

One day, Iswurdeo Soboron felt like writing to the world, voicing his feelings, experiences, wishes, his perception of life and its realities. Today he feels like publishing the voice of his heart for his fans and he is pleased to present to you:

### *The Voice of My Heart – Volume I*

*Iswurdeo was born in Mauritius and had spent several years in United Kingdom before moving to Switzerland, a country of great natural beauty that inspires him for his poems....*

*In 2005, Iswurdeo was awarded "Outstanding Achievement in Poetry" by the International Society of Poets, U.S.A. He has since then written more than 500 poems, many of which are honoured "excellent" by the distinguished Members of the International Society of Poets.*

*Iswurdeo is now releasing his own books of poems that will appear in various volumes. We invite you to taste the flavour of his expressions...*

\*\*\*\*\*

*"This book is a treasure of feelings,  
A true expression of a heart's calling  
In amalgam of human living,  
Each and every word full of meaning...."*

*"This book is like "a dream comes true",  
A childhood wish realized too  
For a humble man, a dreamer, an observer and  
An inborn poet whom I see in Iswurdeo Soboron...."*

R. de J. Jackson, 2016-03-31 First published in 1980 This title provides a critical and historical account of poetry written between 1780 and 1835 The author has been especially concerned to place the great poems and poets of the age in the context of the conventions and traditions in which they wrote offering new perspectives on familiar works Poems still famous are examined often in relation to works of a similar kind fashionable at the time but now neglected and these unconventional groupings throw fresh light on Romantic poetry as a whole An appendix is included designed to be read as a supplement to the main text serving both as a chronology and as a brief guide to works that do not fall within the scope of the main argument This title will be of interest to students of literature **A critical dictionary of English literature, and British and American authors living and deceased** Samuel Austin Allibone, 1877 **A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century** Samuel Austin Allibone, 1871 A Critical Dictionary of English Literature and British and American Authors, Living and Deceased Allibone, 1870 **A Girl's Book of Verse** , 1925 **Round Table** , 1867 **An Anthology of Jewish-Russian Literature: Two Centuries of Dual Identity in Prose and Poetry** Maxim D. known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shrayer of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author s background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor s extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources
