Friendly Relationships And Related Philosophies:

Friendly Relationships and Related Philosophy Lloyd Bruce Miller, 2008-07 This book presents a rational philosophical basis for a friendly activist movement aimed at making substantial significant improvements in the world in people s lives through friendliness ordinary friendliness in a sense but not the norm in the current world in general In other words we know what friendliness means and we are friendly in some particulars with some individuals But we need to apply it in a new way pertaining to the world at large the whole world society of which we are a part This calls for a friendly activist movement a deliberate conscious effort to accomplish this end The philosophy of getbyism is only indirectly related to this The author it happens does espouse this philosophy although it is not essential to the main philosophy of friendliness But the two realistically can go hand in hand The best way just to get by might involve aggression or self assertion Relationships and Related Philosophies Lloyd Miller, 2005-05 Includes 1 Friendly Relationships 2 Getbyism The Failure s Philosophy 3 Realism A Philosophy of Mathematics The Routledge Handbook of Philosophy of Friendship Diane Jeske, 2022-09-27 The Routledge Handbook of the Philosophy of Friendship is a superb compilation of chapters that explore the history major topics and controversies in philosophical work on friendship It gives both the advanced scholar and the novice in the field an overview and also an in depth exploration of the connections between friendship and the history of philosophy morality practical rationality value theory and interpersonal relationships more generally. The Handbook consists of 31 newly commissioned chapters by an international slate of contributors and is divided into six sections I Historical Perspectives II Who Can Be Our Friends III Friendship and Other Relationships IV The Value and Rationality of Friendship V Friendship Morality and Virtue VI New Issues in Philosophy of Friendship This volume is essential reading not only for anyone interested in the philosophical questions involving friendship but also for anyone interested in related topics such as love sex moral duties the good life the nature of rationality interpersonal and interspecies relationships and the nature of the person **Philosophy and Friendship** Sandra Lynch, 2019-08-05 A philosophical exploration of the meaning and significance of friendship This book explains the persistence of friendship today in the light of the history of philosophical approaches to the subject It considers ideals of intimacy and fusion in the context of claims that such ideals are unrealistic and even dangerous Cicero's scepticism about friendship in the public realm is compared with the Aristotelian view of friendship as a genuine political bond and with Derrida's development of that view via an exploration of Aristotle's alleged and provocative announcement O my friends there is no friend Tensions between love and respect identity and difference a focus on the self and a focus on the other are closely examined From Aristotle to contemporary theorists the book explores the conditions that enable the development of self understanding in friendship the delicate and unstable pairing of concepts like inclination and duty and distinctions between self love self esteem and self concern in relations between friends Key Features Recognition of the variety of the term friend in the history of philosophy The treatment of the tension between

identity and difference in relations between friends Discussion of the contribution of friendship to self understanding Cicero's Philosophy Stefano Maso, 2022-01-19 Cicero was not only a great Roman politician lawyer and orator he also dealt extensively with philosophy which he believed constituted the surest foundation for his commitment to civic affairs Not limiting himself to the translation of previous philosophical thought he critically addressed central theoretical questions and thereby made a lasting impact on Roman intellectual life This book offers a modern guide to interpretations of Cicero s philosophical studies one that ranges across his numerous philosophical works Addressed to students and scholars of ancient philosophy and to interested readers in the humanities more generally the volume aims to break down the boundaries between the philosophical literary and linguistic dimensions of Cicero's highly influential oeuvre Stefano Maso is a full professor in Ancient Philosophy at the University of Ca Foscari Venice Among his books are Grasp and Dissent Cicero and Epicurean Philosophy Brepols 2015 Epicurus on Eidola Peri Phuseos Book II Update Proposals and Discussions ed with F Masi Hakkert 2015 He is co editor of Lexis Poetica retorica e comunicazione nella tradizione classica African Philosophy and Deep Ecology Kenneth Uyi Abudu, Kevin Gary Behrens, Elvis Imafidon, 2025-07-11 This book investigates African philosophical contributions to the concept of deep ecology which advocates for rethinking human and non human relationships within our ecosystems by promoting the inherent and earned worth of all beings With ecological crises impacting lives around the world this book interrogates deep ecology thinking from African philosophical perspectives highlighting the continent s important ontological epistemological ethical aesthetic and broad philosophical contributions The book investigates issues such as the eco phenomenology of human non human animals relations Ubuntu and the environment the superiorist fallacy environmental belongingness the impact of colonization and modernity on non human trauma the politics of ecological narrative about African places the question of moral status African socialist perspectives the question of degrowth selective subordination biodiversity loss land ethics the ontology of waste and the concept of personhood in relation to global climate and ecological justice Providing a significant intervention in our understanding of the ecological crises and our duties toward ecosystems and the non human other in the twenty first century this book is an important read for researchers advocates and other stakeholders working in the fields of environmental philosophy climate change indigenous studies and African Studies Religions of the World with Philosophy of Religion Kaushlesh, 2025-08-30 This book is first of its kind in the world which talks about all religions of the world In this book the religions discussed are Hinduism Jainism Buddhism Sikhism Taoism Confucianism Shintoism Judaism Christianity Islam Zoroastrianism and Yazidism Apart from this the book discusses topics like Definitions of religion Origin of human beings Origin of religions Concepts of God Arguments for the Existence of God Problem of Evil Revelation Faith Reason Soul Possibility of a Universal Religion and Mysticism The Doctrine of original sin has been discussed at length This book is helpful not only to general readers but also to civil services aspirants To end religious conflicts the book recommends Multiple Religious Belief System Readings in
