Example: Funny

We are gathered here today to remember the life of Margaret Thornberry, a woman who lived life to the fullest and left us with countless memories and a few questionable recipes.

Margaret, or as she preferred to be called, The Queen of Casseroles, was a force to be reckoned with in the kitchen. Her famous tuna surprise dish was indeed a surprise to us all, as we never quite knew what we'd find in it. But we ate it anyway, because that's what family does.

She had a particular fondness for cats, and at one point had 17 of them. She named each one after a different spice in her spice rack. I'll never forget the day she called out, Cumin, Paprika, and Turmeric, come get your dinner!

Margaret was also known for her unique fashion sense. She believed that leopard print was a neutral and could be worn with absolutely anything. And boy, did she prove that theory time and time again.

But beyond her culinary adventures and fashion statements, Margaret was a loving mother, grandmother, and friend. She taught us the importance of laughter, the value of a good bargain, and the art of turning any conversation into a story about her youth.

As we say goodbye to Margaret, let's remember her zest for life, her endless love for her family, and her ability to always find the bright side of any situation. May she rest in peace, surrounded by an endless supply of yarn for her knitting and an army of celestial cats.

Margaret Thornberry, you will be missed, but never forgotten. And we promise to keep your legacy alive by continuing to serve your infamous tuna surprise at family gatherings. Heaven help us all.
