Historical Anthropology of the Middle Ages Aaron Gurevich, 1992-08 Aaron Gurevich has long been considered one of the world's leading medievalists and a pioneer in the field of historical anthropology This book brings together eleven of his most important essays many difficult to find and some never before available in English Gurevich's writing while informed by the history of mentalities as practiced by the French school of Le Goff and Duby reflects a broader view of European culture outside France He rejects reductionist concepts and operates with a total view of culture using a wide range of sources legal as well as ecclesiastical popular as well as learned oral and visual as well as literary This collection amply demonstrates this breadth of Gurevich's work and

highlights his ability to synthesize historical anthropological and semiotic approaches to culture Especially valuable are pieces such as Gurevich's essay *Wealth and Gift Bestowal Among the Ancient Scandinavians* about the importance of gift exchange in the medieval world One of the first studies for this practice this classic essay has for years been unavailable Other pieces range from the deities and heroes of Germanic poetry to the image of the Beyond in the Middle Ages **The Macrolepidoptera of the World: Noctuidiform phalaenae** Adalbert Seitz, 1912 Inequalities of the World Göran Therborn, 2006 A groundbreaking exploration of contemporary global inequality by leading scholars from across the world **The Boston Medical and Surgical Journal**, 1871 **Education Reform** Benjamin Franklin Foster, 1837 Education Reform. A review of Wyse on the necessity of a National System of Education, etc Benjamin Franklin FOSTER, 1837 **Biology Bulletin of the Academy of Sciences of the USSR.** Akademiia nauk SSSR, 1986 War and Border Societies in the Middle Ages Anthony Goodman, Prof Anthony Tuck, Anthony Tuck, 2002-11 First published in 1992 Routledge is an imprint of Taylor Francis an informa company **The Economics of Singularities of Science Elucidated with Buddhist Thoughts** S. Niggol Seo, 2024-10-24 This book analyses the unprecedented economic and social challenges to human civilization from the perspective of Buddhist philosophy It reviews singularities in a broad range of scientific experiments including the theory of relativity quantum physics artificial intelligence mRNA virology stem cell biology and neuroscience to evaluate catastrophic risks posed to the present global economic and environmental order Through placing these discussions within the context of Buddhist philosophy an alternative to traditional economic and science ideas is presented The power of technological progress and associated risks is highlighted as a way of looking into and creating a more sustainable future This book provides a fresh interpretation of fat tail economics that draws ideas from the basic sciences The book will be of much value to students and researchers who are keen to environmental economics planetwide catastrophes and Buddhist philosophy Goodbye Religion Ryan T. Cragun, Jesse M. Smith, 2024-10-08 Examines why so many are leaving religion and what that means for American society One of the largest changes in American culture over the last fifty years has been the increase in people exiting religion Goodbye Religion explores why there has been such an upswing among those who identify as nonreligious and what the societal implications are of this move towards less religiosity Utilizing nationally representative data and more than a hundred in depth interviews with people who leave their religion behind Ryan T Cragun and Jesse M Smith examine the variety of social psychological and environmental conditions behind the exiting process as well as what people do with the time they used to devote to religious observance They show that for most people who leave abandoning religion is not a crisis and does not generally disrupt their health charitable giving or volunteering Drawing on the data Cragun and Smith argue that the fears among some that massive religious exit will result in a decline in family values or less civic engagement are unfounded and that those who become nonreligious remain engaged in society and continue to strive to make the world a better place At a time where more and more individuals are questioning the

implications of our increasingly secular society Goodbye Religion offers an engaging and fascinating analysis into what religious exiting and secularization broadly means for American society Understanding Musical Understanding Harold E. Fiske,2008 Demonstrates that explanations of musical understanding are not found in analyzing musical activities per se but rather in examining underlying cognitive activities principles of melodic and rhythmic construction sensory awareness and quality assessment and the effects of cultures on neural network formation **Transactions of the Section on Laryngology, Otology and Rhinology of the American Medical Association at the ...
