Friends In Low Places:

Friends in Low Places James Willis, 2001 This book written from the perspective of general practice examines this assumption and shows that it is based on a series of illusions and misunderstandings **Friends in Low Places** Habib Ibrahim MD, 2011-07-08 The Muslim world is clamoring for democracy in Tunisia Egypt Libya and elsewhere The Christian world is clamoring for moderate Muslims to denounce the actions of the fundamentalists Through the message communicated in Friends in Low Places Dr Ibrahim seeks to bridge the gap between people with competing beliefs The journey started in the Bronx where Dr Ibrahim opened an HIV clinic and where mere survival causes the rubber of ones belief to meet the road of a harsh life The greatest human accomplishment is that of a reconciled relationship through the gift of love But God s unconditional love creates the most sublime relationship because it lasts forever and is never wanting nor can it be lost Dr Habib Ibrahims clinic is a dangerous place but it is also a loving place where the grace of God shines After having had a dream in which Jesus motioned with his hands saying Bring them to me and I will heal them Dr Ibrahim had a new passion to bring Gods love and healing to the Bronx Dr Ibrahim and his wife became partners in a clinic where Jesus Christ serves as The Master Physician Narrating the spiritual journey during the last fifteen years of Ibrahims life Friends in Low Places provides a humorous and sometimes poignant look at how Ibrahim seeks to fashion a human spirit that reflects the Holy Spirit of God Only God loves us perfectly and as we thirst for Him He thirsts for us as told by an old Sufi Muslim saying Oh you who are thirsty for the tea do not realize that the tea is also thirsty for you From age thirty five to fifty this memoir offers an eclectic representation of what Ibrahim has learned It includes quips from his Bronx patients which are often colored with deep meaning and testimonies of life told through poems essays his Bronx patients lives and the lives of Christian Muslim and Jewish friends This book contains the account of three Muslims one gangster one crack addict and one Orthodox Jew all whom found the love of Jesus There is even a story of a soldier from Afghanistan who drove a tank during the Russian occupation this man was overwhelmed by the words spoken by Jesus encouraging us to love our enemies We Americans are the next superpower in Afghanistan but I wonder what weapon Jesus would use to win the hearts of the citizens there Would he use a tomahawk missile a drone plane or would He use his old standard weapon the wooden cross Dr Ibrahim says I was once a Muslim from Pakistan but after 9 11 I am also a Christian from Manhattan Island I pray that God will invert the original purpose of this satanic terrorist attack and as such God will bring more people to become seekers of His love When times are good we Americans think that our success is because of our own wisdom and might Persecution from fundamentalist Muslims reminds us that we are still vulnerable and need to turn to God for protection and answers Furthermore we need to pray for those who persecute us just as Jesus prayed for his tormentors when He was on the cross Despite 9 11 if we are motivated to pray and practice fasting Americans can regain their spiritual center of gravity and many more Muslims can encounter the precious love of Jesus Christ Chapter 8 East meets West Salvaged Roy
