Excerpt from Hebrew Melodies It gave them virtues not their own No ear so dull no soul so cold That felt not fired not to the tone Till David's Lyre grew mightier than his throne It told the triumphs of our King It wafted glory to our God it made our gladdened vallies ring The cedars bow the mountains nod Its sound aspired to Heaven and there Since then though heard on earth no more Devotion and her daughter Love Still bid the bursting spirit soar To sounds that seem as from above About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
