## **From A Swedish Notebook Poems:**

**Songs of Sorrow** Samuel Charters, 2015-04-29 In the spring of 1862 Lucy McKim the nineteen year old daughter of a Philadelphia abolitionist Quaker family traveled with her father to the Sea Islands of South Carolina to aid him in his efforts to organize humanitarian aid for thousands of newly freed slaves During her stay she heard the singing of the slaves in their churches as they rowed their boats from island to island and as they worked and played Already a skilled musician she determined to preserve as much of the music as she could quickly writing down words and melodies some of them only fleeting improvisations Upon her return to Philadelphia she began composing musical settings for the songs and in the fall of 1862 published the first serious musical arrangements of slave songs She also wrote about the musical characteristics of slave songs and published in a leading musical journal of the time the first article to discuss what she had witnessed In *Songs of Sorrow* Lucy McKim Garrison and *Slave Songs of the United States* renowned music scholar Samuel Charters tells McKim's personal story Letters reveal the story of young women's lives during the harsh years of the war At the same time that her arrangements of the songs were being published a man with whom she had an unofficial attachment was killed in battle and the war forced her to temporarily abandon her work In 1865 she married Wendell Phillips Garrison son of abolitionist William Lloyd Garrison and in the early months of their marriage she proposed that they turn to the collection of slave songs that had long been her dream She and her husband a founder and literary editor of the recently launched journal *The Nation* enlisted the help of two associates who had also collected songs in the Sea Islands Their book *Slave Songs of the United States* appeared in 1867 After a long illness ultimately ending in paralysis she died at the age of thirty four in 1877 This book reclaims the story of a pioneer in ethnomusicology one whose influential work affected the Fisk Jubilee Singers and many others

**A Trumpet around the Corner** Samuel Charters, 2010-02-17 Samuel Charters has been studying and writing about New Orleans music for more than fifty years *A Trumpet around the Corner* *The Story of New Orleans Jazz* is the first book to tell the entire story of a century of jazz in New Orleans Although there is still controversy over the racial origins and cultural sources of New Orleans jazz Charters provides a balanced assessment of the role played by all three of the city's musical lineages African American white and Creole in jazz's formative years Charters also maps the inroads blazed by the city's Italian immigrant musicians who left their own imprint on the emerging styles The study is based on the author's own interviews begun in the 1950s on the extensive material gathered by the Oral History Project in New Orleans on the recent scholarship of a new generation of writers and on an exhaustive examination of related newspaper files from the jazz era The book extends the study area of his earlier book *Jazz New Orleans 1885-1957* and breaks new ground with its in depth discussion of the earliest New Orleans recordings *A Trumpet around the Corner* for the first time brings the story up to the present describing the worldwide interest in the New Orleans jazz revival of the 1950s and 1960s and the exciting resurgence of the brass bands of the last decades The book discusses the renewed concern over New Orleans's musical

heritage which is at great risk after the catastrophe of Hurricane Katrina's floodwaters *Brother-Souls* Ann Charters, Samuel Charters, 2010-09-27 John Clellon Holmes met Jack Kerouac on a hot New York City weekend in 1948 and until the end of Kerouac's life they were in Holmes's words *Brother Souls* Both were neophyte novelists hungry for literary fame but just as hungry to find a new way of responding to their experiences in a postwar American society that for them had lost its direction Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them *Brother Souls* John Clellon Holmes Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes From 1948 to 1951 when Kerouac's wanderings took him back to New York he and Holmes met almost daily Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes's manuscript for the novel *Go* as they left the typewriter With the pages of Holmes's final chapter still in his mind he was at last able to crack his own writing dilemma In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of *On the Road* Biographer Ann Charters was close to John Clellon Holmes for more than a decade At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters journals and manuscripts Holmes had been keeping for twenty five years In that mass of material waited an untold story These two ambitious writers Holmes and Kerouac shared days and nights arguing over what writing should be wandering from one explosive party to the next and hanging on the new sounds of bebop Through the pages of Holmes's journals often written the morning after the events they recount Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation Holmes Kerouac Neal Cassady Allen Ginsberg William Burroughs Gregory Corso and their friends and lovers **Hidden Multilingualism in 19th-Century European Literature** Jana-Katharina

