

# DREAM THEORY

A surreal, dreamlike landscape featuring floating islands, a glowing portal, and a celestial sky. The scene is set in a vast, dark blue space filled with stars and nebulae. In the center, a large, lush green island floats above a body of water, with a bright, glowing blue portal or archway on its surface. The portal is framed by a glowing blue square. The island is surrounded by other smaller, floating islands, some of which are covered in greenery and others in rocky terrain. The sky is filled with various celestial bodies, including a large, bright crescent moon, several smaller moons, and a large, glowing sun or star in the distance. The overall atmosphere is ethereal and otherworldly, with a color palette dominated by blues, greens, and purples.
