Stockton CA as Pastor of Yahuah Yahshuahs House Of Prayer      *Inside a Poet's Heart* Akeam Simmons, 2013-12-09 This book is a jewel for it takes us into the deepest darkest crevasse of our hearts and exposes some things that we have chosen to forget It uncovers the secret places that we keep covered but need to unveil for our own sake of sanity Inside a Poet's Heart helps us heal some of the brokenness in us and explains some of our secret issues      **Victorian Poetry and the Culture of the Heart** Kirstie Blair, 2006-04-27 This study considers why and how the heart became a vital image in Victorian poetry It argues that the intense focus on heart imagery in the period highlights anxieties about the ability of poetry to act upon its readers It covers key poems by authors such as Tennyson and the Brownings and contextualizes them with reference to lesser known works      *A Poet's Heart* Donna Solitario, 2011-06 Poet's Heart Is both heartwarming and poignantly disquieting Captivating with a strong artistic voice which will indelibly speak to one's soul With a powerful connection to the author's thoughts feelings words and images Leaving upon the heart a lasting presence of love      **Soul of a Poet's Heart** Terrence D. Richburg, 2022-11-03 So when you first woke up this morning what was the first thought that popped into your head Maybe you said a quick prayer Or perhaps you felt an overwhelming sensation in your mind like floodgate doors being thrown open to all your plans appointments and expectations Like with the law of gravity set parameters are so quickly established in the real world by others as well as ourselves They dictate what we can or cannot do But do they really Do we have to succumb to what life seems to command of us or can we decide to embrace the gravity of our life experiences both good and bad and use them as our teachers Soul of a Poet's Heart lays out the unique experience of going back in time to reflect on one's decisions experiences and feelings And as a true gallery on display it offers messages of profound inspiration and value to see ponder and ultimately understand Whether it's about matters of love relationships family forgiveness spirituality wisdom encouragement or even art culture politics and philosophy all of these broad topics impact and speak to our core with both complexity and revelation Soul of a Poet's Heart unveils an innate secret that we're all poets and artists by the act of living and we all create a virtual gallery of experiences emotions and thoughts too precious and intense to ignore or hide from sharing It's time to get away even for a moment and embark on something new and different yet oddly familiar to explore being a student of yourself and use that knowledge to learn and take flight into the essence of becoming all that God meant for you to be      **The Poet's Heart** Pamela S. Mullins, 2009-08-19 A book compiled of many poems composed by a poet at heart      **The Contemplative Poetry of Gerard Manley Hopkins** Maria R. Lichtmann, 2014-07-14 In 1989 the centenary of his death Gerard Manley Hopkins continues to provoke fundamental questions among scholars what major poetic strategy informs his work and how did his reflections on the nature of poetry affect his writing While form meant a great deal to Hopkins it was never mere form Maria Lichtmann demonstrates that the poet a student of Scripture all his life adopted Scripture's predominant form parallelism as his own major poetic strategy Hopkins saw that parallelism struck deep into the heart and soul tapping into unconscious rhythms and bringing about a healing response that he identified as

contemplation Parallelism was to him the perfect statement of the integrity of outward form and inner meaning Other critics have seen the parallelism in Hopkins s poems only on the auditory level of alliterations and assonances Lichtmann however builds on the views held by Hopkins himself who spoke of a parallelism of words and of thought engendered by the parallelism of sound She distinguishes the integrating Parmenidean parallelisms of resemblance from the disintegrating Heraclitean parallelisms of antithesis The tension between Parmenidean unity and Heraclitean variety is resolved only in the wordless communion of contemplation This emphasis on contemplation offers a corrective to the overly emphasized Ignatian interpretation of Hopkins s poetry as meditative poetry The book also makes clear that Hopkins s preference for contemplation sharply differentiates him from his Romantic predecessors as well as from the structuralists who now claim him Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Poetic Labyrinth** Forrest Hiler, 2015-04-20 Poetry is a dying art One lost to the pages of time However in one man s mind Poetry is a way of life Take a journey into the maze To find the one piece of the puzzle As to why one s actions mean nothing In the storm that rages The first door is an illusion Pulling you into the maze After that It s all downhill from