Mende, 2023-08-21 The disparagement of multilingualism is a European development of the 18th and 19th centuries in which one national language and national literature were advocated established and institutionalised Multilingual writers made use of the creative potential of several languages even then However they often adapted to an increasingly monolingual book market which made their individual multilingualism invisible This is evident in literary historiography which established a monolingual national canon Researching hidden multilingualism is often difficult since multilingual texts by multilingual writers were often not published or were published in a monolingual version sources are scarce Literary histories of the time often do not mention multilingualism Furthermore many multilingual writers were members of minority groups women Jewish Non European and thus often neglected The volume offers methods and theories to systematically approach this hidden material as well as case studies on authors and national literatures in a multilingual context It thus contributes to the restructuring of a multilingual transnational literary history that is applicable to different philologies **The Routledge Handbook of Literary Translingualism** Steven G. Kellman, Natasha Lvovich, 2021-09-30 Though it might seem as modern

as Samuel Beckett Joseph Conrad and Vladimir Nabokov translingual writing texts by authors using more than one language or a language other than their primary one has an ancient pedigree The Routledge Handbook of Literary Translingualism aims to provide a comprehensive overview of translingual literature in a wide variety of languages throughout the world from ancient to modern times The volume includes sections on translingual genres with chapters on memoir poetry fiction drama and cinema ancient medieval and modern translingualism global perspectives chapters overseeing European African and Asian languages Combining chapters from lead specialists in the field this volume will be of interest to scholars graduate students and advanced undergraduates interested in investigating the vibrant area of translingual literature Attracting scholars from a variety of disciplines this interdisciplinary and pioneering Handbook will advance current scholarship of the permutations of languages among authors throughout time

*Contemporary American Poetry* Lloyd M. Davis, 1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983

*Modern Poetry Studies*, 1971

**A Language of Song** Samuel Charters, 2009-05-06 Samuel Charters recounts experiences from a half century spent following documenting recording and writing about the Africa influenced music of the United States Brazil and the Caribbean

**Walt Whitman's Workshop** Walt Whitman, 1928 Recently there have come to light several unpublished manuscripts by Walt Whitman which clarify the purpose growth and gradual unfoldment of *Leaves of Grass* and possess at the same time sufficient literary distinction in their own right to warrant consideration as independent pieces of writing This material covers a wide range of subject matter The various manuscripts of prefaces for American editions of Whitman's poems which were lost during Whitman's lifetime before they reached print and were rediscovered only after his death have a fascinating history and possess marked significance for the student and collector as well as the casual reader of Whitman In addition to these American prefaces a selection of other significant Whitman manuscripts dropped or withheld for various reasons during his lifetime here appears for the first time This material has been collected from scattered sources and has shaped itself into a single volume the primary purpose of which is to contribute a composite picture of Walt Whitman the literary workman Introduction

*From a Swedish Notebook* Samuel Barclay Charters, 1972

**Alva and Gunnar Myrdal in Sweden and America, 1898-1945** Walter A. Jackson, 2021-05-17 Alva and Gunnar Myrdal are the only couple ever awarded Nobel prizes as individuals Gunnar won the prize in Economics in 1974 and Alva won the Peace Prize in 1982 This dual biography examines their work as architects of the modern welfare state and probes the connections between the public and private dimensions of their lives Drawing on their extensive personal correspondence and diaries between their electrifying first meeting in 1919 and their protracted marital crisis in the early 1940s this book presents the psychologist and the economist as they sought to combine love and work in an equal partnership Alva and Gunnar simultaneously experimented with a new kind of intimate relationship and designed the social supports necessary for women both to bear and raise children and to contribute their talents and energies to society Like all genuine revolutionaries they struggled to free

themselves from the burdens of their upbringings to evaluate their own actions with what they called unsparing honesty and to test their policy recommendations in practice measuring everything against the values they shared

**Literature, Neurology, and Neuroscience: Neurological and Psychiatric Disorders**, 2013-12-11 This well established international series examines major areas of basic and clinical research within neuroscience as well as emerging and promising subfields This volume on the neurosciences neurology and literature vividly shows how science and the humanities can come together and have come together in the past Its sections provide a new broad look at these interactions which have received surprisingly little attention in the past Experts in the field cover literature as a window to neurological and scientific zeitgeists theories of brain and mind in literature famous authors and their suspected neurological disorders and how neurological disorders and treatments have been described in literature In addition a myriad of other topics are covered including some on famous authors whose important connections to the neurosciences have been overlooked e g Roget of Thesaurus fame famous neuroscientists who should also be associated with literature and some overlooked scientific and medical men who helped others produce great literary works e g Bram Stoker s Dracula There has not been a volume with this coverage in the past and the connections it provides should prove fascinating to individuals in science medicine history literature and various other disciplines This book looks at literature medicine and the brain sciences both historically and in the light of the newest scholarly discoveries and insights

