From Ambulances To Almonds:

From Ambulances to Almonds Lawrence Caple, 2004 The author held a unique position in the history of UK ambulance service development commencing his career as an ambulance in 1962 rising to the top position of Chief Officer in eight years becoming a central figure in the significant professional development of the service for another twenty nine years making him the UK's longest serving Chief Officer of any of the main emergency services He has a very personal insight into all the policy decisions affecting the service over that period and of the many trials and tribulations behind many of the decisions leading to the modern paramedical ambulance service reflected in today's modern ambulance service A people person the author shares his experiences right from early childhood which he believes influenced his management style and subsequent successes in introducing new and often radical change whilst taking his workforce with him often against strong national and local political opposition The book clearly defines the progress of ambulance services since the inception of the National Health Service in 1948 up until his retirement in 1999 It illustrates both the technical and procedural techniques used to modernise what is and always will be a publicly sensitive and essential emergency service As such it provides a much needed professional historical record of the ambulance service in the last half of the twentieth century from someone who lived the experience first hand The author draws on his particular management style and experiences relating them back to his formative childhood years and shares some hitherto unknown behind the scenes facts with the reader The book succeeds in informing the health care professional about the ambulance service and its modern day role in the community and yet also provides a valuable insight for students studying for a University Management Degree whether in Health Service management or general management It is fascinating reading not least because the ambulance service touches all our lives at some time or other but also because the author's natural writing style is obviously borne out of having lived all the experiences first hand and at a very senior level A unique opportunity to learn about an essential life saving service and the management techniques involved in operating at CEO level in a politically charged and often controversial public environment

Emergency Services Management Paresh Wankhade, Peter Murphy, 2023-01-09 An expert guide to contemporary research in the field of emergency services management this short form book will help academics scholars and practitioners to appreciate the important role and contribution of these services Contemporary emergency services have been rapidly changing in response to increasing demand reducing resources the impact of COVID 19 and the increasingly complex threats to public safety Academics practitioners the emergency services and their key stakeholders all need to have a clear understanding of the changing role and contribution of these services as well as finding ways to improve their management and performance so that policy solutions to new and emerging threats may be efficiently developed and effectively implemented The book looks at the application of public management theories to emergency services and the development of professionalism within the police fire and rescue and ambulance services It examines the increasing need for

better collaboration and identifies the nature and extent of the academic and practitioner divide and the research gap between the academic and professional communities in each of the services This book will be invaluable to researchers scholars practitioners and students in the fields of governance leadership and management especially those focusing on emergency services and management during crises

The Bride of Almond Tree Robert Hillman, 2021-07-02 A love story about loyalty belief and idealism set against the epic sweep of twentieth century history

The Almond Tree Michelle Cohen Corasanti, 2022-07-01 Gifted with a mind that continues to impress the elders in his village Ichmad Hamid struggles with knowing that he can do nothing to save his friends and family Living on occupied land his entire village operates in fear of losing their homes jobs and belongings But more importantly they fear losing each other On Ichmad's twelfth birthday that fear becomes reality With his father imprisoned his family's home and possessions confiscated and his siblings quickly succumbing to hatred in the face of conflict Ichmad begins an inspiring journey using his intellect to save his poor and dying family In doing so he reclaims a love for others that was lost through a childhood rife with violence and loss and discovers a new hope for the future Reminiscent of *The Kite Runner* and *One Thousand Splendid Suns* this is an uplifting read which conveys a message of optimism and hope
