Dan Stone

From Luther To Hitler The History Of Fascist Nazi Political Philosophy:

From Luther to Hitler William Montgomery McGovern, 1941 *From Luther to Hitler* William Montgomery McGovern, 1941 Under the editorship of Edward M Sait Bibliography at end of each chapter **From Luther to Hitler. The History of Fascist-Nazi Political Philosophy** William Montgomery MacGovern, 1948 *From Luther to Hitler. The History of Fascist-Nazi Political Philosophy. (Under the Editorship of Edward McChesney Sait.).* William Montgomery MACGOVERN, 1941 **Stalinism and Nazism** Ian Kershaw, Moshe Lewin, 1997-04-28 The internationally distinguished contributors to this landmark volume represent a variety of approaches to the Nazi and Stalinist regimes These far reaching essays provide the raw materials towards a comparative analysis and offer the means to deepen and extend research in the field The first section highlights similarities and differences in the leadership cults at the heart of the dictatorships The second section moves to the war machines engaged in the titanic clash of the regimes between 1941 and 1945 A final section surveys the shifting interpretations of successor societies as they have faced up to the legacy of the past Combined the essays presented here offer unique perspectives on the most violent and inhumane epoch in modern European history

The Luther Myth Patrick Hayden-Roy, 2024-10-31 In the period from the close of the Napoleonic Wars up through the immediate post World War II era the image of Martin Luther was transposed in Germany from a religious reformer and advocate of freedom to a symbol of v lkish nationalist identity such that with the seizure of power by the Nazis Luther was used to portray a symbiosis between the new regime and the tradition of Protestant religiosity The Luther Myth traces the evolution of this image within the environment of nineteenth and twentieth century German nationalist sentiment looking particularly at how Protestant Germans styled Luther to affirm the essentialist racial identity politics of the Nazis the cult of authoritarian leadership around Adolf Hitler the drive to impose state control over all competing sources of authority and the victimizing of German Jews In doing so it sheds new light on why Nazism was able to co opt German Protestantism as a source for legitimizing its seizure of power despite the fact that the animating core of Nazi ideology was radically subversive in relation to traditional Christian piety Using evidence drawn from not only theological works and literary and philosophical sources but also speeches theatrical works public celebrations and monuments it pulls together the narrative of development and connects it over the longer term offering an original contribution to scholarship on the topic and allowing readers a format for considering how similar dynamics are still at work in contemporary society and culture **Thomas Carlyle and**

the Political Universe Brian Wolfel, 2024-04-30 Thomas Carlyle and the Political Universe From American Transcendentalism to an Elusive Post Liberalism recognizes and reckons with Thomas Carlyle s broad and deep influence on politics on a global scale Having influenced and inspired iconic and impactful political thinkers and actors such as Ralph Waldo Emerson Henry David Thoreau John Stuart Mill Charles Dickens Karl Marx and Martin Luther King Jr among so many others Carlyle is a captivating persona in modern political history In this way if there is one person who could be said to be

the central figure of what may be called the political universe all that the term politics comprises Brian Wolfel argues that it is Thomas Carlyle As the point of nexus of so many political figures embodying such a diversity of political persuasions Carlyle is also a significant philosopher in Plato's lineage whose ideas can be further constructed and developed in the context of the work of prominent 20th century political thinkers such as John Rawls Alasdair MacIntyre Jacques Ellul and Sayyid Qutb Carlyle's conceptualization of transcendentalism in Sartor Resartus was a foundation for Emerson Thoreau and American Transcendentalism In the midst of ideological battle in the 20th and 21st centuries among such ideologies as liberalism communism fascism and Islamism Carlyle's transcendentalism largely went unnoticed as a potential ideological competitor Carlyle's transcendentalism can be developed and constructed in the contexts of modern political theory and religion and can be defended and promoted as a potential post liberalism a refinement of and evolution from liberal democracy and capitalism

A History of Fascism, 1914-1945 Stanley G. Payne, 1996-01-01 A History of Fascism is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti The Nation A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

Law and Protestantism John Witte, 2002-05-16 The Lutheran Reformation of the early sixteenth century brought about immense and far reaching change in the structures of both church and state and in both religious and secular ideas This book investigates the relationship between the law and religious ideology in Luther's Germany showing how they developed in response to the momentum of Lutheran teachings and influence Profound changes in the areas of education politics and marriage were to have long lasting effects on the Protestant world inscribed in the legal systems inherited from that period John Witte Jr argues that it is not enough to understand the Reformation either in theological or in legal terms alone but that a perspective is required which takes proper account of both His book should be essential reading for scholars and students of church history legal history Reformation history and in adjacent areas such as theology ethics the law and history of ideas

