Snake Hill Volume I: The Nineteenth Century Linda L. Stampoulos, 2015-06-15 Did you know Snake Hill is located in Secaucus New Jersey less than 15 minutes from Times Square through the Lincoln Tunnel As early as 1874 Hudson County had horse drawn ambulances made specifically to transport smallpox patients to Snake Hill A 1909 map of the Hudson County facility shows two burial grounds on the east side near County Road the road to Jersey City At the very top of the Hill a 430 000 gallon reservoir provided water for state of the art sewage management as well as steam heat for the complex By the beginning of the 20th century there were over 50 buildings at the facility including a penitentiary two almshouses a lunatic asylum several infectious disease hospitals three churches and a school The buildings have disappeared many of the burial grounds are

unmarked and forgotten and even the land has largely been obliterated by quarrying yet Snake Hill has a story to tell Volume One of this series offers a look at the facility's beginning in the 19th century It was a time when the New York metropolitan area had many dependent souls whose situation in life in some way brought them to the Hill and like the buildings that once housed them they too have disappeared Dandyism and Transcultural Modernity Hsiao-yen Peng, 2015-01-28 This book views the Neo Sensation mode of writing as a traveling genre or style that originated in France moved on to Japan and then to China The author contends that modernity is possible only on the transcultural site transcultural in the sense of breaking the divide between past and present elite and popular national and regional male and female literary and non literary inside and outside To illustrate the concept of transcultural modernity three icons are highlighted on the transcultural site the dandy the flaneur and the translator Mere flaneurs and flaneuses simply float with the tide of heterogeneous information on the transcultural site whereas the dandy flaneur and the cultural translator propellers of modernity manage to bring about transformative creation Their performance marks the essence of transcultural modernity the self consciousness of working on the threshold always testing the limits of boundaries and tempted to go beyond them To develop the concept of dandyism the quintessence of transcultural modernity the Neo Sensation gender triad formed by the dandy the modern girl and the modern boy is laid out Writers discussed include Liu Na ou a Shanghai dandy par excellence from Taiwan Paul Morand who looked upon Coco Chanel the female dandy as his perfect other self and Yokomitsu Riichi who developed the theory of Neo Sensation from Kant's the thing in itself Outlines of Universal History; In three volumes, Modern History, from 1453 until the present George Park Fisher, 2025-09-01 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Hans Michael Wallick's Descendants in America: European Origins from 1623 - VOLUME III PHOTO ALBUM* Scott Alan Wallick, 2019-08-28 VOLUME III PHOTO ALBUM This book is a companion volume to the revised edition of the Wallick family history book titled Hans Michael Wallick's Descendants in America European Origins from 1623 Starting in 2008 we had a Wallick family website where we gathered and shared old heirloom photos from all of the branches of our Hans Michael Wallick family tree But Ancestry com stopped hosting these Myfamily com websites in 2014 This book contains all of the photos that had been contributed for sharing on that website It also includes new photos that have been contributed since the first edition This book is the best way to organize and preserve all of these heirloom photos of the Wallick family for future generations **An Introduction to Antonio Gramsci** George Hoare, Nathan Sperber, 2025-01-23 This book examines the life major ideas and lasting influence of the Italian militant and political thinker Antonio Gramsci Author of the famous Prison Notebooks over 2 000 pages of profound and influential reflections on history culture politics philosophy and revolution and head of Italy's Communist Party in the 1920s Antonio Gramsci is one of the most important European political thinkers of the 20th century An Introduction to Antonio Gramsci provides an accessible
