From 9/11 to 666 Ralph W. Stice, 2005-10-07 Many years of conversations with Muslims sprang to mind as I saw the plumes of smoke rising from the Twin Towers and the screams of eyewitnesses in New York Exhaustive reading stored in my brains hard drive gave me a detailed context in which to interpret what I was seeing As proof of Gods miraculous design my brain made dozens of calculations in the split second before I felt guilt for not informing my homeland about the gravity of Islams growing fundamentalist wing

Stalk Divination, 2017-06-20 This book presents for the first time a full translation and analysis of a newly discovered bamboo divination manual from the fourth century BCE China called the Stalk Divination Method Shifa It was used as an alternative to the better known Zhouyi popularly known as the I Ching The Shifa manual presents a competing method of interpreting the trigrams the most basic elements of the distinctive sixty four hexagrams in the Zhouyi This newly discovered method looks at the combination of four trigrams as a fluid changeable pattern or unit reflective of different circumstances in an elite man s life Unlike the Zhouyi this new manual provides case studies that explain how to read the trigram patterns for different topics This method is unprecedented in early China and has left no trace in later Chinese divination traditions Shifa must be understood then as a competing voice in the centuries before the Zhouyi became the hegemonic standard The authors of this book have translated this new text and cracked the code of its logic This new divination will change our understanding of Chinese divination and bring new light to Zhouyi studies *Index of Will County, Illinois*, 1878
