## From My Lips:

**Read My Lips** Vanessa S. Williamson, 2019-03-05 A surprising and revealing look at what Americans really believe about taxes Conventional wisdom holds that Americans hate taxes But the conventional wisdom is wrong Bringing together national survey data with in depth interviews Read My Lips presents a surprising picture of tax attitudes in the United States Vanessa Williamson demonstrates that Americans view taxpaying as a civic responsibility and a moral obligation But they worry that others are shirking their duties in part because the experience of taxpaying misleads Americans about who pays taxes and how much Perceived loopholes convince many income tax filers that a flat tax might actually raise taxes on the rich and the relative invisibility of the sales and payroll taxes encourages many to underestimate the sizable tax contributions made by poor and working people Americans see being a taxpayer as a role worthy of pride and respect a sign that one is a contributing member of the community and the nation For this reason the belief that many Americans are not paying their share is deeply corrosive to the social fabric The widespread misperception that immigrants the poor and working class families pay little or no taxes substantially reduces public support for progressive spending programs and undercuts the political standing of low income people At the same time the belief that the wealthy pay less than their share diminishes confidence that the political process represents most people Upending the idea of Americans as knee jerk opponents of taxes Read My Lips examines American taxpaying as an act of political faith Ironically the depth of the American civic commitment to taxpaying makes the failures of the tax system perceived and real especially potent frustrations Islathon Chelsea Raine, 2015-02-17 Islathon is the second book of the Twisted Dream Dead Moon series the continuation of a story about Isla Michelle Van Burren a twenty one year old creative hairstylist finally living for the first time with an unusual thirst for life Isla s wrapped in debauchery that tears at her flesh and heart as she falls apart and watches her own life slip away There s nothing that she can say or do to stop the torture she must endure Isla pushes the dark clouds away and is enlightened by the silver lining of a new world and a mission on which she must embark She s finally living all because of her undying love for Johnathon Daine a beautiful goodhearted man who happens to be a vampire with a conscience Isla wants to give him her life her heart her soul and her blood But he won t succumb to his thirst He would spare Isla the pain of becoming what he is Isla would do anything to become a vampire and be with him forever The Works of Shakespear, from Mr. Pope's Edition William Shakespeare, 1768 *First Folio Edition: The tragedie of Romeo and Juliet* William Shakespeare, 1907

the troubled Gary Leblanc away from his dangerous blood cravings I've unwittingly weakened the very vampire families he's connected to Now the vampire council has set their sights on me and I must navigate this sensual toxic maze of supernatural intrigue if I have any hope of survival Cedric is a temptation I can't seem to resist no matter how I try His touch ignites a fire within me that threatens to consume us both Caught between warring vampire factions and my own growing feelings I must uncover the truth before it's too late The council closes in my very life hanging in the balance as I struggle to resist the toxic pull of Cedric's affections In this dark world trust is a luxury I can't afford for it may be the thing that destroys me Cedric This human girl April has captivated me in a way no other ever has Her delicate beauty and enchanting innocence call to something primal deep within me awakening desires I can barely control Though her presence in our volatile world of ancient vampire rivalries threatens to upend the foundations we stand upon I find myself irresistibly drawn to her allure It is my sworn duty to shield this fragile woman from the darkness that surrounds us For April has become entangled in our perilous affairs and my fierce need to possess her to claim her as my own is matched only by my determination to keep her safe no matter the cost The council may watch our every move but I will be the unyielding guardian between her and those who would seek to destroy her In this dark realm April is the only light worth preserving