Faces of Degeneration Daniel Pick, 1989 Exploring the historical contexts in France Italy and England within which the idea was developed this text traces the political issues to which the concept of degeneration gave rise during the period from the revolutions of 1848 to the First World War and beyond

Faith Active in Love George Forell, 1999-09-30 In the extensiveness of the resources consulted and in the depth of insight into Luther's own thought which is here revealed Dr Forell's work compares very favorably with anything that has been produced on the subject by European scholarship It is the most solid and genuine piece of Luther

research that has come out in this country to my knowledge Edgar M Carlson Gustavus Adolphus College St Peter Minn The book is especially notable for its balanced judgment and objectivity Prof Forell attempts no whitewash but notes Luther s personal and historical limitations at the same time as he indicates the enduringly valid principles of his ethical thought Warren A Quanbeck Luther Theological Seminary St Paul Minn This is a significant contribution toward a classification of Luther s social ethics It convincingly refutes both of the divergent tendencies which assert that Luther had no social ethics at all since he placed society outside of the Christian Gospel or that his social ethics was purely pragmatic accepting the social order of his day and thus helping to bring about the growth of capitalism and nationalism Martin Heinecken The Lutheran Theological Seminary Philadelphia PA This is a book which should be in every Lutheran pastor s personal library and in every Lutheran parish library As a matter of public relations parochial circuit and district public relations committees should ensure that it finds a place on the shelves of public libraries and college and university libraries as a salutary corrective to the conventional misrepresentations of Luther s ethical principles Arthur Carl Piepkorn Concordia Theological Seminary St Louis MO

Contesting the Origins of the First World War Troy Paddock, 2019-07-31 Contesting the Origins of the First World War challenges the Anglophone emphasis on Germany as bearing the primary responsibility in causing the conflict and instead builds upon new perspectives to reconsider the roles of the other Great Powers Using the work of Terrance Zuber Sean McMeekin and Stefan Schmidt as building blocks this book reassesses the origins of the First World War and offers an explanation as to why this reassessment did not come about earlier Troy R E Paddock argues that historians need to redraw the historiographical map that has charted the origins of the war His analysis creates a more balanced view of German actions by also noting the actions and inaction of other nations Recent works about the roles of the five Great Powers involved in the events leading up to the war are considered and Paddock concludes that Germany does not bear the primary responsibility This book provides a unique historiographical analysis of key texts published on the origins of the First World War and its narrative encourages students to engage with and challenge historical perspectives

Antisemitism Steven Leonard Jacobs, 2020-06-29 With an overview essay timeline reference entries and annotated bibliography this resource is a concise one stop reference on antisemitism in today s society Stretching back to biblical times antisemitism is perhaps the world s oldest hatred of a group It has manifested itself around the world sometimes taking the form of superficially innocent jokes and at other times promoting such tragedies as the Holocaust Far from disappeared its continued existence in today s society is evidenced by vandalism of Jewish cemeteries and shootings at synagogues This book explores the causes and consequences of contemporary antisemitism placing this form of hatred in its historical political and social contexts An overview essay surveys the background and significance of antisemitism and provides historical context for discussions of contemporary topics A timeline highlights key events related to antisemitism Some 50 alphabetically arranged reference entries provide objective fundamental information about people events and other topics related to antisemitism These entries

