Frogments From The Frog Pool Haiku After Basho

**Gary Barwin, Proper Tales Press
(Toronto, Ont.)**

Fragments From The Frag Pool Haiku After Basho:

Fragments from the Frag Pool Gary Barwin, Derek Alexander Beaulieu, 2005 Gary Barwin and Derek Beaulieu's seamless collaboration has resulted in *Fragments from the Frag Pool Haiku After Basho*. This collection of poetry mixes joy with rigour, playfulness with contemplation and the absurd with pure poetic passion. Barwin and Beaulieu have created poetry that is wise, witty and wry. Filled with translations, responses, remixes and new takes on Matsuo Basho's famous frog haiku, *Fragments from the Frag Pool* exuberantly ripples genre expectation and meaning. Prepare to be splashed by this pool. *Yiddish for Pirates* Gary Barwin, 2016-04-05 Shortlisted for the Scotiabank Giller Prize and nominated for the Governor General's Award for Literature, a hilarious swashbuckling yet powerful tale of pirates, buried treasure and a search for the Fountain of Youth told in the ribald philosophical voice of a 500-year-old Jewish parrot. Set in the years around 1492, *Yiddish for Pirates* recounts the compelling story of Moishe, a Bar Mitzvah boy who leaves home to join a ship's crew where he meets Aaron, the polyglot parrot who becomes his near-constant companion. From a present-day Florida nursing home, this wisecracking yet poetic bird guides us through a world of pirate ships, Yiddish jokes and treasure maps. But Inquisition Spain is a dangerous time to be Jewish, and Moishe joins a band of hidden Jews trying to preserve some forbidden books. He falls in love with a young woman, Sarah, though they are separated by circumstance. Moishe's wanderings are motivated as much by their connection as by his quest for loot and freedom. When all Jews are expelled from Spain, Moishe travels to the Caribbean with the ambitious Christopher Columbus, a self-made man who loves his creator. Moishe eventually becomes a pirate and seeks revenge on the Spanish while seeking the ultimate booty, the Fountain of Youth. This outstanding New Face of Fiction is filled with Jewish takes on classic pirate tales, fights, prison escapes and exploits on the high seas, but it's also a tender love story between Moishe and Sarah and between Aaron and his shoulder. Moishe, rich with puns, colourful language, post-colonial satire and Kabbalistic hijinks, *Yiddish for Pirates* is also a compelling examination of mortality, memory, identity and persecution from one of this country's most talented writers. **Verse and Worse** Steve McCaffery, 2010-01-26 *Verse and Worse: Selected and New Poems of Steve McCaffery* 1989-2009 presents texts from the last two decades of work by Steve McCaffery, one of the most influential and innovative of contemporary poets. The volume focuses on selections from McCaffery's major texts, including *The Black Debt*, *Theory of Sediment*, *The Cheat of Words* and *Slightly Left of Thinking*, but also features a substantial number of previously ungathered poems. As playful as they are cerebral, McCaffery's poems stage an incessant departure from conventional lyrical and narrative methods of making meaning. For those encountering McCaffery's work for the first time, as well as for those who have followed the twists and turns of his astonishingly heterogeneous poetic trajectory over the past four decades, this volume is essential reading. **Public Poetics** Bart Vautour, Erin Wunker, Travis V. Mason, Christl Verduyn, 2015-06-08 *Public Poetics* is a collection of essays and poems that address some of the most pressing issues of the discipline in the twenty-first century. The collection brings together fifteen original essays addressing public poetry and

poetics from the situated space of Canada while simultaneously troubling the notion of the nation as a stable term It asks hard questions about who and what count as publics in Canada Critical essays stand alongside poetry as visual and editorial reminders of the cross pollination required in thinking through both poetry and poetics Public Poetics is divided into three thematic sections The first contains essays surveying poetics in the present moment through the lens of the public private divide systematic racism in Canada the counterpublic feminist poetics and Canadian innovations on postmodern poetics The second section contains author specific studies of public poets The final section contains essays that use innovative renderings of poetics as a means of articulating alternative communities and practices Each section is paired with a collection of original poetry by ten contemporary Canadian poets This collection attends to the changing landscape of critical discourse around poetry and poetics in Canada and will be of use to teachers and students of poetry and poetics **A**
