This book is packed with short biblically based, gospel-centered topical chapters addressing the issues grieving people face but are often hesitant to mention to others. It helps readers accurately interpret the message their emotions are sending them and gently guides them to determine whether they're grieving in a way that leads to hope and ultimate healing. Developed from interviews with over 30 well-respected Christian counselors, teachers, and authors, as well as numerous personal testimonies, *Grieving with Hope* helps the bereaved discover how hope and peace are available amidst their heartache and pain. I believe we grieve as deeply as we love, and the love for my parents still runs deep. My heart realizes it too, and slowing down to listen to it was truly the best way to follow my heart. Jemelene Wilson. How do you thrive after breast cancer death in the family and community trauma? Where do you find the last glimmers of hope to hold on through the darkest nights of your soul? Walking through grief and loss is not for the faint of heart, but how do you keep going when you feel too weak to press on? *When Hope Meets Joy* is filled with powerful stories written from triumph over deep grief.
