## **From Angels To Aliens Teenagers The Media And The Supernatural:**

**From Angels to Aliens** Lynn Schofield Clark, 2005-10-27 Harry Potter Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today s teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today s popular stories of demons hell and the afterlife actually have their roots in the U S s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices **From Angels to Aliens** paints a surprising and perhaps alarming portrait of the spiritual state of America s youth

**Religion, Media, and Social Change** Kennet Granholm, Marcus Moberg, Sofia Sjö, 2014-09-19 In an era of heightened globalization macro level transformations in the general socioeconomic and cultural makeup of modern societies have been studied in great depth Yet little attention has been paid to the growing influence of media and mass mediated popular culture on contemporary religious sensibilities life and practice Religion Media and Social Change explores the correlation between the study of religion media and popular culture and broader sociological theorizing on religious change Contributions devote serious attention to broadly defined media including technologies institutions and social and cultural environments as well as mass mediated popular culture such as film music television and computer games This interdisciplinary collection addresses important theoretical and methodological questions by connecting the study of media and popular culture to current perspectives approaches and discussions in the broader sociological study of religion

**The Oxford Handbook of Religion and the American News Media** Diane Winston, 2012-09-06 Whether the issue is the rise of religiously inspired terrorism the importance of faith based NGOs in global relief and development or campaigning for evangelical voters in the U S religion proliferates in our newspapers and magazines on our radios and televisions on our computer screens and

increasingly our mobile devices Americans who assumed society was becoming more and more secular have been surprised by religions rising visibility and central role in current events Yet this is hardly new the history of American journalism has deep religious roots and religion has long been part of the news mix Providing a wide ranging examination of how religion interacts with the news by applying the insights of history sociology and cultural studies to an analysis of media faith and the points at which they meet The Oxford Handbook of Religion and the American News Media is the go to volume for both secular and religious journalists and journalism educators scholars in media studies journalism studies religious studies and American studies Divided into five sections this handbook explores the historical relationship between religion and journalism in the USA how religion is covered in different media how different religions are reported on the main narratives of religion coverage and the religious press Publisher's website

**Belief in Media** Mary E. Hess, 2020-07-24 Most works on media developments and Christianity approach the subject from the perspective of the implications of new media technologies for traditional Christian practices or how churches can use new media to further their goals The common framework of analysis is a given reality of traditional institutional Christianity and how it interacts with affects and is affected by media Media are treated as a separate cultural reality This book presents in an accessible form the new directions that approach the interaction of media and religion from a cultural perspective and illustrates these new directions by a number of international and intercultural case studies and explorations Looking at how global media are constructing cultural forms structures and processes the authors show how these have become the life out of which individual and social meaning is created and practised Examining how individuals create religious meaning by interacting with media of various kinds crossing boundaries of traditional religious cultures and contemporary media cultures this book reveals how Christian institutions are also defined in the process of living culturally within their broader media context

*Girlhood, Schools, and Media* Michele Paule, 2016-09-13 This book explores the circulation and reception of popular discourses of achieving girlhood and the ways in which girls themselves participate in such circulation It examines the figure of the achieving girl within wider discourses of neoliberal self management and post feminist possibility considering the tensions involved in being both successful and successfully feminine and the strategies and negotiations girls undertake to manage these tensions The work is grounded in an understanding of media educational and peer contexts for the production of the successful girl It traces narratives across school television and online in texts produced for and by girls drawing on interviews with girls in schools online forum participation within the purpose built site [www.smartgirls.tv](http://www.smartgirls.tv) and girls discussions of a range of teen dramas
