**Aukje Kluge, Benn E. Williams**

## **From Catastrophe To Sovereignty The Holocaust And Israel Reborn:**

**The Holocaust and Israel Reborn** Monty Noam Penkower, 1994 A collection of essays most of them published previously Partial contents      **The Holocaust and Israel Reborn** Monty Noam Penkower, 1994      **The Holocaust and Israel Restored** Monty Noam Penkower, 2025-07-29 The chapters in this volume examine facets in the drama of Jewish existence in the tumultuous years of the Twentieth Century and beyond They include Theodor Herzl as Zionism's driven prophet James G McDonald's valiant effort to alert the world to the Nazi menace the darkening shadow of the swastika in the 1930s across the European Continent the Revisionist Zionist campaign for a Jewish Army in World War II a debate on Zionism and Jewish survival after the Shoah the 1947 legal brief for a Jewish State Poland's distortion of the Holocaust and The Jews Were Expendable forty years later Joining extensive archival research and a limpid prose Professor Monty Noam Penkower again displays a definitive mastery of his craft      **Re-examining the Holocaust through Literature** Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context      The "Bergson Boys" and the Origins of Contemporary Zionist Militancy Judith Tydor Baumel, 2005-11-01 During and shortly after the Second World War six young men emissaries of the revisionist Zionist Irgun military movement in Palestine revolutionized the American Jewish and Zionist scene Judith Tydor Baumel provides the complete story of the role the Bergson group played in raising American public consciousness of Jewish and Zionist concerns After founding a series of pro Zionist and rescue organizations they initiated a new form of fundraising that used the media to turn the spotlight on their activities gaining adherents and supporters from both ends of the political and social spectrum Long before the protest movements of the 1950s and 1960s members of this group learned the art of courting the media in order to bring word of their existence to every part of the United States Having energized politicians gangsters Hollywood moguls and ultra Orthodox rabbis the handful of young men taught other Zionist and American Jewish groups not only how the media was the message but how it could and should be used A guiding force behind the creation of the War Refugee Board the group served as a beacon for contemporary Zionist militancy while ultimately laying the groundwork for other organizations to utilize the media in future political campaigns      Israel Monty Noam Penkower, 2021-10-05 The chapters in this volume examine a few

facets in the drama of how the beleaguered Jewish people as a phoenix ascending of ancient legend achieved national self determination in the reborn State of Israel within three years of the end of World War II and of the Holocaust They include the pivotal 1946 World Zionist Congress the contributions of Jacob Robinson and Clark M Eichelberger to Israel s sovereign renewal American Jewry s crusade to save a Jewish state the effort to create a truce and trusteeship for Palestine and Judah Magnes s final attempt to create a federated state there Joining extensive archival research and a lucid prose Professor Monty Noam Penkower again displays a definitive mastery of his craft     *1968: The World Transformed* Carole Fink,Philipp Gassert,Detlef Junker,1998-10-28 1968 The World Transformed presents a global perspective on the tumultuous events of the most crucial year in the era of the Cold War By interpreting 1968 as a transnational phenomenon authors from Europe and the United States explain why the crises of 1968 erupted almost simultaneously throughout the world Together the eighteen chapters provide an interdisciplinary and comparative approach to the rise and fall of protest movements worldwide The book represents an effort to integrate international relations the role of media and the cross cultural exchange of people and ideas into the history of that year 1968 emerges as a global phenomenon because of the linkages between domestic and international affairs the powerful influence of the media the networks of communication among activists and the shared opposition to the domestic and international status quo in the name of freedom and self determination     The Oxford Handbook of Holocaust Studies Peter Hayes,John K. Roth,2012-11-22 Few scholarly fields have developed in recent decades as rapidly and vigorously as Holocaust Studies At the start of the twenty first century the persecution and murder perpetrated by the Nazi regime have become the subjects of an enormous literature in multiple academic disciplines and a touchstone of public and intellectual discourse in such diverse fields as politics ethics and religion Forward looking and multi disciplinary this handbook draws on the work of an international team of forty seven outstanding scholars The handbook is thematically divided into five broad sections Part One Enablers concentrates on the broad and necessary contextual conditions for the Holocaust Part Two Protagonists concentrates on the principal persons and groups involved in the Holocaust and attempts to disaggregate the conventional interpretive categories of perpetrator victim and bystander It examines the agency of the Nazi leaders and killers and of those involved in resisting and surviving the assault Part Three Settings concentrates on the particular places sites and physical circumstances where the actions of the Holocaust s protagonists and the forms of persecution were literally grounded Part Four Representations engages complex questions about how the Holocaust can and should be grasped and what meaning or lack of meaning might be attributed to events through historical analysis interpretation of texts artistic creation and criticism and philosophical and religious reflection Part Five Aftereffects explores the Holocaust s impact on politics and ethics education and religion national identities and international relations the prospects for genocide prevention and the defense of human rights     *Decision on Palestine Deferred* Monty Noam Penkower,2013-10-23 Professor Penkower s latest book *Decision on Palestine Deferred* offers the first

sustained documented account of Palestine and the Anglo American alliance during the Second World War Firmly grounded in three decades of archival research his spirited narrative offers a fascinating cast of characters against the backdrop of the larger Middle Eastern context The latter relates to Jewish and Arab activities during the War the grave threat of Erwin Rommel s Afrika Korps U S interest in Saudi Arabian oil and the effort to achieve Arab unity Zionism s shift to viewing the United States as the center of decision making in international affairs and hence the Archimedean point for forging Jewry s destiny occurred in these same six years British anxieties about imperial security while administering the Palestine mandate by means of a stringent immigration quota jostled with the first American steps taken to formulate a stance vis vis Palestine and the region as a whole The differing approaches of Churchill and Roosevelt to the Palestine imbroglio are also explored as are the varied avenues that were then championed within the Jewish camp The impact of the Holocaust with both governments breathing the very spirit of defeatism and despair surfaces throughout Holocaust Film Terri Ginsberg,2009-03-26 This timely new monograph takes as its starting point the provocative contention that Holocaust film scholarship has been marginalized academically despite the crucial role Holocaust film has played in fostering international awareness of the Nazi genocide and scholarly understandings of cinematic power The book suggests political and economic motivations for this seeming paradox the ideological parameters of which are evident in debates and controversies over Holocaust films themselves and around Holocaust culture in general Lending particular attention to four exemplary Holocaust art films Korczak Poland 1990 The Quarrel Canada 1990 Entre Nous France 1983 and Balagan Germany 1994 this book breaks disciplinary ground by drawing critical connections between public and scholarly debates over Holocaust representation and the often sophisticated cinematic structures lending aesthetic shape to them in today s global arena

**After the Holocaust** Monty Noam Penkower,2021-10-12 A Winner of the Association for the Study of the Middle East and Africa 2023 Bernard Lewis Prize The chapters in this volume examine a few facets in the drama of how the survivors of the Holocaust contended with life after the darkest night in Jewish history They include the Earl Harrison mission and significant report the effort to keep Europe s borders open to refugee infiltration the murder of the first Jew in Germany after V E Day and its aftermath and the iconic sculptures of Nathan Rapoport and Poland s landscape of Holocaust memory up to the present day Joining extensive archival research and a limpid prose Professor Monty Noam Penkower again displays a definitive mastery of his craft **America and the Holocaust** Rafael Medoff,2022-05 2023 Choice Outstanding Academic Title The first comprehensive volume to teach about America s response to the Holocaust through visual media America and the Holocaust A Documentary History explores the complex subject through the lens of one hundred important documents that help illuminate and amplify key episodes and issues Each chapter pivots on five key documents two in image form and three in text form Individual introductions that contextualize the documents are followed by explanatory text analysis of historical implications and suggestions for further reading A concluding state of the field essay documents how scholars have

arrived at the presented information A complementary teacher s guide with questions for discussion is available online The twenty chapters address a broad range of subjects and events among them America s response to Hitler s rise U S public opinion about Jews immigration policy the Wagner Rogers bill to save children American rescuers news coverage of atrocities American Jewish and Christian responses to the Holocaust the campaign for U S rescue action the question of bombing Auschwitz and liberation Viewing real documents as a means to understanding core issues will deepen reader involvement with this material High school and college students as well as general readers of all levels of knowledge will be engaged in understanding this crucial chapter in American history and weighing questions regarding mass atrocities in our own era

