**The Journey of Rabbi and Rachel Abramowitz** Mona Mandel Abramowitz, 2012-04-11 Rabbi Mayer and Rachel Abramowitz are beloved fixtures on the Miami scene They have that special quality when you meet you immediately respect them and consider them close friends But they only became fixtures in one place after they journeyed through many Their unique story begins in Rachel s Polish shtetl and Mayer s youth in British ruled Palestine The political climate and world events took Mayer to the United States and Rachel to Kazakhstan and Uzbekistan In the often strange but wondrous flow of Jewish life it was in a camp for displaced Jews in Germany that their very different journeys merged into one There were other stops geographically but their journey is really about the life they made It s about surviving WW II through fortitude and fortune and then helping to smuggle Jews out of Europe to Israel It s about being the prime force in establishing the Cuban Jewish community in South Florida and building Jewish institutions in Miami Israel and throughout the world It s about creating a family that continues their legacy In reading the stories of Rabbi and Rachel Abramowitz you will travel through Jewish history As they touched the lives of so many on a personal level they found themselves on a historical journey These are their stories This is our history The journey continues

**From Maimonides to Microsoft** Neil Netanel, David Nimmer, 2016 From Maimonides to Microsoft traces the historical development of Jewish copyright law by comparing rabbinic reprinting bans with secular and papal book privileges and by relaying the stories of dramatic disputes among publishers of books of Jewish learning and liturgy He describes each dispute in its historical context

and examines the rabbinic rulings that sought to resolve it Remarkably the rabbinic reprinting bans and copyright rulings address some of the same issues that animate copyright jurisprudence today Is copyright a property right or just a right to receive fair compensation How long should copyrights last What purposes does copyright serve While Jewish copyright law has borrowed from its secular law counterpart at key junctures it fashions strikingly different answers to those key questions

Intrigue and Revolution Yaron Harel,2015-06-18 Yaron Harel has constructed a dramatic story of how eleven chief rabbis all became the subject of controversy and were subsequently dismissed This took place against a background of crime and licentiousness rarely documented in the context of Jewish society Set firmly in the social and political developments of the time this colourful picture is very different from the commonly accepted image of Jewish communities in the Ottoman Empire