**India and the World** Claude Markovits, 2021-03-25 In this pioneering history of modern India Claude Markovits offers a new interpretation of events of world importance focusing on the multiplicity of connections between India and the world Beginning with an examination of India s evolving role in the world economy he deals successively with the movement of people out of and into India the role played by Indian soldiers in a series of conflicts from the mid eighteenth to the late twentieth century the place of India in the global circulation of ideas and cultural productions and the relationships established between Indians and others both abroad and at home Challenging dominant state centred histories by focusing on the lived experiences of people Markovits demonstrates that the multiple connections established between India and other lands did not necessarily result in mutual knowledge but were often marked by misunderstanding

*One plus One* poets from Demer Press, 2011

**Index of American Periodical Verse, 1972** Sander W. Zulauf, Irwin H. Weiser, James D. Anderson, Rafael Català, 1974 The Index of American Periodical Verse is an important work for contemporary poetry research and is an objective measure of poetry that includes poets from the United States Canada and the Caribbean as well as other lands cultures and times It reveals trends in the output of particular poets and the cultural influences they represent The publications indexed cover a broad cross section of poetry literary scholarly popular general and little magazines journals and reviews

**A Study Guide for Jesper Svenbro's "Lepidopterology"** Gale, Cengage Learning, 2016 A Study Guide for Jesper Svenbro s Lepidopterology excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical

context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs

**Wallace Stevens across the Atlantic** B. Eeckhout,E. Ragg,2008-08-14 In a unique collection of essays devoted to one of America s most significant twentieth century poets a group of international contributors considers the Transatlantic nature of Stevens poetry providing original accounts of how a poet wary of influence created a poetics which continues to haunt contermpporary verse

**Twentieth-century Swedish Writers Before World War II** Ann-Charlotte Gavel Adams,2002 Essays on Swedish writers of the early twentieth century that provides context and an outline of major events and movements that influenced these writers Discusses literary trends including proletarian realists often referred to as the autodidacts the modernists the variety of literary styles and genres including literature for children and young adults the impact of motion pictures and television and the impact of various political and global issues

*Arthur O'Shaughnessy, A Pre-Raphaelite Poet in the British Museum* Jordan Kistler,2016-02-26 Arthur O Shaughnessy s career as a natural historian in the British Museum and his consequent preoccupation with the role of work in his life provides the context with which to reexamine his contributions to Victorian poetry O Shaughnessy s engagement with aestheticism socialism and Darwinian theory can be traced to his career as a Junior Assistant at the British Museum and his perception of the burden of having to earn a living outside of art Making use of extensive archival research Jordan Kistler demonstrates that far from being merely a minor poet O Shaughnessy was at the forefront of later Victorian avant garde poetry Her analyses of published and unpublished writings including correspondence poetic manuscripts and scientific notebooks demonstrate O Shaughnessy s importance to the cultural milieu of the 1870s particularly his contributions to English aestheticism his role in the importation of decadence from France and his unique position within contemporary debates on science and literature

*The Practicing Poet* Diane Lockward,2018 Organized into ten sections with each devoted to a poetic concept The Practicing Poet begins with Discovering New Material Finding the Best Words Making Music Working with Sentences and Line Breaks Crafting Surprise and Achieving Tone The concepts become progressively more sophisticated moving on to Dealing with Feelings Transforming Your Poems and Rethinking and Revising The final section Publishing Your Book covers manuscript organization book promotion and presentation of a good public reading The book includes thirty brief craft essays each followed by a model poem and analysis of the poem s craft then a prompt based on the poem Ten recyclable bonus prompts are also included Ten Top Tips lists are each loaded with poetry wisdom from an accomplished poet The Practicing Poet pushes poets beyond the basics and encourages the continued reading learning and writing of poetry It is suitable as a textbook in the classroom a guidebook in a workshop or an at home tutorial for the practicing poet working independently The craft essays poems and top tips lists include the work of 113 contemporary poets