*Historical Dictionary of Zionism* Rafael Medoff,Chaim I. Waxman,2013-09-05 The Jewish attachment to Zion is many centuries old Although the modern Zionist movement was organized only a little more than a century ago the roots of the Zionist idea reach back almost 4 000 years to the day that the biblical patriarch Abraham left his home in Ur of the Chaldees to settle in the promised land The Historical Dictionary of Zionism is an excellent source of information on Zionism its founders and leaders its various strands and organizations major events in its struggle and its present status By showing the movement s strengths and weaknesses it also acts as a corrective to overly idealistic comments by its supporters and the wilder claims of its opponents A much more realistic understanding is offered in the Introduction which presents and explains the movement the Chronology which shows its historic progression the Dictionary which includes numerous entries on crucial persons organizations and events and the Bibliography which points the way to further reading **1001 Facts**

**Everyone Should Know about Israel** Mitchell G. Bard,Moshe Schwartz,2005-11-01 Hardly a day passes when Israel is not in the news Virtually all the press coverage however is about the conflict between Israel and her neighbors There is so much more to Israel that is positive and should be better known This book provides essential facts about not only the political events in the news but also the positive contributions Israel is making in the arts and sciences It describes some of the remarkable sites and people that make the country unique This is not a recitation of facts and figures but a mosaic of the most important aspects of Israel s past and present The book will entertain those interested in some of the fascinating trivia about Israel and inform those doing more serious research about the economy government and culture of the Jewish State

The Eleanor Roosevelt Encyclopedia Maurine H. Beasley,Holly C. Shulman,Henry R. Beasley,2000-12-30 Perhaps the most important woman in 20th century America Eleanor Roosevelt fascinates scholar and layperson alike This exciting encyclopedia brings together basic information illuminating her complex career and making the interaction between her private and public lives accessible to scholars students and the general public Written by scholars including the most eminent Eleanor Roosevelt and New Deal scholars journalists and those who knew her the 200 plus entries in this book provide easy access to material showing how Eleanor Roosevelt changed the First Lady s role in politics widened opportunities for women became a liberal leader during the Cold War era and served as a guiding spirit at the United

Nations A unique resource the book provides an introduction to American history through the vantage point of a woman who both represented her times and moved beyond them Illuminating her multifaceted career life and relationships The Eleanor Roosevelt Encyclopedia offers the reader an unparalleled opportunity to examine the complicated and fascinating life of Eleanor Roosevelt

**Encyclopedia of American Jewish History** Stephen H. Norwood, Eunice G. Pollack, 2007-08-28

Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America s Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world s leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America s wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public

**The A to Z of Zionism** Rafael Medoff, Chaim I. Waxman, 2009-09-28 The Jewish attachment to Zion is many centuries old While the modern Zionist movement was organized a little more than a century ago the roots of the Zionist idea reach back close to 4 000 years ago to the day that the biblical patriarch Abraham left his home in Ur of the Chaldees to settle in the Promised Land where the Jewish state subsequently arose From that day to the establishing of the state of Israel in 1948 the Jewish people have been in a constant struggle to either regain or maintain their homeland Although 60 years have now passed since the establishment of Israel many of the political and religious factions that made up the Zionist movement in the pre state era remain active The A to Z of Zionism through its chronology maps introductory essay bibliography and over 200 cross referenced dictionary entries on crucial persons organizations and events is a valuable contribution to the appreciation for both the diversity and consensus that characterize the Zionist experience

Blowing the Whistle on Genocide Rafael Medoff, 2009 At every turn DuBois was confronted by officials who tried to stop him from the powerful Assistant Secretary of State who sabotaged rescue attempts to the War Department official who blocked DuBois s proposal to bomb Auschwitz and worked to pardon Nazi war criminals after the war

*Balkan holocausts?* David Bruce MacDonald, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Comparing and contrasting propaganda in Serbia and Croatia from 1986 to 1999 this book analyses each group s contemporary interpretations of history and current events It offers a detailed discussion of Holocaust imagery and the history of victim

centred writing in nationalist theory including the links between the comparative genocide debate the so called Holocaust industry and Serbian and Croatian nationalism There is a detailed analysis of Serbian and Croatian propaganda over the Internet detailing how and why the Internet war was as important as the ground wars in Kosovo Croatia and Bosnia Hercegovina and a theme by theme analysis of Serbian and Croatian propaganda using contemporary media sources novels academic works and journals     **The Jews Should Keep Quiet** Rafael Medoff,2021-04 Based on recently discovered documents Rafael Medoff reassesses the hows and whys behind the Franklin D Roosevelt administration s fateful policies concerning European Jewry during the Holocaust
