**A History of Women's Writing in Germany, Austria and Switzerland** Jo Catling, 2000-03-23 This volume makes the wide ranging work of German women writers visible to a wider audience It is the first work in English to provide a chronological introduction to and overview of women s writing in German speaking countries from the Middle Ages to the present day Extensive guides to further reading and a bibliographical guide to the work of more than 400 women writers form an integral part of the volume which will be indispensable for students and scholars of German literature and all those interested in women s and gender studies

Women on the Line Miriam Glucksmann aka Ruth Cavendish, 2009-02-11 *Women on the Line* is a pioneering ethnographic classic of the world of work in a British motor components factory Miriam Glucksmann a well known contributor to the study of gender work and employment is here revealed as the author The book addresses enduring issues of ethnicity gender and class in global manufacturing

**Discovering Women's History** Deirdre Beddoe, 2018-10-08 The highly practical guide introduces the reader to the main areas of British women s history education work family life sexuality and politics After an introduction to each topic detailed commentary is provided on a range of primary source material together with advice on further reading For the new edition the author has written a brand new chapter on how to choose a dissertation subject and the pitfalls to avoid

Textual Liberation (Routledge Revivals) Helena Forsas-Scott, 2014-11-13 Feminist writing has emerged in recent years as a major influence of twentieth century European literature *Textual Liberation* first published in 1991 provides a timely and wide ranging survey of twentieth century feminist writing in Europe presenting texts from a number of countries and highlighting some of the transnational parallels and contrasts The contributors emphasize the wider contexts political social economic in which the texts were produced They cover feminist literature in Britain Scandinavia Germany Eastern Europe Russia France Spain Italy and Turkey and consider a range of genres including the novel poetry drama essays and journalism Each chapter contains an extensive bibliography with special emphasis on material available in English A stimulating introduction to the development of European feminist writing *Textual Liberation* will be an invaluable resource for students of women s literature women s studies and feminism

*Women, Work and Trade Unions* Anne Munro, 2018-10-24 This study focuses on working class women catering and cleaning workers and the way their interests were presented in trade unions It argues that there is an institutional bias within trade unions which precludes the full representation of women s interests Based on empirical research into two trade unions in the National Health Service the book stresses the importance of how women s work is structured in order to investigate the role of trade unions in challenging or reproducing inequalities

Classes, Power and Conflict Anthony

Giddens, David Held, 1982-05-13 In recent years a remarkable range of new work has been produced dealing with class inequalities the division of labor and the state In these writings scholars previously working in isolation from one another in sociology economics political science and history have found common ground Much of this work has been influenced by Marxist theory but at the same time it has involved critiques of established Marxist views and incorporated ideas drawn from other sources These developments have until now not been reflected in existing course texts which are often diffusely concerned with social stratification and lack reference to contemporary theory *Classes Power and Conflict* breaks new ground in providing a comprehensive introduction to current debates and contemporary research In also connects these to the classical sources concentrating particularly on Marx Lenin and Weber The book therefore offers a comprehensive coverage of materials for students who have little or no prior acquaintance with the field Each section of the book contains a substantial introduction explaining and expanding on the themes of the selections contained within that section *Classes Power and Conflict* can be expected to become the standard text for courses in sociology and political science      **Focal community profiles for Barotse Hub, Zambia** Dierksmeier, B., Cole, S.M., Teoh, S.J., 2015-04-24      **Baader-Meinhof and the Novel** J. Preece, 2012-04-14 The Baader Meinhof Group and other violent underground organizations have provided material to many novels by leading German and international writers This book is the first to examine this rich literary corpus treating it as a political unconscious which expresses submerged anxieties and moral blind spots in Europe s most powerful country      *Geography and Gender* Women and Geography Study Group of the IBG, 2024-11-01 In the 1980s feminist geography offered a stimulating new approach to the subject providing fresh perspectives on traditional areas of the discipline Originally published in 1984 the authors of *Geography and Gender* members of the Women and Geography Study Group of the Institute of British Geographers compiled an introductory text with an accessible concise and jargon free style which engaged the reader s interest It challenged the current thinking about geographic research and teaching at the time and suggested important new directions The book opens with an introduction to feminist geography It then demonstrates how a feminist approach changes and improves our understanding of geographic processes and patterns Urban development and structure industrial location and spatial variations in employment access to facilities and processes of the developing world are re examined from a feminist perspective Finally it discusses how a feminist approach can change the ways in which both teaching and research in geography are carried out Interest and research in feminist geography had been growing both in Britain and elsewhere but until now no introductory text had been available It will also be useful to anyone wanting a concise and authoritative introduction to feminist ideas and their application in the area of geography and planning Each chapter includes an annotated further reading list and topics for discussion Suggestions for individual or group project work keyed to topics discussed in the text are given in the final section      Exploring the Real World Industrial Organisation Annabhajula J C Bose, 2018-05-30 Showing familiarity with the enormous literature on subcontracting in manufacturing both