cite works for further reading and provide cross references to related topics An annotated bibliography cites and evaluates some of the most important resources on antisemitism suitable for student research Rethinking Fascism Di Michele Andrea,Filippo Focardi,2022-01-19 This book takes up the stimuli of new international historiography albeit focusing mainly on the two regimes that undoubtedly provided the model for Fascist movements in Europe namely the Italian and the German Starting with a historiographical assessment of the international situation vis vis studies on Fascism and National Socialism and then concentrate on certain aspects that are essential to any study of the two dictatorships namely the complex relationships with their respective societies the figures of the two dictators and the role of violence This volume reaches beyond the time frame encompassing Fascism and National Socialism experiences directing the attention also toward the period subsequent to their demise This is done in two ways On the one hand examining the uncomfortable architectural legacy left by dictatorships to the democratic societies that came after the war On the other hand the book addresses an issue that is very much alive both in the strictly historiographical and political science debate that is to say to what extent can the label of Fascism be used to identify political phenomena of these current times such as movements and parties of the so called populist and souverainist right A Legacy of the Jews of Yugoslavia with a Focus on Sarajevo Esther Gitman,2024-05-20 In this book Esther Gitman a Holocaust survivor from Sarajevo documents the saga of the Jews of Yugoslavia with a focus on Sarajevo her birthplace The book features an examination of archival documents from Sarajevo Zagreb Yad Vashem in Jerusalem the United States Holocaust Memorial Museum in Washington DC and more The ground breaking work reveals the many facets of Jewish life in Yugoslavia from the time of their expulsion from Spain and Portugal in 1492 This book provides an in depth look at the integral role the Sephardic Jews from the Hebrew word for Spain played in the broader development of the city More broadly the book provides readers with a glimpse into a community which saw seventy percent of its members annihilated during WWII **More Moderate Side of Joseph de Maistre** Cara Camcastle,2005 The More Moderate Side of Joseph de Maistre expertly contextualizes his work within the historical events and intellectual debates that emerged in the aftermath of the French Revolution Camcastle sheds new light on Maistre s conception of government as being made up of groups in dynamic counterbalance and on the system of inconvertible paper money that he developed a century before a similar system was universally adopted in the twentieth century Camcastle provides a more complete and balanced picture of Maistre s political writings through original interpretations of his published works and translations from French and Italian into English of previously unpublished writings that substantiate key points Aurel Kolnai's The War AGAINST the West Reconsidered Wolfgang Bialas,2019-02-13 Aurel Kolnai s The War against the West remains one of the most insightful analyses of Nazi thought ever written First published in 1938 it was a revelation for many readers Quite different in tone and approach from most other analyses of Nazism available in English it was remarkable for the thoroughness with which it discussed the writings of Nazi thinkers and for the seriousness with

which it took their views In this edited collection published eighty years after the original book a team of distinguished scholars reassess this classic text and also consider its continued relevance to contemporary politics They address issues such as the comparison of Nazism and communism anti-Semitism British and American perceptions of the Reich before the war and the Nazi legal theory of Carl Schmitt This book is a vital source for historians of Nazism and Fascism

Psychoanalysis and Politics Lene Auestad, 2018-03-22 This book examines the nature of social exclusion and the aspects of the politics of representation in the social interpersonal and political field It questions how psychoanalysis can be used to think about the invisible and subtle processes of power over symbolic representation

Fascism, Nazism and the Holocaust Dan Stone, 2020-12-30 This book contains essays on Fascism Nazism and the Holocaust by distinguished scholar Professor Dan Stone It examines issues such as race science and the racial state Nazi race ideology slave labour concentration camps British reaction to the rise of Nazism and the Holocaust the search for missing persons in the chaos of postwar Europe and the postwar revival of fascism Though mainly focused on Nazi Germany it also makes comparisons with other fascist movements and regimes in Romania and elsewhere This book will be of great interest to scholars and students of antisemitism fascism Nazism World War II genocide studies and the Holocaust

Justifying Legal Punishment Igor Primoratz, 1997-11 While the philosophy of punishment is dominated by utilitarian and mixed theories this study written in the analytic tradition but also drawing on the views of Hegel argues for a purely retributive view all the main questions facing a theory of punishment are answered in terms of justice and desert without any concessions to social expediency

From Luther To Hitler The History Of Fascist Nazi Political Philosophy Introduction

In the digital age, access to information has become easier than ever before. The ability to download From Luther To Hitler The History Of Fascist Nazi Political Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From Luther To Hitler The History Of Fascist Nazi Political Philosophy has opened up a world of possibilities. Downloading From Luther To Hitler The History Of Fascist Nazi Political Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From Luther To Hitler The History Of Fascist Nazi Political Philosophy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From Luther To Hitler The History Of Fascist Nazi Political Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From Luther To Hitler The History Of Fascist Nazi Political Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From Luther To Hitler The History Of Fascist Nazi Political Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From Luther To Hitler The History Of Fascist Nazi Political Philosophy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About From Luther To Hitler The History Of Fascist Nazi Political Philosophy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Luther To Hitler The History Of Fascist Nazi Political Philosophy is one of the best book in our library for free trial. We provide copy of From Luther To Hitler The History Of Fascist Nazi Political Philosophy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From Luther To Hitler The History Of Fascist Nazi Political Philosophy. Where to download From Luther To Hitler The History Of Fascist Nazi Political Philosophy online for free? Are you looking for From Luther To Hitler The History Of Fascist Nazi Political Philosophy PDF? This is definitely going to save you time and cash in something you should think about.
