Richard L. Morgan, 2009-04-01 This book shows how the Bible offers timeless wisdom for any age but has special guidance for older people Author Richard Morgan has chosen 120 Scripture readings in tribute to Moses recorded as living one hundred and twenty years when he died and written a series of reflections on Bible characters whose experience of aging speaks across the centuries to us today Author Jane Marie Thibault asks the question Would you accept the gift of 120 years with joy and gratitude or would you respond according to your circumstances For the first time in the history of humankind many of us may have the opportunity to live that long We can reasonably expect that we will soon accept the gift of 120 years Is this good news or bad news for you Medical science has extended our years and given us longevity but medical science cannot give us meaning for these years The meditations in this book offer stories of older Biblical men and women like Abraham and Sarah Elizabeth and Zechariah Simeon and Ann who offer wisdom on how to find meaning in these later years Morgan's book would be good reading for older adults and those who have not yet had to face the challenges of the later years Its wisdom offers the prayer May you die young at a very old age **The Message of Proverbs** David J.

Atkinson, 2023-07-18 Proverbs instruction in the art of living has been long tried and long proven This BST commentary wonderfully illuminates the ancient cultural and religious background and brings the wisdom of Proverbs in conversation with the wisdom of God now more fully displayed in Christ clarifying the place of Proverbs in the pattern of God's word