within and outside India and displaying ability to critically evaluate the literature this study does a commendable job in managing to collect very useful data for the study of a lead or parent firm and its ancillary units in the 1980s and thereby give a concrete flavor of the subcontracting relationship On the basis of the case study it is highlighted that the subcontracting relationship between the large parent firm and small ancillary firms is symbiotic for the takers of subcontracts and beneficial to the parent firm     Of Marriage and the Market Kate Young,Carol Wolkowitz,Roslyn McCullagh,2023-07-05 Despite the vast difference between first and third world societies the subordination of women to men seems to be a universal fact Originally published in 1984 the chapters in this book look specifically at the marital bond contract and locate the subordination of women in terms of that contract Others examine the development and expansion of market relations and show how that affects marital relations husbands control over wives men s over women

**International Labour and the Third World** Rosalind E. Boyd,Robin Cohen,Peter C. W. Gutkind,2023-08-11 Originally published in 1987 this book focusses on the debate around the international role of the working class and other dominated classes such as the rural and urban poor The contributions discuss whether Marx s original version of the revolutionary role of workers can still be sustained They examine the response of workers to the globalisation of production to structural unemployment in the industrialized world and to the changing composition of the workforce in the industrialising periphery The volume questions the historic starting points in the theorization of international labour     **A History of Their Own** Bonnie S. Anderson,Judith P. Zinsser,1988 Examines women in the noble courts middle upper and working classes and salons in the cities of the modern era     **The Disability Business** Gary L. Albrecht,1992-05-14 This comprehensive volume examines the big business such as health care corporations and insurance companies that has grown up around rehabilitation of the disabled in the United States and the impact that this has had on care Albrecht discusses how the quality of care is influenced by income income potential and insurance cover and traces how the financial growth in this industry has changed the nature of the care provided He also presents a realistic assessment of the policy options and solutions available to a society that values equity in ensuring that quality rehabilitation services are equally available to all     German Feminism Edith H. Altbach,Jeanette Clausen,Dagmar Schultz,Naomi Stephan,1984-06-30 Rich diverse and complex this anthology presents the new prose fiction of women from both Germanys and Austria and the working papers of the German women s movement since the late 1960s The alternation of an inner and outer focus in these selections allows the reader to explore the resonance between political thought and action and the creative expression of women s own experience Also invaluable and exemplary of the vitality of German feminists is their capacity for self criticism and theoretical analysis Two introductory essays give comprehensive overviews of current directions in German feminism and women s literature with historical background and interpretation The sequence of chapters interweaves short stories and novel excerpts with essay reportage and manifesto in all more than 50 texts The literary material is grouped by tone mood and theme in sections

entitled *The Way It Is* *Woman Hating* *Struggles* *Visions and Dreams* and *Our Past Our Future* The political material is arranged topically under the headings *Breaking the Silence* *Body Politics* *Reportage and Essay* *Sisterhood* *Motherhood* and *Housework* *Feminist Strategy* and *Women's Studies* Of assistance to students and scholars are the extensive bibliographic notes in the two introductory essays and in many of the nonliterary texts as well as thoughtful and explanatory chapter introductions and headnotes accompanying each text     Technology, Economic Growth and the Labour Process Phil Blackburn, Rod Coombs, Kenneth Green, 1985-06-18     **Becoming A Woman** Sally Alexander, 1995-05 Spanning two decades of research and writing this volume presents the influential and insightful work of Sally Alexander one of Britain's most reputed feminist historians Whether analyzing women's factory work the emergence of the Victorian women's movement or women's voices during the Spanish civil war or charting the lives of women in the inter war years Alexander's accounts are original and thoughtful Moving from a discussion of class and sexual difference to a reading of subjectivity informed by psychoanalysis Alexander exposes the relationship between memory history and the unconscious Her focus ranges from a descriptive rendering of the 1970's Nightcleaners campaign to a more exploratory account of becoming a woman in 1920's and 30's London *Becoming A Woman* offers up a fascinating exploration of important historical moments and of the process of writing feminist history     **Management Services in Government**, 1980     *Sociological Abstracts* Leo P. Chall, 1982
