, is intensified by the Christian belief in the fullness and finality of the revelation made through Jesus Christ. Professor Pelikan begins his study of historical theology with this basic problem and traces the origins of the difficulties that inevitably follow upon the admission of the possibility of change. His investigations lead him to critically examine the dogmatic solution of Vincent of Lerins, the later dialectical interpretation of Abelard, the approach of Thomas Aquinas, and finally the nineteenth century's Adolf von Harnack to propose a working definition of Christian doctrine and of the task of the historical theologian. Pelikan's work is a perceptive and penetrating study of the interaction of history and theology. Theology must be historical because man is historical. To neglect history or worse still to renounce it is to deny man and theology their common future. Historical Theology is a worthy introduction to a task that must continually seek to weld past, present, and future into a living whole.

**Literature and Theology as a Grammar of Assent** David Jasper, 2017-05-15 Examining the roots of the relationship between literature and theology, this book offers the first serious attempt to probe the deep theological purposes of the study of literature. Through an exploration of themes of evil, forgiveness, sacrament, and what it means to be human, David Jasper draws from international research and discussions on literature and theology and employs an historical and profoundly personal journey through the later part of the last century up to the present time. Combining fields such as bible and literature, poetry and sacrament, this book sheds new light on how Christian theology seeks to remain articulate in our global, secular, and multi-faith culture. *The Vindication of Tradition* Jaroslav Pelikan, 1984-01-01 This book clearly constitutes a unified plea that modern society find ways and means to recapture the resources of the past and to overcome its fear of the tyranny of the dead.

**Selected Essays, Volume II** Andrew Louth, 2023 These two volumes contain selected essays written over forty years by Andrew Louth, a major scholar in the fields of Theology and Patristics, early Christian thought. Many of the essays in volume II concern the nature of theology, drawing from a famous group of twentieth-century Russian thinkers exiled after the 1917 Communist revolution. **Routledge Library Editions: 19th Century Religion** Various Authors, 2021-07-09

Reissuing works originally published between 1973 and 1997, Routledge Library Editions: 19th Century Religion, 18 volumes, offers a selection of scholarship covering historical developments in religious thinking. Topics include the origin of Catholicism in America, sexual liberation and religion in Europe, and the emergence of Atheism in Victorian England. This set also includes collections of sermons and essays from some of the most influential preachers of the nineteenth century.

**Lonergan and the Level of Our Time** Frederick E. Crowe, 2010-01-01 This third and final collection of articles by the noted Lonergan expert Frederick E Crowe comprises twenty eight papers written between 1961 and 2004 five of which have never before been published      A Literary History of England Vol. 4 A Baugh, 2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another and placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789 1939
